Called to Engage
Matthew 4:17-22

What does the Bible teach?

Jesus makes the call personal.

The call requires immediate action.

Jesus focuses us on other people.

Jesus calls on all believers to engage the world. (Matthew 28:19-20)

What should they do?

Start engaging the world.

Be aware of other people's situations and reach out to them.

Love people and serve them.

*And he said to them, "Follow me, and I
will make you fishers of men."*

Matthew 4:19
