Prophecy Update
Distracted From Our First Love
J.D. Farag

KAPONO: Lord, yes, not only do we want to see You, Lord, we want to hear You speak to us this morning, Lord. We're privileged to be here and gathering together as a family, Lord. And we're privileged to be underneath the teaching of Your word.

So we pray that Your word would speak to us, Lord, clear our minds and clear our hearts. We thank You for this time. We ask this in the mighty name of Jesus, we say amen.

PASTOR JD: Amen and amen. Good morning to you. Welcome! So glad you're here! You can be seated. I want to welcome those of you that are joining us online as well. So glad that you are.

Real quick before we get started, this Thursday, really looking forward to having pastor Bud Stonebraker here. Both he and I are going to have a discussion and talk about what is on the prophetic horizon.

7:00 p.m. this Thursday in lieu of the Lamentation study, which we started last week. We will resume it the following week, but this Thursday is going to be a special time together. I really encourage you to come out and join with us.

So we have two services on Sunday, the first of which is the Bible Prophecy Update that we do weekly, have for many years. Second Service is the sermon, and it's a verse-by-verse study through the word of God.

We are currently in *2 Peter*, and today we are going to begin *Chapter 3*, the last chapter of *2 Peter*. It will be a live streamed at 11:15 a.m. for those of you online.

Today we're going to look at how and why God wants us in His will more than we even ourselves want to be in His will. So again, 11:15 a.m. Hawaii time. That will be live-streamed.

And for those of you that are joining us by way of YouTube or Facebook, we'd encourage you to go directly to the website JDFarag.org, and there you will find the uncensored and uninterrupted entirety of today's Update.

By way of an introduction to the Update today, I think it's incumbent upon me to mention that the swiftness and significance with which events are taking place are the likes of which I've never seen in my 40-plus years walking with the Lord as a student a Bible prophecy, and then, of course, as a teacher of Bible prophecy.

Prophecy Update
Distracted From Our First Love
J.D. Farag

Now please know that I, in no way, wish to sound sensational; rather, I only wish to sound the alarm as a watchman on the wall, which is my profound privilege to be.

And as such I have never been, and the Lord knows my heart, I have never been as excited as I am now for my first love, Jesus, rapturing us as His bride out of this world, which can happen at any time now.

[Applause]

So much is happening so fast! I had a really busy week, you might say. So it's for this reason that I would like to talk with you today about how the distractions of these last days are drawing Christians away from Jesus who is and will always be our first love.

What I'm hoping to do in our time together today is explain first, the significance of these distractions prophetically, then second, identify them specifically, and then third, more importantly, what we're to do about this practically. I'll start by drawing your attention to the *Book of Revelation Chapter 2*.

I want to read the first five verses. This the first letter to the first church. Seven churches: this is the first church, the church of Ephesus, *verse 1*. **“To the angel of the church of Ephesus write, “These things says He who holds the seven stars in His right hand, who walks in the midst of the seven golden lampstands.**

“I know your works, [Verse 2] your labor, your patience, and that you cannot bear those who are evil. And you have tested those who say they are apostles and are not, and have found them liars.

And you have persevered and have patience and have labored for My name's sake and have not become weary.

[Wow! I want to go to that church] [That's kind of a lot!]

Verse 4 though, **“Nevertheless I have this against you, that you have left your first love. Remember therefore [Verse 5] from where you have fallen. Repent and do the first works, or else I will come to you quickly and remove your lampstand from its place, unless you repent.”**

Distracted From Our First Love
J.D. Farag

Throughout Scripture, true to form, the name is the nature, and such is the case with Ephesus, which in the Greek means “desirable.” That's going to come into play here in a moment.

The city of Ephesus was known throughout the ancient world for their religious worship of Diana.

Who is Diana?

The goddess of fertility and sex. The temple of Diana in Ephesus was one of the seven wonders of the ancient world because of its 127 pillars, 60 feet high. You could actually find this online. It's really quite astounding.

While the city of Ephesus was known throughout the world, so too was the church in Ephesus also known throughout the world, starting with Paul who started it.

So important was this church that Paul would spend three years there. That is longer than any time that he spent at any other church.

And then Paul would have Timothy pastor this church for a period of time, and then the Apostle John who received this very revelation also pastored the Ephesus church.

Now why do point that out?

Because this church was profoundly privileged to have such a firm foundation some 40 years prior. However, as the years went by, they had left, not lost, left, please make that distinction, they had left their first love which begs the question of what happened and why did it happen?

Thankfully, Jesus answers this in *verse 5* with what's been affectionately referred to as the three R's: Remember, Repent, and Repeat.

Remember, as they forgot about Jesus. Repent, as they turned away from Jesus. And repeat, as they neglected time with Jesus.

Now the question becomes one of what was it that caused them to forget, turn away, and neglect Jesus? And the answer in a word is, wait for it, distractions. Distractions. This would explain all three, whether it is good or evil, secular or even sacred.

Prophecy Update
Distracted From Our First Love
J.D. Farag

Do you realize that even in our service to the Lord we can hinder our relationship with the Lord because or too busy serving the Lord? We have no time for the Lord.

And this is what was happening. They were even distracted by good things, sacred things, noble things. But whether it's good or evil, secular or sacred, the effect is the same.

