

BACK TO THE BUILD

Part 2 | Family Reading Plan | Pastor T. Wayne Daniels | September 27, 2026

A five-day conversation about building a life on Jesus through hearing and doing His words. Read each passage together, then let everyone answer the question. End each day with a short prayer.

DAY 1 | What are we building on?

Read: Matthew 7:24-27

Discuss: What do the two builders have in common? What choice made their outcomes different?

Pray: Ask Jesus to show us where we need a stronger foundation.

DAY 2 | Practice what we hear

Read: James 1:22-25; Matthew 7:24

Discuss: Name one teaching of Jesus we already know. What would obeying it look like at home this week?

Pray: Choose one action and ask God for help to do it.

DAY 3 | Build together

Read: Acts 2:42-47

Discuss: Which practices shaped the early church? How can our family make room for Scripture, fellowship, meals, and prayer?

Pray: Pray for a steady rhythm of worship and community.

DAY 4 | Respond when pressure comes

Read: Acts 4:23-31; Acts 16:22-25

Discuss: How did the believers respond to threats and hardship? What do we usually do first when trouble comes?

Pray: Bring one current worry to God together.

DAY 5 | Jesus is the rock

Read: 1 Corinthians 3:11; Acts 16:25-26

Discuss: What does it mean to build on Jesus? How can we worship Him even before circumstances change?

Pray: Thank Jesus for being our foundation; pray for courage to follow Him.

Family challenge: Choose one word of Jesus to put into practice this week. Share at your next meal what happened.
