

What is it? Go Next Door is a neighboring emphasis where we will intentionally pray for, meet, and form relationships with our neighbors with the goal of inviting them to know Christ, know community, and know our church family.

Why? Each Sunday, we close our time of corporate worship with the Great Commission. Obedience to the Great Commission is at the heart of who we are as believers and as a church. Go Next Door is an emphasis where we will take the next step of reaching our neighbors with the gospel. Over the next 9 or so months, we will strategically build on this emphasis of reaching our neighbors.

Where do we start? Jesus said to his disciples, "The harvest is abundant, but the workers are few. Therefore, pray to the Lord of the harvest to send out workers into his harvest." (Matthew 9:37-38, CSB). Before we lay out a grand strategy for how we are going to reach our neighbors, we want to begin with prayer for our neighbors.
