

The Law of Moses (The Old Covenant)

= Commandments + Penalty + Remedy

Purpose #1: To point out our sins through the
Commandments

See Romans 3:20, 7:7, & Galatians 3:19.

+

Purpose #2: To point out what we deserve due to
sin...the penalty of death

See Romans 7:13, 4:14-15, & Galatians 3:10.

(Romans 7:11-13 contains both purpose #1 & #2 in them)

+

Purpose #3: To point out God's solution for our sin
... a blood sacrifice

See Galatians 3:22-25, Hebrews 10:1, & Romans 7:4)

The Commandments of the Law of Moses

(2 types of laws in the Law – Which are confused by many)

1. Type 1: Moral

- Examples: Murder, Stealing, Lying, Adultery, etc.
 - These ARE repeated in the New Covenant because they represent our holy God and His nature.

2. Type 2: Ceremonial

- Examples: Sabbath, Dietary Laws, Circumcision, Bodily Discharges, etc.
 - These ARE NOT repeated in the New Covenant because they represent of our need for Jesus.
 - So, once we come to Jesus they have been fulfilled.
 - In fact, we're told specifically these do NOT apply to us anymore in the New Covenant (See Romans 14, Colossians 2:16-23, Galatians 5:6).

The Law of the Spirit (The New Covenant)

= Commandments + Discipline + Power

Commandments (All over the New Testament)

Moral Commandments

+

Discipline (1 Corinthians 5, Hebrews 12:7-11)

Our Father disciplines us

+

Power (Acts 1:8, 2 Corinthians 12:9, 2 Timothy 1:7)

Indwelling Holy Spirit

So, we are not a lawless people!!!
