

FCABC LIFE GROUP DQS

1) Peter's experience of sinking in the Sea of Galilee and being lifted by Jesus prepared him to lift the lame man. **What past experiences of rescue or deliverance has God used to equip you to help others?**

2) The lame man's friends carried him to the temple daily out of compassion. **Who in your life needs to be 'carried' to church or to Jesus, and what practical steps can you take this week to reach out to them?**

3) The healed man couldn't stop leaping, praising God, and clinging to Peter and John. **When was the last time you experienced such overwhelming gratitude for what Jesus has done that it was visible to everyone around you?**

4) Peter used the healed man as a 'prop' to point people to Jesus rather than to himself. **How can we ensure that when God works through us, we deflect attention and glory back to Christ alone?**

TAKE HOME / CHALLENGE QUESTION

1) The sermon mentions various things people need deliverance from, including addiction, pride, and self-absorption. **What do you need Jesus to lift you up from today, and are you willing to lean on Him rather than your own understanding?**
