Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

KAPONO: Thank You, Lord. Would You join me as we pray? Lord, we thank You, Lord.

Thank You for all that we — all that we have and all that You made us to be, Lord. We're not perfect, Lord, but we are here to hear from You in Your word, to receive from Your living word, that we would be transformed from the inside out, Lord, for a time like this, where You are coming soon, and the world is crazy, Lord.

We need Your Holy Spirit to empower us, Lord, to live out these times for Your glory, for Your will in our lives. Lord, we pray that You would bless and fill Pastor JD with that courage and that bravery, Lord, to preach Your word unashamed. We thank You, Lord, for this time. We ask these things in Your name, we pray, Jesus.

PASTOR JD: Amen and good morning and welcome. You can be seated. So glad you came. And those of you online, we're so glad that you're joining with us. Before we jump in, I want to let you know that this is more for the local church, not the online church. But we're going to have our prayer meeting this Tuesday, 7:00 p.m. here in the sanctuary. That's Tuesday, June 2nd.

Really encourage you to come join with us for our prayer meeting. I know that you know this by now, but for the benefit of those who may not, this is the first of two Sunday morning services that we devote to Bible prophecy by way of these Bible Prophecy Updates weekly.

And then Second Service, which again locally and/or the JDFarag.org website or the many other platforms and apps, 10:45, the worship starts, and then 11:15-ish, heavy on the "ish," is when the teaching will start and the livestream will start.

But Second Service is the sermon. It's a verse-by-verse teaching through the Bible. And we're currently in the *Gospel of Mark*. We're going to pick it up where we left off in *Chapter 3*, beginning in *verse 13 through verse 19*. And I chose to title the sermon this. 'Why the Lord May Choose to Use Someone Like Me.' Emphasis added. (Chuckling) You too.

And here's why. What we're going to see in this passage is Jesus appointing 12 disciples. And they're the last ones you'd think He'd choose, which shows us why the Lord may choose us to use us when we're the last ones you'd think He'd choose. So really looking forward to the passage we have before us Second Service. Hope you're able to join with us as well for that.

Hey, just a quick reminder, friendly reminder for those of you on YouTube and Facebook in particular. We'd really encourage you at this time actually, so it's seamless and uninterrupted to go to either the website or the many other platforms or apps or whatever to view today's Update in its entirety. Because it will not be livestreamed on those two platforms in its entirety.

Okay. Let's get to it. I'm — we had our pastors meeting this morning, and I was just sharing with them that this is one of those — this is going to be one of those Prophecy Updates where you just had this sense, this profound privilege that you were the one that was to be the messenger, the vehicle, the instrument, the vessel through whom something extremely important is spoken. And today's one of those Updates. How's that for a — that's a pretty good — that'll grab — that's a good intro, huh? All right. Off to a great start, right?

So in my time with the Lord recently, I was directed by the Lord to revisit *2 Thessalonians, Chapter 2* extensively. And the reason being is that I desperately needed biblical answers as to why what's now happening is now happening, namely that of how the demonic power of lawless deceptiveness is already now in acceleration of its operation, which is yet another indication of how close we are to the rapture prior to the seven-year Tribulation. Hey, I worked on this. I revised it like 17, 18 times.

So that was the final draft. So I hope you got it. If not, there'll be a transcript for you online that you can download in a PDF format. Because I've talked with people, especially again recently, that have really shared with me some harrowing, even horrifying accounts, which actually became the impetus for today's Update. Numerous and voluminous accounts from born-again Christians who are experiencing unprecedented spiritual warfare, the likes of which has never been seen before.

Now, thankfully the word of God forewarns us about this because the God of the Word loves us and wants to ready and steady us for this. So I've been charged, for lack of a better word, today to rightly divide the word of God, to have an understanding of this because it's imperative we carefully and prayerfully navigate our way through this.

To the question of why this and why now, kindly allow me to simply and humbly propose that this particular Bible prophecy is exactly what is happening now, right now. So

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

ubiquitous is this that it speaks to all that's now happening from the wars in the Middle East, to the woes in the US, and everything and anything in between. You could — you could sum it up with this one prophecy because if you peel back all the layers to everything that's happening everywhere, what you're going to find at the core is the demonic component of deception. So we're just going to hit it head on. Are you in? Okay. Good.

I just want to make sure because we're going to get up into Satan's grill because we're going to hit head on this satanic deception and by extension the powerful delusion that's now in operation covertly. But God the Holy Spirit is limiting this as the Restrainer, supernaturally, temporarily.

I think we — I might have mentioned something about this. I cannot even begin to conceive. I mean, evil is waxing worse, seemingly, with each passing day now, and the Restrainer is restraining. I don't want to be anywhere near here when the Restrainer is moved out of the way and not restraining. Wow! I'm already yelling. It's only — we're only a couple minutes in, so I'll try to calm down. Actually, I can't. I can't help myself.

If you'll kindly allow me to, though, I will draw your attention to the specificity of this key prophecy in *2 Thessalonians 2*, which, listen very carefully, if understood correctly, can potentially turn on all the lights and check off all the boxes. Conversely, I want to flip it around; if it's not understood correctly, and instead misunderstood, it can potentially be met with what I'm going to call pre-programmed cognitive dissonance and normalcy bias under the banner of the manufactured term “conspiracy theory.”

