

*Know therefore today, and take it to your heart, that the LORD, He is God in heaven above and on earth below; there is no other*

I grew up in the midwest with a Biblical worldview. I never met a person that talked about believing in more than one God. I'm sure I probably knew some, but they just never mentioned it.

Thirty some years ago, I moved to a place where most of the people I know believed in more than one God and believed they had a chance to become one if they worked hard enough.

If you and I want to defend what God says about Himself, that He alone is God, this is a good precept to memorize.
