***From Everlasting to Everlasting***  
***Psalm 90***

**What does it mean for God to be timeless (eternal/everlasting)?**

- God's \_\_\_\_\_ has no beginning and no end
- \_\_\_\_\_ does not affect God's nature
- Time itself is under the \_\_\_\_\_ of God

**Why does that matter to me?**

- God is always \_\_\_\_\_ about sin
- God never \_\_\_\_\_ His people
- God always \_\_\_\_\_ His promises
- God will continually \_\_\_\_\_ His people

***Because God is eternal, I can live today  
for that which will last forever***
