

# On the Road after the Resurrection

Luke 24:13-35

## 1. An appeal to those who doubt, are hostile, or have been hurt by Christianity

- God does not want you to make a groundless commitment
- The first followers of Jesus were far from perfect
- Your struggle to believe is deeper than you realize

## 2. A message to those who believe, love, and want to live for Jesus

- Take comfort in your Savior and in your faith, for it is sure
- Faith is built in a community, not in solitude
- Jesus has made Himself known to you for you to make Him known to others
