## Who's Driving This Thing?

Based on the message by Pastor T. Wayne Daniels (July 5, 2026)

### Theme

Every worthwhile life and family requires intentional direction. Christ desires to lead every area of our lives.

### Key Scriptures

Joshua 24:14–15  
Proverbs 3:5–6  
Matthew 7:13–14  
Psalm 127:1  
Luke 9:23

### Big Ideas

- Every family is following someone.
- Direction is more important than speed.
- Direction determines destination.
- Jesus will not ride shotgun—He must lead.
- Strong families make private decisions that produce public stability.

### Read Together

Read each Scripture aloud. Have each family member share one phrase that stood out and explain why.

### Discussion Questions

1. Who is driving our family's decisions?
2. What competes with God for first place?
3. Where do we need to trust God more?
4. What does surrender look like this week?
5. What legacy are we leaving?

### Family Challenge

Pray together every day this week.  
Read one Scripture passage together daily.  
Remove one distraction from your home.  
Serve someone together as a family.

### Closing Prayer

Lord, we choose You as the leader of our home. Help us trust You completely, surrender every area of our lives, and leave a legacy of faith for future generations. In Jesus' name, Amen.
