

Seek the Lord Before You Leap and Lead.

Joshua 9:1-15

Seven Points to Ponder

1 - Pride is making a decision, any decision before checking in with God first.

2 - Stop, Pray and Listen for God's guidance.

3 - Don't read the Bible to know more. Read the Bible to know God more.

4 - Don't make decisions in isolation. Pray and seek Godly counsel.

5 - Seek and trust God's wisdom in each stage and season of your life.

6 - The truth is we believe the parts of the Bible we put into practice.

7 - You cannot walk into the future God has for you if you're rooted in the sins of your past.
