

*And God saw everything that he had made, and behold- it was good.*

I was in Jackie Martinez's store one day when a customer said, "Hey, I recognize the artist." He had been staying at World Mark, and they had provided a floral arrangement for the couple's anniversary. As he looked at arrangements in Jackie's store, he recognized Jackie as the one who made their bouquet.

When we look at what God created, we get great insight into the One who made it all. Because He is a good God, all He creates is good. Sinful man can distort His creation or care for it, but all He makes is good because He is good.
