

## Mid-East Prophecy Update – October 18<sup>th</sup>, 2015

- For today's prophecy update, I'll attempt to sort through the plethora of lies surrounding what's happening to Israel and in Israel.
- It's important to understand that the intifada's in Israel and attacks on Israel in the past are not the same as what we see today.
- One of the reasons is social media has been a game changer, by virtue of how it spreads the propaganda demonizing Israel.

On Friday, October 16<sup>th</sup>, The Jerusalem Post published a report with some very disturbing photos, which demonstrate how "social media is serving as a main source of incitement for the ongoing terrorist attacks in Israel..." here are a couple of quotes, Several hashtags such as "The Intifada Has Started," "The Third Intifada," "The Jerusalem Intifada," "The Knife Intifada," "Poison the Knife before You Stab," and "Slaughtering the Jews," were launched recently in social media in Arabic to spread propaganda praising and encouraging attacks. While I will spare you the more graphic social media posts, pictured here is a photo in which social media users advised potential stabbers on how to make their attacks as deadly as possible. Gazan user named Zahran Barbah, writing under the Facebook hashtag "Stab," posted the anatomical chart.

- Make no mistake about it; social media has been very effective as evidenced by the numerous demonic attacks against Jews.
- If Muslims stabbing innocent Jews wasn't bad enough, the news media is convincing the masses that Israel is the aggressor.
- I believe that the deceptive news media in concert with social media are cementing the propaganda in the minds of the masses.

Before I tell you whom this quote is from, let me first read it, "The receptivity of the masses is very limited, their intelligence is small, but their power of forgetting is enormous. In consequence of these facts, all effective propaganda must be limited to a very few points and must harp on these in slogans until the last member of the public understands what you want him to understand by your slogan." – Adolf Hitler

- Kindly indulge me for a brief moment as I submit what I believe are today's propaganda slogans right out of Hitler's playbook.
- What follows, in no particular order, are the satanic lies from the father of lies, the devil himself, concerning the Jews in Israel.
- Some are verbatim from last week's headlines, and the common denominator between all of them is the destruction of Israel.

1. The Jews are occupying land that they took, which belongs to the Palestinians
2. Israel uses excessive force against Palestinians murdering them in cold blood (Abbas)
3. The Palestinians just want a two state solution side by side in peace and security
4. The Temple Mount is Islam's holy site and does not belong to the Jews (New York Times)
5. The current wave of terrorism is linked to Israel's settlement activity (Kerry)

- I suppose this would be a good time to set the record straight by speaking the truth, which is that the land belongs to the Jews.
- There's no such thing as a Palestinian by virtue of the fact that there is no record of any descendants of the ancient Philistines.
- Furthermore, the Temple Mount is just that such that it's the location of the Jewish Temple and does not belong to the Muslims.

- As for this current Intifada being linked to Palestinian frustration over a two state solution and Jewish settlements, this is a lie.
- The truth of the matter is Arab Muslims who call themselves Palestinians don't want peace with Israel its destruction of Israel.
- I would suggest the current wave of terror in Israel is to bring about the destruction of Israel vis-à-vis the so-called Palestinians.

One of the best books I've ever read and recommended was written by Ramon Bennett titled, "Philistine The Great Deception." Allow me to quote from his outstanding work, "In 130 A.D. the Romans renamed Jerusalem "Aelia Capitolina", after the emperor Aelias Hadrianus and the god "Jupiter Capitolinus". ...The Romans kept Aelia Capitolina as their name for Jerusalem, and renamed the Promised Land "Syria Palaestina". ...The renaming of the land was an overt effort to eradicate the Jewish connection. ...After the Muslim conquest of Palaestina in the 7th century A.D., the name Aelia Capitolina gradually faded from use. And in due process of time Palaestina, the Latin form of Philistia-the land of the ancient Philistines-was Anglicized into Palestine. ..."Arafat, like most Muslim Arabs, [was] a keen admirer of Hitler. His military and propaganda strategy is a copy of Hitler's, but Arafat's peace strategy [was] copied from Islamic history. Arabs hold to a strong belief in the proverb that they can "remedy the present only with the remedies of the past." Arafat looks to the past - not just Hitler, but also to the two most famous figures in Islam's long history of warfare, Mohammed and Saladin - in order to remedy the present. And Arafat's concept of peace [was] the same as Mohammed and Saladin a coin one must pay to achieve something else: "Peace for us means the destruction of Israel."

*Philistine The Great Deception, Ramon Bennett*

Zechariah 12:1-3 (NKJV) — 1 The burden of the word of the LORD against Israel. Thus says the LORD, who stretches out the heavens, lays the foundation of the earth, and forms the spirit of man within him: 2 "Behold, I will make Jerusalem a cup of drunkenness to all the surrounding peoples, when they lay siege against Judah and Jerusalem. 3 And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it.

- Here's the bottom line in closing, it's increasingly difficult with each passing day to say this isn't the fulfillment of Bible prophecy.
- I'm becoming more convinced that in real time we're witnessing the fulfillment of Zechariah 12-14 Ezekiel 38-39, and Isaiah 17.
- For anyone who has never called upon the name of the Lord to be saved, I would implore you to not delay even one more day.
