Sermon Notes

Challenging Authority

Mark 11:27 - 12:12

Rejection of authority

- To reject the authority of Jesus is to promote my own

Rejection of repentance

- To reject the need for repentance is to promote my own

Rejection of purpose

- To reject the sacrifice of Jesus is to reject God's redemptive

- God is _____ with sinners
- God is _____ with sinners
- God is _____ despite sinners

As the cornerstone, Jesus has sovereign authority over my life, fulfills Scripture, and is the culmination of God's redemptive purposes

Discussion Questions

Use these discussion questions in your family, small group, discipleship group, etc. as a way to reflect and be obedient to the Word this week. The first and last questions are geared toward family discussion, and are reflected in the Kids Sermon Notes.

- When Scripture tells us that Jesus has authority, what does He have authority over?
- Why is it difficult to give up authority and control in our lives?
- The religious leaders didn't see their need for repentance. Why is the need for repentance a daily element in the Christian life?
- In this parable, we see God's patience and persistence in salvation. How have you seen God's patience persistence in your life?
- What does it mean that Jesus is referred to as a cornerstone?
