Easter Progressive Dinner

Most international students will spend Easter alone, at home, or studying. We'd like this year to be different! We have a chance to explain the meaning of Easter in a fun and meaningful way. Through a progressive dinner, students can visit American homes, meet new friends, and learn why this season is so special to Christians. We'll explain who Jesus is and the importance of His death and resurrection.

Join us on Saturday, April 1 beginning at 4:30 PM by opening your home, providing transportation, riding along with students, or serving dessert at our finale.
