## DISCUSSION QUESTIONS

Sunday, July 28th

"Worship Works"

(2 Chronicles 29:25-31)

Contribute to the discussion if you feel led to share! Use of Scripture is encouraged!

- 1) What are biblical reasons for worshipping God through music and singing?
- 2) Why is corporate worship (coming together as a church) important for our walks with Christ?
- 3) Why is active participation in worship (both in singing and hearing the Word preached) important?
- 4) Where should worship lead us? In other words, what should be the effects of worship on our lives?

### Take Home/Challenge Question:

Are you actively participating in worship? Are there ways you could be serving the church with your musical abilities? Pray that the Lord would show you all the ways you can make the most of Sunday morning worship services.