We forget Jesus, we neglect Jesus, and we ultimately leave Jesus. We don't lose our first love because that means then it's lost. We don't know where to find it.

No, we leave it like a husband would leave a wife or a wife would leave a husband. This brings me to the explaining of the significance prophetically, which first and foremost is a marker of this being the last hour and let me explain.

Bible prophecy paints a rather bleak and dark picture of the church at the time of the end prior to the rapture of the church. And some of these prophecies are in, of all places, the Apostle Paul's letters to Timothy, which were his final words at the end of his life.

*1 Timothy Chapter 4:1, “**The Spirit clearly says [Expressly, explicitly says] that in later times [The last days] some will abandon the faith and follow deceiving spirits.**”*

Some of your translations render it seducing spirits, very interesting word in the original language of the Greek New Testament.

It's the Greek word, “Planos” from where we get our English word “planet.” Hang onto that. These deceiving, seducing spirits **“and things taught by demons.”**

*2 Timothy 4:1-4, “**In the presence of God and of Christ Jesus, who will judge the living and the dead, and in view of His appearing [That's the rapture] and His kingdom, I give you this charge: [Paul to Timothy, verse 2] Preach the Word.***

Be prepared in season and out of season, correct, rebuke, and encourage with great patience and careful instruction. [And here's why, Timothy; here's why, church] [Verse 3] For the time will come [That time is here] when men will not put up with sound doctrine.

Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths.”

*[And then 2 Timothy 3, the first five verses] “**But mark this: There will be terrible times [Perilous times] in the last days.***

Prophecy Update
Distracted From Our First Love
J.D. Farag

People will be *[Listen very carefully] [There's 19 things on this list] [And I want you to pay particular attention to the love factor]* **“lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy** *[Here it is again, verse 3]* **without love, unforgiving, slanderous, without self-control, brutal,** *[And here it is again]* **not lovers of the good, treacherous, rash, conceited** *[And two more times]* **lovers of pleasure rather than lovers of God, having a form of godliness, but denying its power. Have nothing to do with them.”**

That's a bleak picture, isn't it? This is a prophecy concerning what the church is going to look like at the time of the end right before the rapture of the church.

Does the church look like this?

Yes, it does. Sorry if I answered that for you. I want to help you out. That was a rhetorical question.

So that's an explanation of the significance of these distractions prophetically. It's actually a fulfillment of Bible prophecy, the very fact that this is happening.

So now let's turn a corner to the identifying of these distractions specifically, and we're going to have to, at this time in order to do that, end the livestream, I know early this time, but we'll redirect you to the website. Hopefully, you're already there.

So what follows is a list that I put together that identifies the main distractions having the greatest propensity to draw us away from Jesus as our first love. Here's an at-a-glance list.

Number 1: Social media and Internet.

Number 2: Politicians and Elections.

Number 3: Money and Possessions.

Number 4: News propaganda and Ads.

Number 5: Athletes and Sports.

Number 6: Staged Wars and Events.

Number 7: Actors and Entertainment.

And Number 8, finally: Planned Genocide and Control.

Prophecy Update
Distracted From Our First Love
J.D. Farag

A couple of things by way of a preface before we get into this, the first of which is that while this list is in no way exhaustive, it is in every way descriptive. It describes with precision accuracy prophetically what is happening today in the church.

Secondly, the things on this list are not evil in and of themselves, rather they're used for evil purposes, and evil, interestingly, is "live" backwards. It's a 180 in the other direction. L-I-V-E, E-V-I-L.

And this is Satan's MO: Is to get us to go the other direction. When we come to a saving knowledge of Jesus Christ, Satan shifts his strategy.

No longer is he trying to keep us from Jesus. Now we're saved. He wants to distance us further away from Jesus. That is his whole strategy.

The Apostle Paul said, **"Don't be ignorant of Satan's strategies,"** his devices. I love the King James: **"The wiles of the Devil."** Don't be ignorant. Don't be so naive when it comes to the strategies that he uses.

He's all about getting the Christian as far away as he can from Jesus, and he's met with a large measure of success, sadly.

Also this list is not in any particular order, but the first one: Social Media and the Internet, that's the hub, man. That's the hub for the other seven. We'll talk more about that in just a moment.

Lastly, in the interest of time, I'll only take the time to expound in more detail on the final four, as it were, on the list.

So number 1: Social Media and Internet.

Would you agree that this is the catalyst? This is the hub, this is the vehicle, this is the avenue. This is the — interesting word — "device." Device.

And by the way, I hope you don't tire of me saying this but "Internet," "the web"? Come on! Right there, you are trapped in this web. You're caught in this net. So it's this catalyst for most, if not all of the distractions that comes vis-à-vis social media and the Internet.

Number 2: Politicians and Elections. I will not be expounding on this one today.

[Laughter]

Prophecy Update
Distracted From Our First Love
J.D. Farag

Thank you for laughing. But I will say this. This one in particular is one of the biggest distractions, especially in recent years.

Number 3: Money and Possessions. Now again, in and of themselves, they are neutral, not evil; however, it's when money is one's first love, when you love money that it becomes the root of all kinds of evil.

