

Wake Up!

Revelation 3:1-6

What does the Bible teach?

Going through the motions does not equal a relationship with Jesus. (v. 1)

Jesus calls zombies to take immediate action to find life again. (v. 2-3)

- Wake up to your situation.
- Strengthen your commitment to Christ.
- Remember and study the Gospel truths.
- Live by the Gospel truths.
- Repent and return to Jesus.

Endurance is the mark of true followers of Jesus.

How should I respond?

Wake up!

Strengthen your commitment.

Remember and study the Gospel.

Live by the Gospel.

Repent

Wake up, and strengthen what remains and is about to die, for I have not found your works complete in the sight of my God.