This was then and is now demonically designed to dismiss and discredit THE truth so as to replace it with THE lie. It's for this reason, I think it's incumbent upon all of us, myself included, to reexamine, revisit this in bite sized pieces by the Holy Spirit, so we can fit together all the prophetic pieces.

So today's Update is, Lord permitting, Lord willing, likely to be the first in a series of no less than two, probably more, by virtue of this topic rising to the level of arresting our attention and warranting our undivided attention, given the reality of its urgency as a top priority. And that's not hyperbole, literally.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Would you pray with me? Because I really want to ask the Lord to open our eyes to what He wants to show us, and our ears to what He wants us to hear.

Father, I — I thank You for that which You've, I want to say, burdened my heart to share today. It is truly, as the prophets of old, a burden, the burden of the Lord. And I deem it a profound privilege that You would use somebody like me to be the vessel through whom You would speak this powerful truth.

Lord, I, as only You can, am looking to You to open up eyes, hearts, ears as I deliver this, in the hearing of those here and those online virtually. Will it be, Lord, met by ears to hear? Because this is going to be some tough stuff. But so too is this, again, as only You can, gonna all of a sudden just make sense now to what's been going on in their lives or maybe a loved one's life.

So Lord, just You take control of me, the self-control of the Holy Spirit. You temper me, pace me, enable me. Because unless You do, I can do no good thing apart from You. So the Holy Spirit has to be our teacher today. Lord, would You do that for us, we pray. In Jesus' name. Amen and amen.

Let's begin with the first two verses in *2 Thessalonians 2* concerning the delineating between the rapture before the seven-year Tribulation and the Second Coming after the seven-year Tribulation. Why is this important? Because it sets the tone, the precedent, if you prefer, to our understanding of the entirety of this packed prophecy in this second chapter of *2 Thessalonians*.

So verse 1, **“Concerning the coming of our Lord Jesus Christ [Pause] and our being gathered to Him...”**

Stop. Did you catch it? The coming. The gathering. the coming and the gathering. What? What's the coming? The Second Coming of Christ after the seven-year Tribulation. Okay, what's the gathering then? Isn't that one and the same? No, no. Sorry if I sound snarky. It's because I'm snarky. But no. Why would you need to say “and”? I'm not going to say, you know, hey, this is the rapture of the church and it's like the rapture of the church. I mean, that's from the redundant redundancy department of redundancy.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

No, there's a clear distinction between the coming of our Lord at the Second Coming and our gathering to meet Him in the air. That's the pre-Tribulation rapture right there. And that's the whole context of why he even penned, by the Holy Spirit, this second letter to this Thessalonian church. See, they were really mixed up, messed up, buss up. Had to get the local one in there.

Because he goes on to say, **"...we ask you, brothers, [Verse 2] not to become easily unsettled or alarmed by some prophecy, report or letter supposed to have come from us, saying that the day of the Lord has already come."**

Wait, what? What? Isn't the Day of the Lord the Second Coming or the rapture? No. What is the Day of the Lord? The seven-year Tribulation. You — wait, you mean to tell me that, boy, nothing new under the sun. Let's say, well-nigh 2000 years ago, they were — they had YouTube channels then that had YouTubers saying, "We're already in the Tribulation! You missed the rapture."

Oh, here's one. Have you heard this one? Satan's little season. Hey, for those of you that have emailed our office requesting that I address this false teaching about Satan's little season, I just need a little season of patience. (Chuckling)

I'll get to it. This kind of took priority, as I believe you'll see shortly. You know the thing about Satan, the father of lies? He needs to get new material. Because — but why — you know, we have that saying, "If it's not broke, don't fix it."

Hey, if it worked in the Garden, it's going to work here. I mean, blow the dust off it. It worked back then. It's not broken. It worked last time. Let's use it this time. We'll just maybe polish it up a little bit. Maybe, you know, change the color of it or the name of it or whatever. But it's the same old lie. And that lie is that we're already in the seven-year Tribulation. There is no pre-Tribulation rapture, etc., etc.

Now, why is it that lie? Because the enemy comes only to steal, kill and destroy. Steal our hope, kill our joy, and destroy our faith. And that's why they were — is that not our blessed hope, blessed assurance? And now they're — they're confused.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Who's the author of confusion? They're unsettled. They're alarmed. They're — they're — they're getting these reports. There was apparently, many believe, a forged letter with Paul's name on it saying, sorry, we're in the Tribulation. We missed the rapture. Have a nice afternoon, Paul. And that messed them up.

Boy, that's happening today big time. Big time. One last thing and we'll move on. (Chuckling) I just want you to use your God-given reason and intellect and logic and think this through with me. Why would it be that there would be an unsettling, alarming, confusing, anything about this?

Because it's the truth. You're not going to waste your time trying to counterfeit or falsify something that's not genuine. Does that make sense? It's akin to the reason why you'll never hear anybody use the name of Muhammad or Buddha the way that they use the name of Jesus. Oh, Buddha! Dude, what? Whoa.