It's not what you have. It's "what has you." It's not what you possess. It's "what possesses you." Does Jesus have your heart? Does Jesus have your love? Does Jesus have your attention?

Number 4: News Propaganda and Ads. This has fast become one of the most powerful brainwashing distractions in these last days, and it commenced particularly in the year 2020. Actually, it was decades prior under the banner of what is known as the CIA's "Operation Mockingbird."

Number 5, Athletes and Sports. Now if you'll kindly allow me to, I'll expound on this and the remaining three, but I do want to say this.

We have many online members that are athletes. Some of them are professional athletes, and again, in and of themselves, not evil; however Satan can use this and is using this.

Many of you remember Buffalo Bills' player Damar Hamlin who collapsed suddenly on the field after tackling Cincinnati Bengals wide receiver Tee Higgins in the first quarter.

The game was suspended and subsequently postponed by the NFL, and then you all saw the video of Hamlin being rushed to a Cincinnati hospital, and it was believed that he suffered a sudden cardiac arrest.

Well, recently the 24-year-old Hamlin was interviewed on Good Morning America.

And he was asked, and I quote, "...the question on so many minds is what caused his heart to stop beating? You're 24, in peak physical condition, and can run circles around me right now. How did doctors describe what happened to you?"

Hamlin, after lengthy pauses *[And I mean lengthy pauses which seemed like an eternity responded this way] [Pause, we're still pausing] "...Um, [Pausing again, pause] [Still pausing; no for real, watch the video] "Um, that's something I want to stay away from."*

Prophecy Update
Distracted From Our First Love
J.D. Farag

And then the interviewer, almost as if to be on script, on cue, just took it and ran, and all of a sudden it was like, wait a minute, wait, wait, wait, wait, wait, wait. You want to stay away from that?

Why?

We all know why. Why won't you say it? I'll say it for you. Because nobody wants to talk about it. It's because of the injection. That's why. Oh, I'm sorry. I forgot. It's all sponsored by Pfizer. You can't say that.

Hamlin also made an appearance at the Super Bowl, where he was met with a standing ovation, along with the Buffalo Bills medical staff. And by the way, the reason why this really hits home for us is because there was this movement.

I mean, people were praying. They were praying on the field. And it seemed like the Christians, or so we thought, were all coming together, coming out of the woodwork, praying for him.

And then, I mean, God in His grace, it would seem, actually miraculously healed him. And we want to stay far away from that?

Where's any mention of 'It was the grace of God that I'm sitting here before you today to be interviewed by you today'?

No, we stay away from that. Oh, but, hey, just.... I'll be at the Super Bowl. And I'll be wearing a jacket, bear with me, the front of which is seen here, interesting jacket.

Upon closer examination, the face on the front of the jacket is supposed to be Jesus. It's not the Jesus in the Bible, though. This is profane. It is blasphemous. It is a mockery.

And this for a number of reasons, not the least of which is that Jesus is risen. He is no longer on the cross that Satan wants to keep Him on. This is a mockery.

You know what 'profane' means? I think we misunderstand this word, the meaning of this word. To profane means to make common, to bring down to a common level, common ground. This is what this does.

That's not my Jesus. That's a different Jesus. And I suppose we shouldn't be surprised that this is not the Jesus of the Bible because the true Jesus of the Bible warned us about these false Christs.

Prophecy Update
Distracted From Our First Love
J.D. Farag

In fact, it would be a sign increasing in intensity and frequency in the last days like birth pains. In fact, it's the first thing Jesus says when He's asked by the disciples, **“What will be the sign of Your coming and of the end of the age?”**

And the first thing Jesus says is, **“Don't be deceived.”** Many will come saying, **“That's Jesus.”** That's not Jesus. Oh, Jesus is over here. No, He's not. Oh, that's Jesus on Hamlin's jacket. No, it's not. These are false Christ's.

Enter this Super Bowl ad. You hear about this? Sponsored by this new movement, “He gets us.”

Who's he?

Jesus. Aww, well, so far so good. But it's yet another promotion of another false Jesus and a false gospel, presupposing that there's even any gospel at all, which there's not. I'll save you the time.

Yes, the true Jesus gets us, which is why He died for us in order to save us from us. In other words, Jesus loves us so much that He gets us. He gets us out of hell for eternity. But that's not this Jesus.

This Jesus: He gets us — LGBTQ community. He gets us — Black Lives Matter, et al. He's one of us. You've just profaned Jesus. You've brought Him down.

Oh, yeah, He's man, fully man, but He's fully God. But what you've done is you've stripped Him of being fully God, and you brought Him profaned Him, blasphemed Him, and brought Him down to the level of common man.

He gets us. He's one of us. And then they leave it there. That's not Jesus.

No, He does get you. And He does love you, by the way. In fact, He loves you so much that He was willing to die for you. **“And greater love hath no man that He lay down his life for another.”**

Yeah, He gets you. But He loves you too much to leave you where you're at. He wants to save you. He wants to give you the Holy Spirit to indwell you to change you from the inside out.

See, and we talked about this on Thursday night; any — well, we've talked about it more than just Thursday night.

Prophecy Update
Distracted From Our First Love
J.D. Farag

Anything that goes against the word of God is incompatible with the word of God, is not the word of God. That should be a firm grasp of the obvious, right?

