Friday, March 6th - 5:30pm - Movie Night - "The Unbreakable Boy"

LOSE THE WINTER BLUES

Several years ago, we had a very fun mid-winter event called LOSE THE WINTER BLUES. We want to do that again! We have a date and time: Saturday, February 21, from 4 to 7. But we need a team to plan it. This morning, I will be asking for 4 people to volunteer to join the three members of the Event Coordination Committee (Carolyn, Tricia, and Suzanne) on this team. This will be a wonderful fun experience for all of us.

FELLOWSHIP TEAM

We all love the time of fellowship which follows worship. **However, in order to continue we need additional people to volunteer for setup and clean up.** This is a once-a-month responsibility. Please see Suzanne Simmons for additional information. Ask the Lord if this is a way that He wants you to minister to the congregation. Without additional volunteers, we must consider whether to discontinue this ministry. Remember that none of those who minister during the Fellowship time are paid staff. Please respect one another as well as the church property. **Please always get a plate for your food, clean up any spills, and dispose of your cups and plates before you leave.**

Finally, we ask parents to please watch your own children. Balls should not be thrown and there should be no running inside the building. This will make it a safe space for our elderly congregants.

THE UNBREAKABLE BOY - MOVIE NIGHT

Friday, March 6th from 5:30-8:30pm with the movie starting at 6pm. Fresh popcorn and movie snacks will be provided but feel free to bring more snacks to share! Please check out the app to register and for more information.

FREE SEMINAR AT NEW LIFE

Pastor Aaron at New Life has extended an invitation for anyone who would like to participate in an event hosted by New Life. He said "On Saturday the 24th at 1pm we have Pastor Mike Caparelli coming out to do a 3 hour seminar on dealing with trauma and anxiety biblically. He has bookings all over the country and has written several books on the subject. It is a free event for all that attend. No need to register."

The Post-Traumatic Growth Playbook

A 3 Hour Interactive seminar that examines how Joseph overcame trauma from a scriptural & scientific view.

Dr. Mike Caparelli is a PhD in Behavioral Science who speaks on mental health issues around the globe. He appeared on Netflix, the 700 Club, Dr. Caroline Leaf's Podcast and a host of other venues. He authored 6 books on overcoming mental health problems from a biblical perspective.
