Love God as an Individual

Matthew 22:34-38

What does the Bible teach?

Love is more than a feeling.

We love with the whole person.

Our love is personal.

Our love is active.

Our love is complete.

How should I respond?

Give yourself entirely to Jesus.

Let go of any challengers to Jesus.

Make knowing Jesus your focus.

Be active in your love by praying and worshipping.

Trust him to lead your life.

And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind."

Matthew 22:37
