

### Adult Community Group Classes

Adults receive a weekly lesson sheet from Access. The last page includes a daily Bible reading plan and the Scripture passage for the next Sunday's lesson.

### Children & Adult Sensory Community Group Classes

We are very excited about our new curriculum—Chirp. At the beginning of each month you will receive a Family Supplement which will help you know what concept we are studying and how you can reinforce the lessons at home.

### Wednesday Night Friendship Club

At Friendship Club, we use Orange curriculum to help us learn how to make wiser choices, build stronger relationships, and develop a deeper faith. Each month focuses on a different theme and includes games, worship, and The So and So Show. A devotion sheet is sent home each week which helps reinforce what we are learning.
