Our Unfading Inheritance Revelation 21

GETTING TO KNOW YOU

- Have you ever received an inheritance? Who was it from? How did it make you feel when you received it?
- Do you plan on giving any type of inheritance? Who will it be for? Why do you want to give it?

QUICK REVIEW

Looking over your notes from this past teaching... was there anything you heard for the first time, caught your attention, challenged you, or confused you?

MAIN POINT

God has set up an eternal inheritance for all those who have accepted His invitation to be adopted into His family.

THE WORD

Read – Revelation 21

DIGGING DEEPER

- There is some wild imagery shared here, but what elements of this description cause you to be excited and anticipatory about being there?

Revelation 21:3-5

Read – Revelation 20:14

- What does this mean to you that DEATH will be NO MORE?
- How would you live differently if you knew you would never die?

Read – John 11:25

- As believers in Jesus, how are we already “immortal”?

Revelation 21:6-8

 - How often would you think about that inheritance?
 - How much hope would that inheritance give you?

Read – 1 Peter 1:3-4

- How sure is this inheritance?
- How should this certain inheritance be affecting our lives today?
- Why do you think this sure inheritance doesn't affect us as much as it should?

Revelation 21:9-27

- What do you think these verses show us regarding what is eternally valuable?
- Since gold and other earthly treasures have no eternal value, what can we do to help ourselves place value on the more important eternal things?

Read – Matthew 6:19-21

- What do you think Jesus was encouraging us to do in this teaching?
- How can we make this a practical reality in our lives?

TAKING IT HOME

- In what way can you help yourself this week to focus more on your eternal inheritance rather than your temporary existence?