I think was last Sunday we were talking about it. When somebody says — and you got to always have the antennas go up - these are red flags - when somebody says, “Hey, God showed me.”

“Wow! I'm not worthy.”

You know, “God told me.”

“Oh!”

“Yeah, God told me that I'm to live together with my boyfriend and not get married.”

“I don't know what God you're hearing from, but it's not the God of the Bible because God will never contradict His word.”

“Well, He gets us, though, and God told me that it's okay to be gay.”

“Ah, well, we have a...”

Well, don't do this. This is, of course, hyperbole and hypothetical, but you're going to start having to rip some major pages out of the word of God. It's even hard to even say it, let alone think it.

Throughout scripture — I'm reminded just real quick on this because this is an issue, obviously. What Paul wrote to the Corinthian church, he goes through this list of sins, sexual immorality, homosexuality.

And then he says, “**As were [Past tense] some of you.**”

But Jesus gets you, and He got you out of that lifestyle, so that's no longer you. He delivered you out of that when you were saved, and now you have the regenerating power of the Holy Spirit indwelling you. “**As were some of you.**”

But this is the world-friendly, the — yeah, how do I say it? Seeker-sensitive Jesus. He's more plausible, more amicable, more amenable. Hey, just kind of lighten up, man.

Hmm, that's not the Jesus of the Bible.

Well, it's halftime. How you doing?

Prophecy Update
Distracted From Our First Love
J.D. Farag

[Laughter]

Time for that. The Halftime: it gets worse. Time for the halftime show.

Yay!

No, not yay! Not yay! Not yay!

Who's doing the performance?

Rihanna. I think that's how you pronounce her name. Oh, and it's sponsored by Apple Music, whose logo has always been the fruit with a bite out of it from the tree of the knowledge of good and evil, E-V-I-L, back in the Book of Genesis.

Now don't go throw away your Apple computers

[Laughter]

Again, neutral, but they can be used for evil. But what's meant for evil, God means for good.

Now I want to draw your attention to a couple things about this performance, which this might be hard to believe, but it was actually tame in comparison to previous years, and some of you know what I'm talking about.

Some of these Halftime shows have been just, I mean, are you kidding me? Isn't it interesting, and this should really be a litmus test of sorts.

Don't you find it interesting that it's always blasphemous against Jesus? I mean Madonna... if she's still fully human, she needs Jesus, okay? But all of her performances are so blasphemous and depictions so grotesque of the Last Supper. It is such blasphemy, and it's so satanic.

Why, pray tell, is it always Jesus? Why can't we be an equal opportunity god offender?

Listen, can we just have a Super Bowl performance Halftime against Mohammed? Was that too much? I'm just trying to put it into perspective.

No, it's always anti-Christ against Jesus. Why? Because Jesus is God. And Satan hates God, hates the creation of God.

Prophecy Update
Distracted From Our First Love
J.D. Farag

And I mean — seriously, when I say this was tame, I really mean in comparison to some of these other Halftime shows, even the Olympic opening ceremonies, have you seen some of these? Don't watch them. Please.

I'm thinking 2012 was one of the most demonic opening ceremonies you could ever imagine, and it glorified Satan. Well, first thing I want to point out is though it is somewhat obscured, she is wearing a belt with a pentagram on it and of course a very red devil outfit.

Second, and this is not coincidence, at exactly the 13:03 minute mark in a 13-minute video, which is a significant number in Satanism, she makes the pyramid sign. Now you've probably seen politicians — President Trump always makes this, by the way.

I said I wasn't going to expound on politicians, but he always sits like this. This is not — first of all, this is not that natural. I've got carpal tunnel doing it right now. It's deliberate. It's a symbol.

They place a lot of emphasis on symbols. This is the pyramid. This is the Illuminati. This is 33rd Degree Masonry. This is as satanic as it gets. And the number 33, very significant, more significant than the number of 13 in Satanism.

And by the way, 33, three plus three is six, the number of man. But here's why I believe it is 33. That was the age of our Savior when He was crucified.

It's also the percentage of the angelic host who was cast out of Heaven when Lucifer exalted himself, a third, 33.

I might as well — I'm already — Disneyland?

Oh, no, you didn't!

Oh, yes, I did, and I am. Walt Disney, first of all, was a pedophile. Underneath Disneyland they have the 33 Club. Walt Disney was a full-on 33rd degree Mason and a Satanist. Okay, so have a nice afternoon.

Yeah, I'm just... Listen — you....

Anyway... This will, I hope, make sense here in a moment.

Also, let me just — this is parenthetical. The official U.N. logo has 32 rectangles including a circle within it, making it 33.

Prophecy Update
Distracted From Our First Love
J.D. Farag

And both of those leaves on the side? 13 leaves on each side. Is that a coincidence, you think? It's absolutely not a coincidence.

Last thing. Last but not least, the singer, along with others all in white, are on what appear to be UFOs suspended in the air. Hmm. Things that make you go. Hmm.

Well, it actually ties in the Number 6: Staged Wars and Events. Doubtless you've heard about the recent uptick in UFOs and the U.S. military's response of shooting them down to the tune of four in just nine days.

