## *Is the Bible Really the Word of God?*

### GETTING TO KNOW YOU

- Have you ever met someone famous? Who was it? How did you meet them? How did your interaction go? Did they seem to pay attention to you or were they aloof and uninterested?
- Who is somebody famous, who is alive today, that you would love to talk to?

### QUICK REVIEW

Looking over your notes from this past teaching... was there anything you heard for the first time, caught your attention, challenged you, or confused you?

### MAIN POINT

***We can believe the Bible is the word of God.***

### DIGGING INTO THE WORD

- If you received a letter in the mail from the famous person you mentioned above that you would like to meet, would you open the letter and read it? Why or why not?
- What can this example reveal to us regarding how much we open and read the bible?
- If a married person only talked to their spouse, but never listened to them, what would that relationship be like?
- How important is communication in building a strong relationship?
- What happens to a Christian who only prays to God to ask Him for things, but never opens the Bible to read God's word; God speaking to them?

- What are some reasons why you have struggled to read the Bible?
- What are ways we can overcome those struggles we have mentioned?

**Read – 2 Timothy 3:16-17**

- According to these verses, what is the point of the scripture/Bible?
- If reading and applying scripture gives us these things, then what are we missing if we are not regularly reading and applying the Bible to our lives?
- How has the Bible impacted your life?
- How does your impacted life give evidence to the reality that the Bible is the word of God?
- Why might some people choose to ACTIVELY RESIST believing the Bible is the word of God?
