### **The Great Reset**

***Pastor JD Farag***

All right. Well, good morning, and welcome to our prophecy update. We're so glad that you're joining with us. If you're watching this live, we welcome you. If you're watching this after it is finished, we're certainly glad that you've joined with us. A lot to get to today, so we're going to get right to it if you don't mind.

I want to talk with you today about how what I see as the pre-planned, even staged events, that we're witnessing today are bringing about a coming global reset. In order to do that I need to mention 2 bookends, sort of put 2 bookends on today's update, the first of which was Thursday night. For those who haven't had the opportunity to watch that video, it is on YouTube.

Mac, my assistant pastor, and I addressed what's really happening as it relates to Black Lives Matter, and we really took and tackled it from a biblical perspective. I know that we've had a lot of very encouraging comments from a lot of people who had a lot of questions answered and we're certainly grateful to the Lord for that.

The other bookend is going to actually be today for the 2nd service which will be at 11:15 Hawaii time. That's when we livestream, 10:45 am, here in the church. We're going to be in 2 Thessalonians Chapter 2. I've really been looking forward to specifically verse 3 in our verse by verse study through this epistle. So that's at 11:15. By the way, spoiler alert, the rapture comes first, and that's actually what the title of the teaching is going to be.

I wanted to begin this way because, and hear me out on this. This is really important. The world that we are living in today is very unfriendly and unforgiving to anyone who is not sound doctrinally concerning the truth of the pre-tribulation rapture and I want to talk about that today in our study in 2 Thessalonians 2:3. I'm going to be referring to Dr. Andy Woods and his book titled, "The Falling Away: Spiritual Departure or Physical Rapture? A second look at 2 Thessalonians 2:3."

In it he provides 10 reasons why what many refer to as the falling away or the apostasy is actually the rapture of the church. I would suggest that 2 Thessalonians 2 is exactly where we're at in the world today. And after the rapture? The Antichrist will be revealed and a powerful delusion with lawlessness will ensue.

I'll take it a step further and suggest that as Paul says in 2 Thessalonians 2, the mystery of lawlessness, lawlessness, is already at work. And here's the thing and this is what I want to talk about today, it's creating the perfect storm for the Antichrist and his complete totalitarian control. By totalitarian I mean a global system that is both centralized and dictatorial requiring a complete subservience to the Antichrist who will control a one-world economy, a one-world government, and a one-world religion.

I am of the belief that we today are witnessing an orchestrated dismantling or if you prefer controlled demolition of the "Old World Order" to reset for the "New World Order". It's important to understand that this agenda, and that's what it is an agenda, has been in the works for decades. But now today it is reaching its final stage.

I'll start with this interview from 36 years ago, in the year 1984, with Russian KGB defector, Yuri Bezmenov, and host G. Edward Griffin, in which he explains the four stages of subverting the free world. Listen to these excerpts, I'm quoting from the actual video. Quote, "85% of espionage, is a slow process which we call either ideological subversion or active measures in the language of the KGB or psychological warfare.

### The Great Reset

*Pastor JD Farag*

What it basically means is to change the perception of reality of every American to such an extent that despite the abundance of information no one is able to come to sensible conclusions in the interests of defending themselves, their families, their community, and their country. It's a great brainwashing process [interesting brainwashing] which goes very slow and it's divided in 4 basic stages.

What follows are said 4 stages in order: # **1. Demoralization** - 15 to 20 years... What's this? Oh, it's the process of making a country immoral so they cannot believe truth when it is presented to them. # **2. Destabilization** - 2 to 5 years: Create conditions where tipping points can occur. # **3. Crisis** - 6 weeks: Tipping points to seize power. # **4. Normalization** - Success: Totalitarian government control.

Of this slow staged brainwashing process, Bezmenov says quote, "The result you can see most of the people who graduated in '60s, dropouts or half-baked intellectuals, are now occupying the positions of power in the government, civil service, business, mass media, and educational system. You are stuck with them. You cannot get rid of them. They are contaminated.

They're programmed to think and react to certain stimuli in a certain pattern. [still quoting] You cannot change their mind even if you expose them to authentic information. Even if you prove [listen to this] white is white and black is black. You still cannot change the basic perception and the logical behavior."