You heard about this? I won't spend a lot of time on this except to say that UFOs and aliens are, for the most part, demons, and they have a twofold purpose.

First, to explain away the rapture as an alien abduction. And second, to unite the whole world together under the Antichrist after the Rapture.

As with these UFOs, so too is this true with what's being dubbed as spy balloons. I only mention it here because it fits in with the narrative of fear.

These are staged events, and they serve the same evil purpose of uniting the world under a false savior of the world, a.k.a. the Antichrist.

Way back on September 21st, 1987, then President Ronald Reagan, in his address to the 42nd session of the United Nations General Assembly in New York City, stated, and I quote, "Can we and all nations not live in peace?"

In our obsession with antagonisms of the moment, we often forget how much unites all the members of humanity. Perhaps we need some outside universal threat to make us recognize this common bond.

I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world.

And yet, I ask you, is not an alien force already among us? What could be more alien to the universal aspirations of our peoples than war and the threat of war?"

Oh, my goodness, interesting choice of words. That is almost verbatim exactly what Jesus said in the aforementioned prophecy in *Matthew 24*. Likening all of these things to birth pains in increasing frequency and intensity, and that's exactly what's happening.

Prophecy Update
Distracted From Our First Love
J.D. Farag

As you might imagine, the recent interest in UFOs has also triggered a renewed interest in what is known as “Project Blue Beam,” which according to one verified source is, quote, “... reported to be a conspiracy theory introduced by Canadian investigative journalist Serge Monast.

The theory claims that members of the Pentagon, NASA, and the United Nations were collaborating on a plan to simulate a fake alien invasion and staged return of Jesus Christ using hologram projections.

In doing so, he asserted, they would eliminate all traditional religions, including Christianity, to make way for a one-world religion ...as well as to abolish national pride, national identities, and family as it is known today. According to the theory, there are four distinct steps to Project Blue Beam's execution.

Number 1: The breakdown of all archeological knowledge via earthquakes.

Number 2: A mammoth-style light show and holograms simulating Christ's return in what we know as the rapture.

Number 3: Telepathic thought control by the Antichrist.

And number 4, [Listen to this] A simulated alien invasion beginning in the year 2024 or maybe sooner.” That's now. That’s now.

Hmm. Oh, right on schedule. Hmm, hmm.

I had a brother locally here in the fellowship help me out with this, and he did some research on this, and after several hours, he found this document titled, “An Operational Analysis for Air Force 2025.”

On page 128 of this downloadable PDF file which we have the link to, along with everything else, the actual document, Section 5.6, Airborne Holographic Projector, under “Brief Description” states, and I quote, “The holographic projector displays a three-dimensional visual image in a desired location removed from the display generator.

The projector can be used for psychological operations, [PSYOPS] and strategic perception management. It is also useful for optical deception [Delusion] and cloaking, providing a momentary distraction when engaging an unsophisticated adversary.”

Prophecy Update

J.D. Farag

Oh, I'm an unsophisticated adversary, I guess. Oh, it's to deceive and distract. That's what this is for.

I happened upon this meme that's making its way around social media. I think it says it all.

PSYOPS in 2020 - Virus.

2021 - Vaccine [So-called]

2022 - War.

Now 2023 - UFOs.

These are all psychological operations, distractions, deceptions. That's what this is all about.

This brings us to what is arguably the main event, as it were, which is that of a train derailment in Ohio which has led to a forced evacuation due to the deadly toxic chemical explosion. Ironically enough, this took place in a town called East "Palesteen."

Why do I pronounce it like that and not Palestine? Because first of all, that's how they pronounce it. You know just last week, very interesting, precious family from New "Palesteen," Indiana. We're from a very small town, New "Palesteen."

He said "Palesteen." I said, "Palesteen?" Why are you saying "Palesteen"? That is the accurate, actual transliteration of Philistine. Palesteen, Philistia. More so than Palestine.

He said, "That's how we pronounce it."

That's how the locals pronounce it. So I'm watching some video on this train derailment, and they call this town by its correct pronunciation, "Palesteen."

Well, that's interesting. Of all the towns, it's named after what the land of Israel was named after when it was destroyed in 70 A.D.? Hmm, that's very interesting to me.

Pastor, you are reading too much into it.

Fine. Whatever. It's a gift, and that's what I do.

[Laughter]

It should be noted that the CDC published a 293-page downloadable PDF file titled, "Toxicological Profile for Vinyl Chloride," which is actually an update to a previous publication 17 years prior back in 2006.

Prophecy Update

J.D. Farag

Pastor, why is this relevant?

It's relevant because the CDC published the update 11 days before the train derailment in Ohio in which vinyl chloride was released. Do you think that's a coincidence? Why specific to vinyl chloride?

Because of figure 1.1 pictured here titled, "Health Effects Found in Humans and Animals Following Inhalation Exposure to Vinyl Chloride."

I don't know as of this morning, but I did try to check. But yesterday, as of yesterday, I was made aware of additional derailments and events immediately following this chemical release, which is what it is, in Ohio. And there was one in Texas, Oregon, and Michigan, as well as deadly chemical explosions in Arizona and Florida.

And this is all deliberate to kill people. That's what it is.

Well, let's get to Actors and Entertainment.

Are you okay? We're getting there. Believe it or not, this ties in.

