John 18:15-18

Your WALK with JESUS will be defined MORE by REGULAR obedience than by extraordinary OBEDIENCE.

How to be Close but Not Close:

Feeling UNCOMFORTABLE and hiding FAITH

Consistently choosing to be with people who are not FOR your FAITH

If there is a cost too HIGH to be identified with JESUS

How to do the Normal Things:

Stay close to JESUS.

Identify your SERVANT girl QUESTION.

Practice ONE small OBEDIENCE.

Small Group Questions:

How do the ordinary acts of obedience define your faith more than the extraordinary acts?

Why is it easy to be close to Jesus but not really close?

What might happen to a believer when they consistently choose to be with people who are not for their faith?

What “servant girl” questions do you regularly face?

Give some examples of small acts of obedience that a person could practice this week. What are the challenges to practicing those acts?
