Wednesday Evening Bible Study

Sermon

Title: Finally, Some Good News

Text: Esther 8

The Story

- Reward in the palace
- Plea in the throne
- Defense in the homes
- Victory in the streets

Reflections

- Safety in our own salvation should not lead us to a lack of compassion for others
- The Gospel calls me to stand in the gap for others
- We fight sin from a victorious position
- Discipleship cannot only be in profession, but must be in practice
- Through His perfect obedience, Jesus is worthy to be our great Mediator
- On this earth, we are not guaranteed a happy ending, but we are guaranteed Jesus
