DISCUSSION QUESTIONS

Sunday, Jan. 18th

"Financial Faith"

(Malachi 3:7-12)

Contribute to the discussion if you feel led to share! Use of Scripture is encouraged!

- 1) The sermon mentions that there are three entities interested in your finances: God, the devil, and you. **How might the devil use financial bondage or mismanagement to create a stronghold in your life?**
- 2) **Considering that we trust God with our eternal salvation and the souls of our loved ones, why is it often so difficult to trust Him with our finances, and what does this reveal about where we place our security?**
- 3) Malachi 3:8 asks a bold question: Will a man rob God? **In what ways might we be withholding from God beyond just our tithes, and what does this reveal about our level of trust in Him?**
- 4) David emphasized that giving is an act of worship, not just a financial transaction. **How does viewing your offering as worship transform your attitude when you give?**

Take Home/Challenge Questions:

- 1) God challenges us in Malachi 3:10 to test Him in tithing, the only place in Scripture where He invites us to do so. **What fears or doubts prevent you from taking God up on this challenge?**
