

*I praise You for I am fearfully and wonderfully made. Wonderful are Your works; my soul knows it very well.*

There are so many today who need to know that they were not an accident or a mistake but were handcrafted in their mother's womb by a loving and good Master Designer, who thought through each aspect of who they are so they could perfectly fulfill His plan for their life, a good and exciting plan. None of that will fully make sense until we come to personally know Him and allow Him to reveal His plan for us in the pages of His Word.

You are His loved creation. There is no one else like you, no one who can do what you alone were created to do.
