

FCABC LIFE GROUP DQS

1) The sermon draws a distinction between Moses holding the staff and the staff holding Moses – **in what areas of your spiritual life might comfort, habit, or identity be controlling you?**

2) God asked Moses 'What is that in your hand?' rather than promising him new resources – **how does this challenge the way you tend to pray for what you need versus recognizing what God has already given you?**

3) Moses offered multiple excuses when God called him, including his sinful past, his lack of persuasion, and his speech problems – **what excuses begin to swirl around in your mind when God is calling you out of your comfort zone?**

4) The same staff Moses used as a shepherd became the instrument through which God performed signs, parted the Red Sea, and brought water from a rock – **how does this encourage you to view your own background, skills, and experiences as potential vessels for God's work?**

TAKE HOME / CHALLENGE QUESTION

1) **Is there anything God is asking you to lay down or let go of?** (Pride, bitterness, a bad habit, a sin struggle, control, etc.)