Have you ever heard that? I'm not trying to be sarcastic. I don't have to try. I am. But I'm not trying to be, uh, you know. Have you ever had anybody go, "Oh, Muhammad!" Oh, you beheaded. Never. Why is it always only Jesus? Because only Jesus is the truth. Did that connect?

Okay, *verse 3*. We're not going to — (Chuckling) boy, I really am snarky today. 2 *Thessalonians 2:3* will not be a verse we're going to go through today. Everybody's like, okay. I guess not. Here's why.

We've done several deep dives into 2 *Thessalonians 2:3*, specific to, here again, the misinterpretation of this being a spiritual departure from the faith as the falling away, a.k.a. the great apostasy. False. What's the truth? The correct interpretation is it being a physical departure of those in the faith as the catching away, a.k.a. the pre-Tribulation rapture.

And that's why I'm not compelled to rehash *verse 3* today, lest it take away from what I truly believe with all my heart the Holy Spirit has to say to those who have ears to hear, as His last days church today. I pray, myself especially, that I would always have ears to hear, eyes to see, and hearts to receive. So we're going to stay on message with respect to the matter at hand, which is the specificity of this prophecy now happening.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

So we're going to zoom in on *2 Thessalonians Chapter 2, verses 6 through 12*, starting in *verse 6*. **“And now you know what is restraining, that he [Not capitalized “he”] may be revealed in his own time.”**

Who is “he”? He be the Antichrist, more commonly known. However, there are 13 different names in just the New Testament given to the Antichrist. Here it's the man of lawlessness, son of perdition, the beast in Revelation. And by the way, just parenthetically, let me say that Antichrist does not mean necessarily just “against Christ.” It actually can have more of a meaning of “in place of Christ,” again, a counterfeit Christ, a false Christ.

So this “he” be the Antichrist, and he's going to be revealed in his own time. But he can't be revealed, not quite yet. But we have a big problem here because of *verse 7*. **“For the mystery [Mystery schools] of lawlessness is already at work.**

[It's already in operation.] [It's already operational.] Only He [Wait, that one's capitalized.] [That “he” be capitalized.] [Who's he with a capital “He”?] (Chuckling) [The Holy Spirit.] [God the Holy Spirit, to be more precise.]

He who now restrains. *[Thank you.] [Thank you, Lord! Whoa!] [Restrain, please, God.]*
And He will restrain and will do so until He [Capital “He”] is taken out of the way.”

Wait. Moved aside so He's out of the way, not in the way. Why are you emphasizing that? Because *Chapter 2, 2 Thessalonians, verse 3*, is explicitly clear that before the Antichrist, man of lawlessness, son of perdition, can be revealed, the church has to first be removed. And the Restrainer, God the Holy Spirit, has to be not removed, but moved. He's just not going to restrain anymore. Go ahead! No curfew. No rules. No laws. Lawless. Have at it.

Where is God the Holy Spirit if He's not taken out? He can't be. Because God the Holy Spirit is omnipresent. That means He's everywhere, every time, in every way. He's all-present. He can be not only two places at one time; He can be any place at one time.

And by the way, He's not done yet because the Holy Spirit is going to be, the work of the Holy Spirit will be germane to those who will, at great cost, many their lives, realize this is the Antichrist. And they will put their trust in Jesus Christ, after the rapture, during the seven-year Tribulation.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

So the Holy Spirit, the parakletos in the Greek, where we get para, alongside, paramedic, parallel, paralegal, the Holy Spirit is still going to be — He's just not going to be in the way. He's just going to be over here on the side, alongside, the helper, kind of helping you, alongside of you. Because you need help right now, or this is going to get worse than it is right now.

And I — *verse 8* is just — I love it. Because look at the, again, the specificity with which Paul, by the Holy Spirit, defines the timeline. Notice this word, **“and then.”** That's a timeline word. Not until then — unless and until — **“then the lawless one [*The Antichrist, the son of perdition*] will be revealed.”**

Not before. Wow, Pastor JD, if you're — you keep yelling at us every week that we're that close to the pre-Tribulation rapture, and the Antichrist will be revealed after the pre-Tribulation rapture, not because of the pre-Tribulation rapture. That's not what the trigger is. That's Daniel 9:27, is the — what starts the seven-year Tribulation, not the rapture.

That means that he's alive and well? Yes, he is. That means he's kind of on the scene? Maybe behind the scenes. But he can't make his debut until we're taken up, and the Holy Spirit's taken out of the way.

Are you following? It's imperative you do; otherwise, you're going to be like those Thessalonians. I feel so bad for them. They just — you know, be careful, by the way, online. You watch a YouTube video, you're going, huh? Wait. What? I'm not going to do that. I think I beat that poor horse Thursday night to death.

[But] **“...then the lawless one will be revealed.”** And I love this about this verse because Paul, by the Holy Spirit, just kind of, you know, like makes mention of this. **“...whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming.”**

Poof! Bye! Oh, I can't wait. So just to keep it in perspective, because oh no, the Antichrist is going to be revealed. What are we going to do? Oh, no, no, no. “The Lord's going to consume him with the breath of His mouth and destroy him with the brightness of His coming.” No, no worries. Now we get the nitty gritty.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

[Verse 9] “The coming of the lawless one is according to the working [Operating] of Satan, with all power, signs, and lying wonders, [Miracles] and [Verse 10] with all unrighteous deception among those who perish [Why?] because they did not receive the love of the truth that they might be saved. And for this reason, [Verse 11] God will send them strong delusion...”