In other words? "For these people, the process of demoralization is complete and irreversible. To get rid of society, of these people, you need another 20 years to educate a new generation of patriotically minded and common-sense people who would be acting in favor and in the interests of the United States society. If people will fail to grasp the impending danger [1984] nothing ever can help United States. You may kiss goodbye to your freedom. All this freedom will vanish, evaporated in 5 seconds."

You'll forgive me for the bluntness with which I say this but I believe that we are already five seconds too late, let alone 20 years. The pre-programming and pre-planning has in effect been met with its intended success as evidenced by the crisis stage tipping point.

To me, this explains why we're seeing what we're seeing and it's all leading up to this fearful 4th and final stage. That was 1984. Now let's fast forward to 1992. This quote from Henry Kissinger in an address to the Bilderberger Organization in Evian, France. It was transcribed from a tape recording made by one of the Swiss delegates.

"Today Americans would be outraged if UN troops entered Los Angeles to restore order. Tomorrow they will be grateful. This is especially true if they were told there was an outside threat from beyond whether real or promulgated that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario individual rights will be willingly relinquished for the guarantee of their well-being granted to them by their world government. 1992.

Let's rewind to October of 1975. Henry Kissinger in his address before the General Assembly of the United Nations stated, and I quote, "My country's history, Mr. President, tells us that it is possible to fashion unity while cherishing diversity that common action is possible despite the variety of races, interests, and beliefs we see here in this chamber. Progress, and peace, and justice are attainable. So, we say to all peoples and governments, let us fashion together a new world order."

### **The Great Reset**

***Pastor JD Farag***

Enter said New World Order vis a vis the Great Reset from none other than the World Economic Forum which was just launched as a virtual summit 11 days ago on June 3rd. Here's a quote from this screenshot on "The Great Reset" home page quoting, "There is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the World Economic Forum is starting The Great Reset initiative."

Now, if the World Economic Forum sounds familiar to you it should, because it's the same World Economic Forum that hosted Event 201 better seen as and said as, "2-Global-1, along with none other than the Bill and Melinda Gates Foundation and Johns Hopkins University. Event 2-World-1 or 2-Global-1 was held in New York City on October 18 2019 as a high-level pandemic exercise simulating a global outbreak modeling what they called a "fictional" coronavirus, October of 2019, weeks before the crisis hit.

You'll forgive me if I sound cryptic when I say it that way but I say it that way for a reason. It's also the same World Economic Forum of this website which is a website like nothing I have ever seen. I mean the most intricate, I mean there are no words to describe this website by the World Economic Forum.

It has links to everything and anything you could possibly imagine, and everything is linked together under the banner of global governance. This was planned all along. You can find everything, and COVID-19, finding a vaccine, the media's role during COVID-19, global governance, climate change, LGBTQ inclusion. I mean, sustainable development. I mean I could just go on and on and on. I won't. You know I can; I won't.

What follows are screenshots from the video on the home page of this new World Economic Forum website introducing the Great Reset. You'll forgive the quality. I mean it moves so fast, the frames move so fast, and I tried as best as I could to get the screenshot. But I want to start with this one under the heading of, "Our World Has Changed."

How convenient. Pictured here are police officers holding back protesters, one of which is holding a Black Lives Matter sign. Actually, the World Economic Forum has a Twitter account, and pictured here is a tweet on June 10th about quote, "7 ways businesses can show they value black lives."

Again, I would encourage you to watch the video from Thursday night. I think it will be an eye-opener. Sadly, what is happening now is that churches, pastors, well-known, are acquiescing, caving, to Black Lives Matter, standing with Black Lives Matter. If you only knew, and I want to give them the benefit of the doubt, "love hopes all things" [1 Corinthians 13:7] and I just hope that they're ignorant. They just don't know because if they really knew what this was really about? I don't want to go there. I just did kind of, didn't I?

Are we surprised? That's heartbreaking. I saw it coming. I have commented on it over the years and the prophecy updates. This is what happens when you don't preach the Word. I think about the Apostle Paul that would have, for lack of a better word, the audacity to pronounce upon himself a curse were he to not preach the gospel of Jesus Christ. You see, the problem is and has been, and we're seeing now the fruit, the bitter fruit of it, is that it was a different gospel, a social gospel. A different Jesus, not the Jesus of the Bible.

