- Is there a memorable time you heard someone else pray?
- What do you think of the disciples request: “Lord, teach us to pray”
- Who taught you to pray?
- How do you speak to people in authority?
- What impact does God’s power and authority have on how we pray to him?
- How do you speak to your friends?
- What impact does God revealing His name to us have on how we should talk to him in prayer?
- How do speak with your loved ones?
- If we have the Spirit within us that cries out “Abba Father” how should this impact how we talk to God?