First, unrighteous deception, and then God just gives them over to their minds that are already made up, their hearts that are already hardened. And He says, sure, you want deception? You want delusion? Here, there you go. Pour them out, guys. It's going to be so strong “...that they should believe the lie, *[Not a lie, THE lie.] [Are you seeing the contrast?] [THE truth. THE lie.]* that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”

Okay. This prophecy, one of the most powerful in all of Scripture, *2 Thessalonians 2*, it comports and connects with prophecies in both Daniel and Revelation, along with others. But for our purposes today, we're going to focus on actually a well-known prophecy in *Revelation, Chapter 13*, verses — we're just going to take *15 and 16*. I think you'll see why. Wait, what happened? Is it *15 and 16*? I got it wrong in here. What did I do? Did I miss a slide? Oh, here it is. Here we go. Yeah. Wait. That's — oh yeah, this is a — okay. These are long verses. That's my excuse. How's that? Will that — if not, I got three more. You can just take your pick.

Verse 15, Revelation 13, “The second beast....” [Wait. Who's that?]

The false prophet. You've got this counterfeit Trinity again. Satan, the Antichrist, and the false prophet. God the Father, God the Son, God the Holy Spirit.

[So this is the second beast] “...was given power [Power to do what?] to give life to the image [Hang on to that.] [Give it voice.] [We've got this image] of the first beast [And the second beast is going to give power to give it life, to give it voice.] so that the image could speak.”

Okay. That freaked me out. I'm glad I'm not going to be here for that. I hope you're not. You better not. And that's not all. He's not done. This second beast, boy, he doesn't get a lot of press.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

“And the second beast was given power to *[Watch this word]* command *[Control]* all who will not worship the image of the beast to be killed.”

At his command? Yeah. He has that much control? Yeah. That much power? Yeah. We just read it. And it gets worse in verse 16. He's not done yet.

“The second beast also *[Oh, there's more? Yeah.] [What's he going to do now?] [Oh]* forced all people *[Forced all people]* small and great, rich and poor, free and slave, to have a mark *[And I chose this version because it captures something that is oftentimes missed.]* to have a mark to show allegiance *[Pledge allegiance]* to the first beast... *[See, there's almost a hint of — the mark is just your verification that you've pledged your allegiance and worship to the beast.] [So where's this mark? We've talked about this in depth, actually, over the years.]* on *[Or in]* their right hand or on *[Or in]* their forehead, *[Actually, it's both, by the way.]* so that no one could buy or sell without this mark, which is the name of the beast or the number of its name.”

Question. What if I told you the reason that what's happening now is happening now because this beast technology that gives voice to the image, to command and control the mind, mind control, which has been deployed for decades now, continues to be deployed right now, would you believe me? Worse, it's also now at the ready to be deployed for its final deployment in this, the last day of the last days today. How so?

Well, by way of the marriage — we talked about this — between two satanic technologies of AI and quantum computing. I just maybe need to insert this because it's going to be germane, maybe to our understanding in a moment.

Understand that Satan has always wanted the soul of man and the worship of man. So in exchange for man's soul and man's worship, he has knowledge, technology, that he will give in exchange for your soul, your allegiance, your worship. Do you think that man could have come up with artificial intelligence? If so, they wouldn't have called it AI. They'd call it HI, human intelligence.

Was that — that's pretty simplistic, but it's true. Artificial? You mean other world? Yeah. Quantum computing. I think I threw a stat out, a computation time out that a quantum computer could do in three-point-something minutes what it took the fastest computer in

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

the world to do in three years. Let that sink in. So I'm convinced — even block chain technology, Satoshi? Ha! I'm sorry. I mean, who is he? Nobody knows. He's the guy that came up with it. That's adorable. That's adorable. You're so gullible. No, this is satanic technology.

Now here's the problem. The problem is it's a mystery, lawlessly done secretly, as an evil black op of darkness done wickedly, which is a demonic operation done covertly. And this is why the masses are so easily duped by this powerful — make no mistake about it. It's not all-powerful. Satan's not all-powerful, but he is powerful. This powerful evil deception, and by extension, the ensuing strong demonic delusion, already now in operation. It's already operating. It's already working.

Enter *Ephesians 5, verses 11 and 12*.

Now listen to me on this because this is going to be the linchpin, for lack of a better word, to everything else that's going to follow. I want to start with *verse 11, Ephesians 5*.

The Apostle Paul, by the Holy Spirit, writes, **“Take no part in the unfruitful works [Ops] of darkness, but instead expose them.** [*How do you expose darkness?*] [*Turn on the light, bring it into the light.*] [*But it's verse 12 that it's a little bit chilling.*] [*Because he goes on to say*] **For it is shameful [Disgraceful, despicable, unspeakable] even to speak of the things that they do in secret.”**

Covertly. Secretly. As I mentioned, this was really the impetus, and what follows is predicated upon exactly this, exposing the darkness with the light, the darkness, the black ops of darkness, which is this unspeakable evil done secretly and covertly. And it goes undetected, under the radar.