Well, let's get back to this Great Reset website. This is an interesting screenshot. Here You see people under surveillance being tracked and traced all of whom appear to be wearing masks. This is a shot of

## **Bible Prophecy Update: Jun 14, 2020**

### **The Great Reset**

***Pastor JD Farag***

a man wearing his mask getting his temperature read by way of a forehead thermometer. Isn't this interesting. It's almost like pre-programming and conditioning.

We talked about this again on Thursday night that, I'm sure you saw it, where these politicians wearing... We had too much fun with that one, didn't we Mac? They had this tribal scarf around their neck, we wear it on our head. Where I come from, in my country, we put the scarf on the head, but apparently, this is from Africa and they wore this scarf... I saw a video, by the way, I forgot to mention this to you, Mac. They are livid, why would you do that? Do you even know what that scarf represents?

So, you have these politicians, social distancing, they're wearing this scarf, and they're wearing their masks. They get down on their knee. They bend their knee in solidarity for Black Lives Matter. That's really interesting. It's just a preview of what's coming because there is going to be the bending of the knee and the pledging of allegiance and solidarity to the Antichrist.

Then there is coming that time, can't wait, where every knee will bow and every tongue will confess that Jesus Christ is Lord. The only problem is that that confession will be for damnation, not salvation.

This next one is heartbreaking. It shows this separation from family who are being quarantined. I don't know if you realize this or not but in this contact tracing which I just saw this morning before I came here that basically is saying that contact tracing is the best way and the best answer until we get the vaccine. Now you understand that contact tracing, TRACE, is: Test Reach And Contact Everyone, T-R-A-C-E. That's the acronym, that's what it stands for. So, if they contact you and test you and you are tested positive for COVID-19, you could theoretically, in fact actually, be removed from your home forcibly.

Oh, come on Pastor, you're overreacting. Okay. Come on. No... Okay, under the heading of, "our systems need a reset", they show someone pushing a reset key on what looks like a very old computer. I suppose we shouldn't be surprised by this. We've seen this coming for some time now.

Actually 2 months ago, back on April 19th, we talked about this in that week's prophecy update titled, "World Order Reset". In it we looked at how this crisis was being used to re-shape, re-imagine, and ultimately reset the entire world order.

One need look no further than to this quote from Klaus Schwab, the founder and executive chairman of the World Economic Forum, quoting, Listen very carefully to the way he says this, this is on their website. "The pandemic represents a rare but narrow window of opportunity to reflect, re-imagine, and reset our world."

Oh, perfect I suppose it should also come as no surprise that one of the many links in the aforementioned World Economic Forum website is a link to, you guessed it: The Great Reset. Here's a quote from this link. "The world is at a historic crossroads as economies everywhere attempt to pull themselves out of a COVID-19 induced hiatus. The damage inflicted has been horrific in terms of lives taken and livelihoods lost. However, it also presents an opportunity to rebuild in a more [watch this] inclusive and responsible way. Coronavirus-related lockdowns [this is interesting] provided a glimpse of what is possible in terms of limiting pollution, [oh?], and the pandemic's human toll illustrated what can happen when health care systems and social safety nets are neglected. Now it's up to leaders in the private and public sectors to seize the moment, and help create a more equitable and sustainable society."

## **Bible Prophecy Update: Jun 14, 2020**

### **The Great Reset**

***Pastor JD Farag***

Did you just hear that? Did you just hear what that said, "A more equitable and sustainable society." This is sustainable development, and on its face, it almost sounds like, oh yeah, of course, I want that. Uh, no you don't! No, you don't!

This is Agenda 21. This is the agenda that is now in place exactly as they have planned all along. Everything that we are seeing today is going perfectly according to that which was planned and not just by man and I'll explain what I mean by that. The evil diabolical plan of man is subject to the perfect prophetic plan of God for man in the redemption of man.

