Does Science Disprove the Bible?

GETTING TO KNOW YOU

- Share one of your favorite miracle stories from the Bible.
 - Why do you like that story? What does it reveal to you about God?
- Have you ever seen a miracle happen?
 - What was it? Why do you think it was a miracle?

QUICK REVIEW

Looking over your notes from this past teaching... was there anything you heard for the first time, caught your attention, challenged you, or confused you?

MAIN POINT

True science does not disprove the Bible.

DIGGING INTO THE WORD

- Why do you think some people have a hard time believing in miracles?
- Do you think it's possible to be a Christian and not believe in miracles?

SCIENTISM = The belief that science is the ultimate authority on whether something is true or not.

- What is the danger of making science the ultimate authority on life?
- Do we need to lay aside science to believe the Bible is true? Why/why not?
- How can the Bible and science both be true?

Read – Romans 1:20

- What does this verse say regarding the revelation of the reality of a supernatural God?
- When a sick person takes medicine and gets better, is that a supernatural miracle or a result of science?

Medicine is developed through research. Research is done by smart people.

- Where do smart people get their intelligence? Who created their brain?
- How does an intelligent person inventing a new medicine reveal the reality of a supernatural God?

Read – Daniel 5:23

- Where does Daniel say our next breath comes from?
- If this is true, then is breathing natural or supernatural?
- How does it change your perspective on life when you understand...
 - you are not... naturally alive, and then you die someday,
 - but you are... supernaturally being kept alive for your entire life?
- Can you think of an example of something modern day science claims to be true, but it takes **FAITH** to believe it?
- To believe in God, we must believe in the supernatural. Then why do we still sometimes struggle to believe that God can do supernatural miracles?
- What is too difficult for God to do?

PRAISE REPORTS & PRAYER REQUESTS

- Challenge yourselves to pray some prayers this week that will need a supernatural God to perform a miracle!
