## DISCUSSION QUESTIONS

Sunday, Aug. 18th

"A Guide for Guilt"

(Psalm 51:1-4, 10-17)

Contribute to the discussion if you feel led to share! Use of Scripture is encouraged!

-1) Regret, godly sorrow, and repentance are all similar but each are also different. How are regret, godly sorrow, and repentance different?

-2) What is biblical repentance? Why should repentance continue to be important in the lives of believers (even after our initial repentance where we were saved).

-3) Read v.12-15. How does a changed heart lead us to worshipping God and sharing Jesus with others? How can sin interfere with these two areas of our life?

### Take Home/Challenge Question:

David said, "If we try to cover up our sin, God will uncover it. If we uncover our sin, God will cover our sin with the blood of Jesus." Is there any sin you are trying to hide right now? Is there any sin you need to confess to God or to a brother/sister in Christ this week?