In other words, everything is going perfectly according to schedule. Never imagine, never think for a second God is in heaven going, what do I do? What! When did this happen? How disconcerting would that be? I mean this is God who is supposed to be all-knowing, all-present, all-powerful.

Last time I checked he's still seated on the throne and aren't you glad? How scary would that be if there was any record in Scripture that instead of being seated on the throne, God is pacing back and forth in front of the throne? What we're going to do? What are we going to do? I mean you'll forgive the simplicity but I try to keep it simple.

But basically, you can sum up the entirety of the pages of holy writ this way: It's a fallen world. Sin entered the world and death with it. Which is why Jesus came to the world and died for us to take us out of the world. That was, wow, that was better than 101. That was like, that's the whole plan of God. There's, of course, a lot of things in between.

But this is exactly what the plan of God for man is: It's to redeem man from this fallen evil world. Dare I say it's almost a "wrap" for lack of a better way of saying it? Such that God is about to wrap it up, as it were and we are and please just hear me out when I say this. We are on the cusp of the last seven years of human history as we know it. We are on the cusp. We are a gnat's eyebrow away, and yes, gnats have eyebrows. I think, you just can't see them. That's how close.

By the way, I'm not going to take the time today, I may at some point in the future, Lord willing, talk about this but I at least want to mention this. This new world system, this new world order, this reset of the old order for the new order? It's foretold in Revelation 17 and 18, 2 very interesting chapters in God's Word. It's during the 7-year tribulation because chapters six through 19 are all about the 7-year tribulation. Which by the way you will not find the church mentioned even one time in those chapters dealing with the tribulation because the church is not here in the tribulation.

Now someone might ask what about the ones that John asks about, who are these? And the answer is, we affectionately refer to them as, tribulation saints. Those are those in great number we're told that refuse the mark of the beast. They do not bow the knee to the Antichrist and it costs them their lives. They are, it's very specific in Revelation, they are beheaded.

Which is interesting by the way, I just saw something... Yeah, I guess I'll share it, why not. I have to now after saying it like that right? Don't you hate it when somebody says, oh never mind? No, what! What? I got your attention now, didn't I?

You know how they're tearing down these statues? We talked about this on Thursday night, anything that has... It's the "cancel culture" that's what they call it, the cancel culture. It's kind of interesting I heard a guy say, I wonder how far back they're going to erase everything. Are they going to go back to Jesus Christ and the crucifixion and the resurrection and erase and cancel that too? Mmm, that's interesting.

## **Bible Prophecy Update: Jun 14, 2020**

### **The Great Reset**

***Pastor JD Farag***

So, on Thursday night, we were talking about how that they're removing all of these monuments and statues, and they're making room for what? Maybe they're making room for the image of the beast? Here's another thought, very interesting. Maybe they're making room for the guillotines that will be used to behead those in great multitudes. We're told in the Book of Revelation that will refuse the mark of the beast and they will be beheaded.

In other words, these are those that will be saved in the midst of the tribulation. They're not the bride but they are saved. They're not seated with Christ on the throne as his bride by his side but they are serving at the throne. They're still saved.

But in Revelation 17 and 18, we have two very interesting chapters. Revelation 17 is a prophecy about the false religious Babylon, and Revelation 18 is the political and economic Babylon. It should be noted and this is a really interesting study if you want to, in your own time in God's Word.

But it should be noted that Babylon is actually a satanic attempt at reversing what God did at the Tower of Babel in Genesis 11, when it was all the world together, one language. It was a world order basically, Babel, Babylon. It's a reversing of that which God did and that's what Babylon represents.

I am keenly aware that the implications of what I've shared today are very disturbing. But isn't that the point? What do you mean? Stay with me. Don't we need to be disturbed in this world in order to look to the next? I hate to say it this way but if you have a better way of saying this then please share it with me afterward.

But God has a problem; I don't know how else to say it. I mean God doesn't have problems but if God had a problem do you know what his problem would be? Is how do you get us from point A to point B? That's what his problem would be because he's not going to force his will on us. He's not going to force himself on us.

So how does he get us from point A to point B. Point A is this world: The things of this world, but this world is not our home. So how is he going to get us to loosen our grip on this world and the things of this world? So that we'll look to what we were created for which was not this world but for eternity. How's he going to do that?