So what I'm about to share with you — I'll wait to end the livestream — but this is going to — you're going to hate me for this. But what I'm about to share, viewer discretion advised. It makes you: Why? I'm telling you, it is going — well, it is unspeakable, unimaginable, incomprehensible, unbelievable.

And it's so unbelievable because you would never imagine, like we just studied on Thursday night in *Genesis, Chapter 6*, one of the biggest chapters in the entire book, one of them,

where the thoughts of man pre-flood were only, always evil continually. That's bad. This is worse. And oh, by the way, didn't Jesus say, “...as it was in the days of Noah, so too it will be in the days of the coming of the Son of Man.”

Hello. Ha! Oh my goodness. Whoa! Okay. Now, we've got to end the livestream on YouTube and Facebook. We love you. Bye.

I'm going to preface this screenshot by mentioning that I've been researching what's known as voice to skull, V2K technology, deployed against targeted individuals, TIs, since my first-born son brought it to my attention, well-nigh four years ago now. But I knew that now I had to expose this darkness with the light because of what's happening now.

While I have hundreds, even thousands of documents, I've got hundreds of hours of time researching this, I'll spare you by only sharing with you four today. So you're getting off easy. The first of which is pictured here. What are you looking at?

You're looking at a presentation submitted to the Senate Hearing on “The State of Civil and Human Rights in the United States” on Tuesday, December 9, 2014, by medical doctor, Daniel Lebowitz.

Here are a few excerpts of and from his sworn testimony. *[Quote]* **“Over the past two years, I have worked with a human rights organization called Freedom from Covert *[Secret, Dark]* Harassment and Surveillance or FFCHS. People in this organization state that they are being targeted by an illegal and unethical government program that represents a modern version of COINTELPRO and MKUltra combined.”**

Okay, pause. I think at this juncture I'd be grossly remiss were I not to explain and expose what boy —both —boy — easy for me to say — COINTELPRO and MKUltra were, and even now still are, contrary to claims by the CIA, FBI, all the three-letter agencies, even four-letter agencies for that matter, who neither confirm nor deny. Well, no, we stopped that program.

Oh, okay. We know what you did. You started up 60-plus other programs and just changed the name of it. So we're going to just pause the quoting of this sworn testimony. We're going to start with COINTELPRO. It stands for Counterintelligence Program. What's that?

Top Secret FBI Ops. It was, according to what you're going to find in the search results,

which ha-ha-ha-ha, from 1965 to 1971. You know, I may look stupid, but that doesn't mean I'm that stupid.

Oh, it just ended in 1971. You believe that? No, they just changed the names to protect the guilty. They just put new labels on, new wrapping paper on it. Listen to what this program was and still is.

A covert operation to derail, discredit, disrupt, misdirect, dismiss, and ultimately neutralize and/or eliminate anyone they deem radical in their dissent, potentially posing a threat. I'll pose a threat to the kingdom of darkness all day, every day, till my last day. Why do you pose a formidable threat? Because you could expose their covert black ops.

This brings us to MKUltra. Man, doubtless many have heard of MKUltra. But you know what's sad? I don't think many actually know the truth about MKUltra. Here's the truth. MKUltra stands for Mein Kampf Ultra, my struggle, in German, a book by that title, authored by one Adolf Hitler. The Third Reich.

Why is that important? Reich in German means rule. MKUltra is the Fourth Reich. The fourth and final kingdom, Daniel 2. So what was this top-secret CIA project all about? Well, it came about through Project Paperclip. Man, how many projects are there? I told you; there's like 60-plus of them, just under the umbrella of MKUltra. Operation or Project Paperclip was when the United States brought some 2000 Nazi eugenicists, scientists, and physicians that were covertly, secretly brought into the United States, and subsequently employed by the CIA, FBI, NSA, et al.

Why? Oh, because they were really specializing in human experimentation. And so they brought them in under the radar to further their psychological manipulation in their experimentation with humans. Mind altering, gene altering, DNA altering, mind control, behavioral control experiments.

And here's how they would do it. They would use the genetics of the unwitting targets' DNA. If you hear nothing else I say today, hear this. Our DNA, which has the name of God on it — we're created in the image of God, literally, by the way — is an electromagnetic antenna and acts as a receiver to receive a signal, our human DNA.

You think Satan knows that? Of course he knows that. How did these Nazi eugenicists know that? Because Satan downloaded it to them. I don't know if it was a PDF file or what, but, and then, of course, it cost them their soul and their worship.

I had a tough one on this. I almost thought about not including it, eliminating it. But the shameful and unspeakable evil with which they secretly conducted these experiments, attacking and torturing human targets, is so horrifying and terrifying. It's, as I titled an Update a while back, too unbelievable to be believable. And here's the thing: that's by demonic design.

What do you mean? Well, if it's too unbelievable to be believable, then they can hide behind that, masquerade by hiding behind the destroying of the target's credibility, which in turn gives them plausible deniability, which we're going to see here in a moment. See, nobody's going to believe you.

