

# Overcoming Obstacles

*Colossians 3:18-4:1*

What obstacles do you face in living a life of service to Jesus?

## 1. Being a people-pleaser

- Care more what people think about you than God
- Work harder to earn the approval of people than seek to please God
- Fear for your reputation before people more than your testimony about God

## 2. Ignore God's warnings

## 3. Easing up on working on our hearts