Well, I think you would agree, I know in my life and I'm sure in your life, the way to get you from point A to point B is he's got to disturb point A. Because if I'm too comfortable in point A, I'm not thinking about point B. If I'm too comfortable in this world? Well, I can just picture God, I'll just speak for myself. He looks down and says just look at JD there he goes again. Getting a little too comfortable. Get down there, you guys, you've got to...

You've heard it said God comforts the afflicted? It's also been said God afflicts the comfortable. Because he doesn't want us to get too comfortable here in this world because this is not our final destination. So, what does he do? He disturbs; He disrupts.

I'm going to get my ducks in a row, whatever that means. I have always wondered what does that actually mean but it's I guess a saying. So, you've got all your ducks in a row. Yeah Getting my ducks in a row, okay, cool. So, God looks down and he says, I see you got all your ducks in a row. Yeah, pretty cool huh? Yeah, watch me now.

Over the years I've seen and in my own life experienced that when you teach Bible prophecy it has this much-needed effect of keeping a lighter touch on this world and the things of this world. I

## **Bible Prophecy Update: Jun 14, 2020**

***Pastor JD Farag***

suppose I could be accused of giving up on this world and rightfully so, because this world is not my home.

To those who would say, don't give up! I would say, Jesus says to look up. To those who would say, we need to rise up and take our country back! We need to get people into office! Excuse me for a second, should remember where, oh yeah, it's not there. I'm sorry. Well, pastor, what's up?

Well when I read in Revelation Chapter 3, the letter that Jesus had John write to the Church of Philadelphia, if I'm not mistaken Jesus says to that church, I know you're hanging on barely. You've not denied my name. You've kept my Word. So, I'm going to keep you from the hour of tribulation. I know that you have little strength.

You'll forgive the strength with which I say this, but I think it's a much-needed strength. It's actually a false teaching. It's unbiblical, this notion. In fact, it's Dominion theology where the Christians have to take dominion over the earth for Jesus to come. That's not in my Bible, I don't know what Bible you're reading.

Christians need to get... Oh man, I'm going to get it now. I already know. I am not saying that God does not call Christians into positions of political office. I am not saying that, okay? What I am saying is shame on us and God forgive us, when we put our trust in man. I'm going to say something, I hadn't planned to but maybe I need to.

I don't know if you've noticed this or not? But it has probably been, I want to say the better part of this year, here we are in June. I don't know that, and I could be wrong, but all this year I have not once mentioned the name, Trump. Even when I talked about the unveiling of the much-anticipated deal of the century, I still did not mention his name and that was by design. I reluctantly even bring it up today and I'll tell you why. I'm just going to be very open with you.

I'm very concerned. I am extremely concerned because there are many Christians that think that Trump is going to save the day. Trump, he did it once, he could do it again! I heard a very well-known pastor of a very large church basically all but say, Trump will save the day. He must be elected! Really? Do you know what you're saying when you say that? Again, I know I'm going to get in a lot of... But I don't care, I don't care. I really don't, actually, I really don't care. I just have to be very honest and speak the truth, the whole truth, and nothing but the truth so help me God.

You're saying to me that my only hope is that Trump gets re-elected in November? Excuse me? How do you even know that there's going to be an election in November? Be very careful. Oh yes, if he gets back in office and he's got 4 more years, we got another 4 more years! What? Where's that? Where is that in here? I better stop now before... One last thing.

I hope you know my heart. I love this country so much but I just had to let go. If America is great? Then how do you reconcile that with the absence of America in the pages of Bible prophecy? Do you see where I'm going with this?

In other words, if this is the end for this nation and I believe it is, then that means one thing. It doesn't matter who is in office. It doesn't matter. You think God is in heaven going, man, we better make sure Trump gets in there in November? I better stop there.

So, to those who would say we need to rise up and take our country back! I would say, my Bible says, we need to look up because Jesus is coming back. Oh, by the way, you can have it. You can have this world, just give me Jesus.

