Mid-East Prophecy Update – October 25th, 2015

For today's prophecy update, I'll address what I see as major developments and their prophetic implications concerning Israel.
I'll begin by apprising you of what happened this last week geopolitically, then, I'll conclude with the implications prophetically.
The first major development was the stunning statement by Prime Minister, Benjamin Netanyahu, connecting the PLO to Hitler.
n Wednesday, October 21st, – The Jerusalem Post published the report titled, "Palestinian mufti convinced Hitler to massacr
urope's Jews,' Netanyahu says." Quoting the report, "Social media was abuzz on Wednesday following claims made by Prim
linister Benjamin Netanyahu that Adolf Hitler initially had no intention of massacring European Jewry. In a speech to delegate
t the 37th World Zionist Congress in Jerusalem on Tuesday, the premier claimed that Hitler's original intentions were solely to
xpel the Jews. According to Netanyahu, the Fuhrer changed his mind at the insistence of the Palestinian Arab leader at the
ne, Haj Amin al-Husseini, who argued that the expulsion of the Jews would result in their arrival en masse to Palestine, whic
t the time was under British Mandatory rule Haj Amin al-Husseini went to Hitler and said, 'If you expel them, they'll all com
ere.' 'So what should I do with them?' he asked. He said, 'Burn them'." http://www.jpost.com/landedpages/printarticle.aspx?id=42759
About 15 years ago a Jewish brother in my church on the mainland let me borrow his original Life Magazines from the 1940's.
I scanned in some of these fascinating articles that related to, as well as led up to Israel's rebirth as a nation in May of 1948.
To say these articles are telling, would be a gross understatement by virtue of the fact, that history provides forensic evidence.
Stalin could then maneuver over to the side of the fanatical ex-Grand Mufti and try to stir up the whole Arab world. This could be
sastrous to the U.S. the U.N. and the 800,000 Jews in Arab lands." Life Magazine "The Palestine Problem" February 16 th , 1948
