Sermon Discussion from Sunday, 3/15

Intro • How would you define the word “worship”? What are various examples of worship in scripture? Does the modern idea of Christian “worship” capture the right idea of worship from the Bible?

John 12:1–2a • Lesson from Martha’s service / Luke 10:38–42.

Discuss • Why do Christians nit-pick, complain, focus on the negatives, and get jealous of others in ministry, like the Old Martha? How can we be more like the New Martha?

12:2b / 9–11 • Lesson from Lazarus’ fellowship / John 11:3

Discuss • How do you foster a friendship with Jesus? How do you abide with Him? And how has intimacy with Jesus made you into a witness for others to see His work and power? If this isn’t true in you—make a plan to grow! What new things can you do to “recline at the table with Him”?
