Sermon Discussion from 11/1

Takeaways—

1. God has a plan for this world and specifically for you. God knows the future because he planned it. And he planned your part in it. • Psalm 119:13-17

2. God uses who he wills to execute his plan. Young or old, male for female. A teenager in a foreign land or even a pagan king: Joseph (Gen 40), Abraham and Sara (Gen 15), Nebuchadnezzar and Cyrus (Is 39:5-8, Is 44:28, Jer 27:6) Mary, mother of Jesus (Luke 1:26-38).

3. Don't look to fortune tellers, horoscopes or astrology for your answers. Those things are of this world and thus of the devil. We are warned against those things. (Duet 18:10-12, Gal 5:19-21)

4. Do not rely on your own strength or wisdom (Jer 17:5-6)

5. Go to God in prayer. Trust him for your daily needs (Jer 17:7-8) (just as Daniel)

6. Don't pray alone. Grab a friend or two to pray with you if you are in need (strength in numbers).

And lastly and very importantly / Do not forget—
7. Remember to Thank God, for answered prayers!
