DISCUSSION QUESTIONS

Sunday, June 16th

"A Father's Facilitation"

(2 Chronicles 28:9-12;
29:23-28)

Contribute to the discussion if you feel led to share! Use of Scripture is encouraged!

- 1) When a parent's greatest desire for their children is for them to know God and be saved how does that change the way we live and parent our kids?

- 2) What strategies have you seen work or what strategies do you want to try when it comes to family discipleship?
(Family Discipleship = following Jesus together, teaching your kids how to read and understand the Bible, teaching your kids how to obey and worship God, etc.)

- 3) Being an active part of a church family should never be a burden, it should be a joy. What should we do if church ever begins to feel burdensome?

Take Home/Challenge Question:

Take some time to think about what you are desiring most in life. Where do you find your heart and mind consistently drifting towards? Are you desiring the things of this world more than you are desiring to know God?