What if I told you that last year in 2022 Netflix released a movie titled, "White Noise," which is about a train derailment in Ohio, leading to a forced evacuation due to the deadly toxic chemical explosion?

Come on, really, really?

Yeah, really. And they make a mockery even of it. It's kind of a comedy. I watched the trailer. I wouldn't recommend it. It's a script, man. It's predictive programming, man.

Okay, programs. Programs? I'm going to be programmed.

The channel. Let's turn the channel? Oh, they're going to channel. I'm going to be channeled.

Well, we did an Update on it a while back. I would even dare to say that virtually everything that is put out by Hollywood is all predictive programming, and this is a textbook case of it.

And it speaks to how everything that we've looked at heretofore is all planned, it's all staged, it's all a set-up, it's all scheduled and pre-planned, and they execute the plan.

This brings us to the Grammy Awards, oh, boy. I mean this was I would have to say probably one of the most overtly satanic performances that you would ever see. I had a difficult time trying to crop the picture just so it would be appropriate to even show.

Now again, I don't want to go too far into this lest doing so would glorify Satan, which is exactly what this is all about. You know that, right?

But what I will say about it, and I think it says it all is that the Grammys were sponsored by none other than Pfizer, Pfizer.

Well, this ties into number 8 lastly, The Planned Genocide and Control.

Back in 2020, we covered this strategic intelligence chart from the World Economic Forum, and I just wanted to take a quick moment to update you on their update concerning vaccination.

And here's why: Mandatory vaccinations are at the center of everything, and I mean everything. What's interesting is that their updates now include things like misinformation, religion, economics, cybersecurity, diversity and social protection, to vaccine hesitancy and everything in between.

Bottom line: This is a planned genocide to first reduce the population in order to then control the population, and here's the thing, it's happening now in realtime.

Let's catch our breath because this brings us full circle to the three R's, thankfully, thank you, Jesus. It provides us away back to Jesus, our first love.

Notice how Jesus first tells this first church to **“remember the height from which they've fallen,”** as if to say you've fallen out of love with Me. You've instead now fallen in love with the world, which is why you've left Me as your first love.

This is where it has to start. Remembering one's love for the Lord at the start. Remember when Jesus was everything? He was first and foremost.

Now this does not speak to infatuation. That's different.

It speaks to loving the Lord with all our heart, mind, strength, and soul.

And by the way, this applies to marriage, not that this is a teaching on marriage, but it's in the marriage relationship which starts off that way.

Prophecy Update

J.D. Farag

It's oh, so romantic, right?

My wife and I, 35 years this year, when we first got married, man, I would open the door for her. Such a romantic. Aww! Now 35 years later, like Ephesus, "Hurry up, get in, we're late! What's the matter with you?"

[Laughter]

That's the last time I'm using myself as an example and taking one for the team. I'm going to leave that one right there.

But it was a get-to. Your time with the Lord was because you wanted to, at first.

Well, this goes into and dovetails into the second R: Repent, which simply means to change one's mind and change one's direction and turning back, doing a 180. Stay with me on this.

If we would but remember what it was like back there and back then, we'll want to turn back and return back for what we first had. Then once we've remembered, repented, and returned back to our first love, we'll want to repeat what worked at first, the first works.

That's what that means.

What worked at first?

The first works, your first love. But this is the problem, isn't it? You know I just don't have those feelings anymore. Hmm.

I don't feel as I did at first.

Well, do the first works and the feelings will return.

Let me try that again. I'll say the same thing in a different way. Return to what worked at first, and it will be the first love and the first works. The feelings will follow.

Let me try that one more time. Think this through with me. Yeah, I don't have that same gushy feeling that I had.

You know it's over time, you just kind of mature. By the way, I don't agree with this notion that if you find yourself years later not loving the Lord as you first did — you know love matures.

I love my wife more today than I did when I actually opened the door for her. But it's a mature love. It's not an infatuation, immature love.

Prophecy Update
Distracted From Our First Love
J.D. Farag

No, it's a mature love now. I've grown in grace and matured in Christ, and it's a matured love. And you grow in that love. But when you go back and you start doing what worked at first, oh! The feelings follow!

True story: you maybe heard this before.

Wife goes into the attorney's office, and says, "I'm going to divorce this jerk."

Attorney is a Christian and says, "Well, okay, fine. But I want you to do something that will really get him. I want you to cook his favorite dinner every night. You know bring him the paper." *[That's back when people read the paper, which we don't read anymore]* And do all of these things that you know — and then divorce him."

And she is like, "Yeah, that will get him!" So she does it. She is working really hard and making his favorite meal.

And you've got to know he thinks, "Wow what's up with this? You're just wanting a divorce the other day. You were going to leave me."

Well, this goes on, and the agreement was 90 days, three months. The attorney knew she would not call back. You know why? Because she was so in love with him after she did that, she no longer wanted to divorce him.

What your point, Pastor?

The feelings follow. The feelings follow.

And this is — when you do what you did at first, the feelings will follow if you do it first. And that's not a play on words.

That's God's word in James concerning the Lord drawing near to us when we first draw near to Him. In other words, I first draw near to Him, then He will draw near to me, then in His presence is the fullness of the feelings *[Singing]* of joy.