## **Bible Prophecy Update: Jun 14, 2020**

### **The Great Reset**

***Pastor JD Farag***

By the way, just a little "full disclosure" for those who... You can have this world but you're only going to get it for seven years after we're out of the way. After the restrainer is taken out of the way and the church is raptured, you can do whatever you want and that's actually 2 Thessalonians 2. Well, I might as well I'm already...

To those who would say, Black Lives Matter! I would say, my Bible says, eternal lives matter. One last one, why not? To those who pander to popular opinion because they want more followers, I would say the only thing that matters is that Jesus has more followers and that's why we do these prophecy updates.

And that's why we end with the Gospel, the good news of salvation in Jesus Christ, and the childlike simple ABCs of Salvation. What is the Gospel? The gospel is good news: Your debt has been paid; Your penalty has been carried out. You're free to go. That's what the word gospel means. I may have shared this a while back but I remember just... God really spoke to me through another pastor that you need to get people to Jesus as quickly as you can. That's the only hope.

The only hope we have is Jesus. And I have done my job if I get you to Jesus as quickly as I can, and if I've got to go through all of this to get you to Jesus then so be it. Jesus is the answer. He's the only answer, and he's the only hope. And his return for us as his church is our only hope. That's what the good news is.

In fact, in 1 Thessalonians, the first epistle that the Apostle Paul wrote, he shares the gospel in the context of the rapture. In Chapter 4 of 1 Thessalonians, "For we believe that Jesus was crucified, buried, and rose again on the third day, and he's coming back again one day. That's the good news. The ABCs of Salvation is just an explanation of how to be saved. Very simple.

Before we get to that I want to share with you another testimony. We continue and I'm so grateful to those who share with us their testimonies. This is from Nicole Nuremberg who writes, "Thank you JD. I love listening to your prophecy updates so much and share your passion and tears. God is so good and gracious to us calling us his sheep, his bride, his temple, his body. I am so thankful that we may trust in him, and I am looking forward to meeting you and all the other brethren in the air. Thank you for these testimonies.

Here's my testimony. I also shared the ABCs on Easter Sunday with a neighbor who just was having a very hard time. We were talking inside his dirty garage and I could give him the answer who Jesus is in the midst of all this dirt in his garage. He immediately accepted Jesus as Lord and Savior of his life. He had visited churches for years and had never really understood who Jesus was, and had been praying for someone to give him an answer to this."

Oh, my goodness, did you hear that? I have been yelling at you for how long now? Spitting on everybody in the front row telling you the world is looking for answers and we have the answer. We're to give to everyone the answer of that hope that lies... Can you imagine? Someone is praying, Lord, send somebody to me to help me? Maybe that's you.

All right, I'll calm down, and will finish with the ABCs. The A is for: Admit or acknowledge that you've sinned, that you need the Savior. Romans 3:10 says, "There is no one righteous, not even one." Romans 3:23 tells us why. It's because, "All have sinned and fall short of the glory of God." Romans 6:23 says, "The wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord."

## **Bible Prophecy Update: Jun 14, 2020**

### **The Great Reset**

***Pastor JD Farag***

That's the A; Here's the B. The B very simply is for: Believe in your heart that Jesus Christ is Lord." Romans 10:9-10 says, "If you believe in your heart that God raised Jesus from the dead, you will be saved." And the C lastly is for: Call upon the name of the Lord.

Or as Romans 10:9-10 also says, "If you confess with your mouth Jesus is Lord, and believe in your heart that God raised him from the dead, you will be saved." And here's why, "For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved." Romans 10:13 tells us how. It says, "All who call upon the name of the Lord will be saved."

Why don't you stand and we'll pray? Thank you, Lord. Lord, we see that this world is passing away. We're witnessing the death of a nation, really the death of a world.

Lord, I thank you that this is not our final destination, that our hope is not in this world or the things of this world. But our hope is in you and your soon return to take us out of this world.

Lord, if there's anybody that's watching this online or even here in this church today? That has never called upon you, confessing with their mouth, believing in their heart that you are Lord Jesus, that you rose again from the dead, confessing their sin, acknowledging their sin before you, putting their trust in you for the forgiveness of sin, I pray today that they would make the most important decision of their life for eternal life because eternal life matters.

Lord, thank you. In Jesus name. Amen.
