## MUFFINS AND MINISTRY: CARDS OF CARE

Do you ever think to yourself: I really need to send that person a card or write her a note, but you just don't get around to doing it? Well, get ready to dive into a whirlwind of joy and kindness inspired by Psalms 145! We're rolling out the red carpet for a series of fabulous women's events from 2024 to 2025. To kick things off, mark your calendars for Saturday, April 6th. It's time for a delightful Muffins & Ministry fellowship where we'll munch on muffins and spread love and cheer by crafting heartfelt cards for our church family who could use some encouragement. This event won't cost you a dime, just bring one canned good for the Olive Branch Food Pantry. So, grab your canned treat and join us for a morning of laughter and creativity. Older children are welcome to join too - we've got all the crafting supplies ready!