This is *Psalm 16:11*. **"You will show me the path of life; in Your presence is fullness of joy. At Your right hand are pleasures forevermore."**

A couple more things real quick.

Notice *verse 5*. Jesus warns them that **"if they don't repent *[He says it twice]* He will quickly come and remove their lampstand."**

Prophecy Update
Distracted From Our First Love
J.D. Farag

What does the lampstand represent?

The presence of the Lord. If you don't repent, return, repeat, remember, I'm going to come quickly and I'm going to take My presence out of the church, and by extension the midst of your life as a Christian.

And when this happens, think about it. There is no life, no light, and the ensuing deadness and darkness sets in marking this as the end, the end of all things.

1 Peter Chapter 4:7, "The end of all things is near. Therefore be clear minded and self-controlled so that you can pray."

As I was preparing for and praying about today's Prophecy Update, I was struck by the irony of how all of this can work both ways.

And here's what I mean by that. Everything on this gnarly list can either take someone away from Jesus or propel them to, or back to, Jesus.

Let me just share personally for me. Some 40 years ago now, I came to the realization that Satan was real, and it was really through the vehicle, the medium — that's another one — of music, of the satanic music.

And I was listening to bands, and this is not a gimmick, that had literally sold their souls for rock 'n' roll. And these were agents of Satan.

These were demon possessed musicians that were basically taking people to hell, like AC/DC on the 'Highway to Hell.' Led Zeppelin, 'Stairway to Heaven'? It's actually a staircase to hell. These are Satanists, and I was — please don't look at me weird — I was demon possessed through, in and through this music.

And then I heard the Gospel one night, and it was presented very clearly, as it always should be, and I realized wait a minute! Satan is real!

Now wait a minute! If Satan is real, that means Jesus is real. And if Satan wants to take me on the highway to hell, that must mean that Jesus wants to take me on the highway to Heaven. And I put two and two together.

And that night, man, I prayed myself to sleep, crying out to God, just childlike, simple prayer. And it was — I was — I'm not proud of this — I was very intoxicated and high.

Prophecy Update
Distracted From Our First Love
J.D. Farag

And I mean, I slurred my prayer. [Slurring - "I don't want to go to hell"] I don't want to go to hell [Slurring], and I fell asleep praying. I asked God to take me off the highway to hell and put me on the highway to Heaven.

Woke up the next morning; I am a new creation in Christ. I was born-again. I mean, I could not start my day off without the drugs, the alcohol, the tobacco, and all the other addictions. I went to reach for them, and the Holy Spirit's in me going, "Hey, [Hah]! Good news, you don't need that anymore."

I'm like, "What? I've tried to quit so many times."

"No, you don't need it anymore."

And the desire was gone and replaced with a desire for the Word of God, the things of God! Now I had a problem. I had a lot of brain damage, but I didn't have a Bible. So I went out and found a Bible, King James version. Nothing wrong; don't email me.

But I'm like, "Thee, Thou, Thine." No!

So I said there's got to be a Bible for people like me that have a very limited vocabulary. And I got my hands on what was known at the time as the 'Good News Bible.'

Okay, now that's more — and that was a stretch for me at the time. I'm like, okay, this is easier. I read it, and I couldn't put it down. Six months, first time I read through the whole Bible from Genesis to Revelation, and I've never looked back!

Why do I share that? Because maybe this is God allowing Satan to once again overplay his hand, which plays right into God's hand.

The Satanism is in your face. It is just in your face every day, all day.

And maybe people will say wait a minute! Did you see the Grammys? Did you see the Super Bowl, the Halftime, the ads, the this, the that?

Satan is everywhere. He must be real. And if he is real, Jesus is real-er. I know that's not a word.

Would you agree that this is in fact what's happening in the world today?

People are coming to Christ that would not have otherwise come to Christ had it not been for all of this? I mean, we get literally hundreds of emails every day from people all over the

world sharing with us just, I mean, such powerful testimonies and such heartbreaking prayer requests.

But the common denominator in all of them is man, it's getting real. It's getting real. And this is the thing that is bringing people to Jesus, and it's bringing Christians, thank you, Jesus, it's bringing Christians back to their first love!

I can't even begin to tell you how many people have shared with us how this brought them back to Christ, their first love. They had been so caught up, no pun intended, in the world. And now, they are just back to Jesus.

And if for no other reason, it's like help, protect me, help me! It's been said that when — you'll never know that Jesus is all you need until Jesus is all you have. And I think that's what's happening today.

I want to end with the Gospel, the good news of salvation in Jesus Christ and the ABCs of salvation, which is just an explanation of the Gospel, the good news of salvation. It's just a simple childlike explanation to equip you, ABC simple.

The A is for admit or acknowledge that you've sinned. I mean, it really starts there because if you're not a sinner, why would you have any interest in the Savior? *Romans 3:10* says, **“There is [No one good] no one righteous, not even one.”** [Save one, Jesus the Christ]

Romans 3:23 says, **“All have sinned and fall short of the glory of God.”** We've all have fallen short of God's perfect standard of righteousness. We've sinned, missed the mark, an archery term.