You tell them about this; they're going to think you're crazy. They're going to — they're going to either hospitalize you, or you're either going to be hospitalized or incarcerated. Hospitalization or incarceration. You're schizophrenic. You're psychotic. That's exactly what they do and use by design, demonic design. Because this is a textbook case of something being too unbelievable to be believable.

And I'm going to try to be patient, because it took me a while when my son first brought it to my attention. And I'm like, “no way.” And then he kept saying “way,” and then he kept showing me “way.” I'm like, “no way.” “No. Way.”

Let's get back to quoting the sworn testimony submitted to the Senate hearing on “The State of Civil and Human Rights in the United States” *[Quote.]* “The targeted individual program is many things all at once. It's a discrediting and disruption campaign. In some cases, not all, it's a torture, trauma-based brainwashing, and mind control program. It's a secret form of repression, persecution, and psychological warfare carried out largely by regular people.”

I'm going to add that because that's so broad, and because of the extensive research that I still do on this, I have documentation that would suggest that this is carried out by humans, non-humans, and/or transhumans. But regardless, at the core is the component of the demonic. The technology is just the instrument, the vehicle.

Why What's Now Happening Is Now Happening

Pastor JD Farag

I spoke to an expert in, of all places, Washington D.C. I probably shouldn't do that. He's been in this field for decades. You know what He told me? He said, "Sir, I've been in this business for decades, and I have never seen anything like this before." And I asked him to expound on it.

And he said, "The level of psychological warfare being deployed on targeted individuals with technology like V2K is unprecedented." And so I asked him to maybe explain further. And he said, "It started about December of last year." And he said, "I've never seen anything like it."

Well, I'll tell you; there's an explanation for why he's never seen anything like it. See, you take AI and you marry it to quantum computing, and you have just revved it up off the charts, the likes of which you've never seen before. But he's about to say that here in just a moment.

"It is a political *[Quoting]* abuse of psychiatry, as has been carried out in many countries as a way to torture and discredit dissonance."

You know, dissent. Kind of like what we did in 2020. Don't tell anybody. And 2021 and 2022 and 2023 and 2024 and 2025 and now 2026. And if we're still here, in 2027. I hope not after that. Dissent, whistleblowers, truth tellers.

"Finally, *[Still quoting]* it's unethical, non-consensual human experimentation on unwitting subjects with *[Listen carefully]* advanced directed energy and psychotronic weapons systems. *[DEW, direct energy weapons.]* Overall, it represents a coming together of the most vicious and effective tools and weapons for covert harassment and political control of dissidents, activists, whistleblowers, agitators, and other so-called undesirables *[I guess I fall into that category too]* that the world has ever seen.

[This is 2014.] [What are the goals?] [There's 11.] [I'm going to quote five.] [Number 1 of 11]

Force the target to stop unacceptable activity, whistle blowing, activism, exposing, corruption, etc. Silence the target, both about their original activism and about their targeting. *[Don't tell anybody.] [They're not going to believe you anyway.] [They're going to*

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

institutionalize you if you do.] [They're going to think you're crazy, you're psychotic, schizophrenic.]

[And that's number 4.] **Create a track record.** *[Listen very carefully to this one.]* Create a track record of so-called mental illness, *[Mental illness]* useful for both discrediting and plausible deniability. That's a two-for-one. You have just discredited your target because everybody thinks he's crazy. You're hearing voices in your head? Ha-ha-ha-ha. You're beside yourself. You've lost your mind. You're insane. You've gone crazy. You need to go to a mental hospital involuntarily.

And that's exactly what they intended all along because now they have created this discrediting track, mentally, psychologically, medically. And at no extra charge, they get plausible deniability. You can never trace it back to them. No, us? No, he's crazy. He's a loony. He's a kook. Well, you're a spook.

Okay. *[Number 7]* Encourage the target *[This is — wow]* to lose hope *[What did I tell you?]* *[Steal your hope, kill your joy, destroy your faith.]* and lash out in suicidal or homicidal rage, secondary to covert harassment, and *[Steal, kill, and destroy]* destruction of the target's life. Next week, Lord willing, I'm going to share some really heavy stuff — I have permission to — where lives were destroyed. 16-year-old girl, a TI, dead. Her body, not her soul. She's present with the Lord in spirit. Jesus said, **“Don't fear those who can kill the body. Fear Him who can cast the soul into Hell.”**

And that brings up a question we're going to probably, maybe explain more next week, Lord willing again. But why attack Christians? Think about this. Why would you attack a non-Christian? You already got them. Why would you target them? They're not a high-value target. They're not a threat. In fact, they're a help.

This, number 8, is the one that kind of got me. Set *[This is the goal]* set target up for possible institutionalization or arrest.

They call it gang stalking, where the voice is demonic — can be — they pass the inner ear and go directly to the auditory cortex part of the brain. And they can, at will, anyone, anywhere, anytime, for any reason.

Why What's Now Happening Is Now Happening

Pastor JD Farag

So if they got a target they're trying to take down and neutralize or eliminate, they'll do the V2K on a close-in-proximity target to start stalking the main target and set them up for involuntary institutionalization or incarceration.

Okay. Let's move on. Pictured here is a screenshot of just one of literally hundreds of US patents for or related to this technology known as Voice to Skull, V2K. I'll just quickly quote the title of this patent in the interest of time.

