2010 - 2019

BAMBOO

those who follow Jesus embody fluidity, adaptation, and collaboration... Adaptable to changing circumstances. To challenging cultures. To complex crises and problems. If there's one quality that matters most to the fate of the church in the twenty-first century, it's adaptability.

- Dave Gibbons

Being able to see around the corner of tomorrow and being agile enough to adapt to what's coming have never been more important.