Romans 6:23 is like the sentencing phase, if you will. **“For the wages of sin is death, but [Here's the good news] the gift of God is eternal life in Christ Jesus our Lord.”**

Here's the Gospel. *1 Corinthians 15, the first four verses*, the first letter of the Apostle Paul to the Thessalonians. Jesus came, He died, He was buried, He rose again on the third day, and He's coming back again one day, good news!

For me?

Yeah.

He died for me?

Prophecy Update
Distracted From Our First Love
J.D. Farag

Yeah.

Wow, He must love me.

Yeah. **“For God so loved the world that He gave His only begotten Son that whosoever would believe in Him would not perish but have everlasting life.”** And that is central.

The B is for believe. Just believe in your heart that Jesus Christ is Lord. This is *Romans 10:9-10*. It says, **“If you believe in your heart that [And this is key] God raised Jesus from the dead, you will be saved.”**

Listen, to any Catholic or someone from a Catholic background, I ask you as honestly, and humbly and as lovingly as I possibly can: Why is Jesus still on the cross?

He's not on the cross. He's risen from the dead. Don't put Him back there. It was once and for all. And I believe in my heart that He's not on that cross anymore, that He has been raised from the dead, and I am saved because He was raised from the dead.

If there is no resurrection, there's no salvation. He had to defeat — I am not angry — I know I sound angry. It's a custom in my country.

I grew up — my parents — they were saying loving things to each other, but in Arabic it sounded like they were yelling at each other.

Anyway, that my story and I'm sticking with it.

The C is for call upon the name of the Lord, or as *Romans 10:9-10* also says, **“If you confess with your mouth, “Jesus is Lord,” and believe in your heart that God raised Him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved.”**

And lastly, I love *Romans 10:13*. It seals the deal. **“All who call upon the name of the Lord will be saved.”** The jury's not out. The verdict is in. It is finished. Not guilty!

He took your guilt, and He paid in full and purchased you on that cross with His blood. He paid the purchase price for the gift that He offers you of eternal life. That's the good news. That's the Gospel.

If you're here today, and I want to make no assumptions, or watching online, and you've never called upon the name of the Lord, can I just again ask you humbly and lovingly and kindly as I possibly can: What in the world? Are you kidding me? What are you waiting for?

Do you see what is happening? Just this last week, how much has happened in the last week? You know much how much I didn't include today? I would have you out of here by about 4:00 today if I included everything today.

That is next week, maybe.

How much is happening? And how fast is it happening? And Jesus said it would happen, and it would happen fast, and it's happening fast.

And the next thing that is going to happen, that trumpet's going to sound, and **“the dead in Christ are going to rise first and we who are alive and remain will be caught up [Raptured up] to meet the Lord in the air.”**

Do you realize that can happen at any time? Any time.

Pastor, you say that every week.

And I'm going to say that every week too except for one week — I won't say it anymore, and you'll know why.

Today's “But God” testimony comes from Tom Wilks who writes, “A 'But God testimony' from a former Science Lecturer! Thankfully, first of all, I came to faith on 11/28/1982, 6080 days after I was born, $2 \times 2 \times 2 \times 2 \times 2 \times 2 \times 5 \times 19$ days, yes, I'm a Math nerd!

When the pseudo-pandemic started, I was well paid with lots of kudos. However, I knew it was wrong after hearing the 'following the science' mantra from our politicians, realizing that the mathematical model written by Professor Neil Ferguson was a lie, and the PCR test was false.

I had actually taught mathematical modeling with calibration physics, so I was able to provide some limited expertise, also becoming a signatory to the Great Barrington Declaration and Doctors4CovidEthics.

My position almost became untenable, so I jumped before I was pushed, taking early retirement. I was determined to stand firm in faith. I never wore a mask, never took a test, never took a jab, and didn't use hand sanitizer.”

Prophecy Update

[Laughter]

[No, for real by the way]

(Sighing) There is research, vetted research that this hand sanitizer has chemicals that messes with your thyroid. I don't use hand sanitizer. Now if you want to use hand sanitizer, that is fine, but just stay away from me please.

[Laughter]

I'm sorry. I say that in love, in Jesus' name.

So he goes on, "However, I lost many family members, friends and former work colleagues. I wasn't prepared to compromise with our previous church who *[Get this]* had actually rolled out the jabs on their premises! *[We talked about this before]* *[They turned the church of Jesus Christ into a vaccination center]*

Your sermon of 2/12/23 really helped me to be reassured about taking a stand. To me, if Paul could suffer so much to bring us the Gospel, the least I could do would be to go against the agenda.

My early retirement released a lot of time over the past two years to really study the Bible and to put my research skills to good use. *[I love it when God does that]*

I have new friends now and attend a friendlier church! Keep up the good work, sir! It's so refreshing to hear faithful biblical teaching and discernment!"

And to that I say praise the Lord! Kaponu, come on up. Why don't you stand up?

[Applause]

All the glory goes to God.

God, who is like unto You O Lord? There is none like You. You alone are worthy of all of our praise, all of the glory due Your holy name.

Lord, we give You all the glory. We thank You; we praise You. Lord, we cannot thank You enough. Lord, it's getting so real. So much is happening so fast. And we want to take refuge in You. We want to hide safely under the shadow of Your wing, safely in the palm of Your hand.