[Quote] "Methods and automatic system to identify victims of abuse, voice to skull, and remote neural monitoring technology, [Lord willing, we'll unpack that one next week.] and identify remote attacker or operator using device of voice to skull and remote neural monitoring."

By the way, the dates on some of these patents, they go back decades. I have one document, declassified, that this was actually — this technology using RF frequencies was originally patented and operated back in the 1950s. *[Here's another patent where, quote] "...sound is induced in the head of a person [How?] by radiating the head with microwaves."*

[I've got documents, photos of targeted individuals that are radiated red from the microwave energy that is beamed into them and at them.]

The bursts are frequency modulated by the audio input to create the sensation of hearing in the person. This invention relates to human beings in which high frequency electromagnetic energy is projected *[Listen to this.]* through the air to the head. *[Is this where the tinfoil hat thing came in?] [Might want to take another look at that, second look.]*

Projected through the air to the head of a human being, and the electromagnetic energy is modulated to create signals that can be discerned by the human being."

Discerned as what? Voices. Voices. This last one is the mic drop one, for lack of a better way of saying it. You know, there are times when I hope, and I mean this in love, the Lord knows my heart. I hope this so disturbs you that it stirs you and wakes you to the reality of what is now happening exactly as we were told in Scripture, via Bible prophecy, it would be happening. It's happening. And this is how they're doing it.

Prophecy Update

No, no, yeah, no. Yeah, no, they can't do that. They can't do that? Okay, go take a nap. I'm sorry. Is that snarky again? I'm sorry. In Jesus' name, snarky in Jesus' name.

Listen to this patent. If I'm not mistaken, I think it was three years ago, 2023. Go figure. *[It's an invention of, quote]* "Systems and methods for covertly creating adverse health effects in a human subject with an electromagnetic energy wave at a pulse frequency remotely transmitted to the subject's brain without the subject becoming aware of the presence of any outside influence."

Wow! Wow! Can they do that? You better believe it. That's hard to believe. You better believe it anyway.

Okay. Last question and we'll bring it in for landing. I want you to think this through with me. Wouldn't it stand to reason that the aforementioned prophecy in *Revelation 13* about the second beast giving voice to the image, wouldn't it stand to reason that that could be fulfilled using this V2K technology?

If so, and I believe it to be so, then the closing argument, if I can borrow a courtroom metaphor, is that the preponderance of irrefutable evidence proves it. Not beyond any reasonable doubt, beyond any doubt. Wake up. Wake up, oh sleeper. Open your eyes. Open your ears. Use your God-given mind and intellect. Why do you think — okay, did I say last question?

This is the last, last question. Why do you think it is? No, no, it's not rhetorical. It's sincere, and one, again, for which I would hope you would think through with me. Why do you think it is that I get up here every week, spit on everybody in the front row? I love you, man.

You're back. Welcome back. You've been off island, Isaac. So you get a baptism, you guys, every week. It's sprinkling, sprinkle kind. But anyway, I'm yelling and spitting and screaming and pounding on the pulpit and blowing out people's speakers and scaring people. Anyway, why do you think I do that?

I'll tell you why I do that. Because I really believe this. I really believe. Hey, if I didn't believe this, you think I would do this? There's other things I could do, you know. Not that God would let me, because once God calls you, you're ruined for anything else.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Ask Peter when he tried to go back to his fishing business, how that worked out for him. He couldn't catch a fish to save his life. No, you're ruined when God calls you. You're ruined for anything else. But I mean, just hypothetically, I guess. If I had a choice, and I didn't have to do this, I would still do this. In fact, I'd probably be worse. I had someone ask one of our staff members, "Is he like that out of the pulpit?" They said, "No, way worse." I said, "Cool, good answer. You want a raise? Okay."

That's true though. It's like someone went up to Spurgeon after one of his sermons and said, "You use too much humor." To which Spurgeon said, "Ma'am, if you only knew how much I held back." I'm totally taking that one, stealing that one. That's my story and I'm sticking to it.

But no, I mean, unplugged, unhinged. I probably shouldn't use that in the context of what we're talking about today. But I mean, I'm not an inside the box, inside the lines kind of guy. I'm not going to conform to the norm. I mean, no. Hey, when God gets a hold of you and He ministers something to you, and it's so powerful for you, what are you going to do? You're going to do like Jeremiah did. I got a fire that's raging inside of me, and I can't keep it in.

So I'm going to keep screaming and spitting and yelling in the name of Jesus, because Jesus is coming to take His church to the place He prepared for us. Are you ready? I can't wait!

[Applause]

I can't wait!

[Applause]

Jesus, this stuff is scary, Jesus. Can You come like now? You know what though? There are people who don't know Jesus. You know, I'm so glad that Jesus didn't rapture His church in 1981, as many people thought He would, because I came to a saving knowledge of Jesus Christ in 1982. Thank You, Jesus, for being patient with those, so they have more time to repent and put their trust in You and be saved.

And that's why we always end with the Gospel, the good news of Jesus Christ, which is what the word "gospel" means. Good news. I always love it when someone says I have some good news.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Oh dude, let me hear it. Let me sit down first. Okay, go, go. Good news? I could use some good news right about now.

