

A Servant's Heart

Luke 1:26-38

What does the Bible teach?

God desires for us to have a servant's heart.

God has an assignment for all of us. (v. 31-33)

God's assignments are always more than we can handle alone. (v. 35-37)

God's servants should respond with obedience to his assignments. (v. 38)

What should they do?

Say yes to God's assignments.

Trust God to give you what you need for the assignment.

Be faithful and stick with the assignment.

And Mary said, "Behold, I am the servant of the Lord; let it be to me according to your word." And the angel departed from her.
