Talk/Chat Online

Through the website and mobile live stream you can chat/talk with others who are online. Say hello, let people know where your watching from, add comments, ask questions, share what's being stirred within you.

Eucharist/Communion

We will be sharing the bread and cup together, so make sure you have the elements with you.

Songs/Prayers

Worship songs will be shared, so sing along, or sit and direct your attention to God in silence, prayer, contemplation.

We will share in prayer, some of the prayer(s) will be on slides to follow along.

Message

There will be a 20 minute message with some engagement via question(s). A five minute timer will help you stay engaged.

Children

Pastor Camilla has sent parents some learning materials for your children.

Giving

As always we will create space to give thanks through giving, tithing, investing.