Well, good news is, is that you were sentenced to death, but somebody else went to their death in your place, and you're free to go. Good news.

Good news? Why didn't you lead with that? That's not just good news. That's like the goodest news. That's not a word, is it? It's the goodest news ever.

That's what the word "gospel" means. And so I want to just take you through the ABC's of salvation briefly. If you'll grant me kindly a couple of minutes because it's so simple. It's childlike simple.

And I, of course, made many attempts to complicate it. Because as my wife used to always tell me, "You have the gift of complication." To which I, you know, responded, "That's not one of the gifts." And she told me emphatically that it didn't matter if it wasn't in the Bible. "You have that gift of complication anyway, honey." So I guess I do.

So I'm going to try to keep it really simple here. Because you see, the A is simply for acknowledging or admitting. And that's the biggest obstacle. Because the average person thinks they're a good person. But the problem is *Romans 3:10* says, **"There is no one good."** You're not — you might be a good person, but you'll never be good enough because **"...there's no one [Good or] righteous, not even one."**

And then *Romans 3:23* explains why, why there's nobody good, not even one. Because **"...all have sinned and fall short of the glory of God."**

You missed the mark. You fell short of God's perfect standard of righteousness. In fact, that's what the word "sin" means. It's an archery term. You missed the bullseye. You sinned. Yeah, but I hit the bullseye 9 times out of 10. It doesn't matter. You break one of the commandments; you've broken the whole law. You're a sinner, a lawbreaker.

And then once you get hopefully past that, this obstacle, this hurdle of someone with whom you're sharing Jesus, where they start realizing, wait a minute, if I'm a sinner, I acknowledge I'm a sinner, I need — I need the Savior. Exactly. Because if not, I'm in deep kimchi. Exactly.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Romans 6:23, “For the wages of sin is death, but [Here's the good news. Wait for it.] the gift of God is eternal life in Christ Jesus our Lord.”

It's a gift. Who purchased it? Jesus. How much did it cost Him? Everything. And He purchased it for me? Yeah. Why would He do that? Because He loves you. **“No greater love hath any man that he would lay down his life for another.”** Well, once somebody genuinely comes to the place where they're willing to admit, acknowledge they're a sinner, now they're ready for their Savior.

And this is the B, and it's so central, and it's simply that of believe. Believe. *Romans 10:9* says, **“If you believe in your heart that God raised Jesus from the dead, you will be saved.”**

Period. Not comma. Wait, I just have to believe? Well, I believe in God. No, no, no, no, no, no. **“Even the demons believe and tremble.”**

To believe in Jesus means you put your trust in Jesus for the forgiveness of your sins. You're believing in Him, trusting in Him and His imputed righteousness, and not your filthy self-righteousness. That's what belief is. I told you I was going to be very simple. Is this too simple? Because you know I can complicate it if you want.

Okay.

Now, the A obstacle's overcome. The B, central and essential, has been accomplished. What's the result? The evidential, C. What comes out of the mouth is evidence of what's come into the heart. In other words, you want to know what's in somebody's heart, just wait to hear what comes out of their mouth. If Jesus is in their heart, then Jesus will come out of their mouth, confessing Jesus.

When I was first born-again, man, my theology was so deep. You ready for it? Jesus is real. He's really, really real. He's so real. Jesus is real. He's so real. You need Jesus. He's real. And then repeat. I did. That's all. I didn't have — that's all. I just had Jesus. That's all I needed. That's all that came out of my mouth.

Can you just stop talking about Jesus? I can't. Because out of the abundance of my heart, my mouth is going to speak. What's the abundance of my heart? Jesus. And then they kicked me out, my roommates. So I had to find another place.

Prophecy Update
Why What's Now Happening Is Now Happening
Pastor JD Farag

Listen carefully to the heart-mouth connection in Romans 10:9. **"If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved."**

And lastly, Romans 10:13, which I don't know how you can make it any simpler, simpler, did I say similar? No, simpler, easier, okay, than this verse. **"All who call upon the name of the Lord will be saved."**

Boom. I'm so glad it was simple, 44 years ago or whatever it's been now. I'm glad I didn't have to like, you know, fill out an application, you know, go through a course, pass a test, agree to terms of service. Who reads those anyway? No, I just had to come as a child, with a childlike trust, as a sinner who needed the Savior.

And I didn't even pray that conventional prayer. In fact, I slurred my prayer and fell asleep praying it. (Hiccup) You know. And you know, we — it's not cavalierly, but in a way it might be.

We say, you know, "I gave my life to Christ."

"Yeah, praise the Lord. Wait, stop. You accepted Christ. He accepted you?"

"What do you mean? I gave my life to Christ."

"Did He take it? Did He save it?"

"I accepted Christ."

"Wait, did He accept you accepting Him?"

"Yeah, because the Bible promises us that He will in no ways cast out anyone. You come just as you are, and it doesn't matter who you are. You put your trust in Him, believe in Him, and you will, not might, will be saved. That's it."

"Wait, there's nothing I have to do?"

"No, He did it all."

"Is there anything I have to pay?"

"No, He paid it all."

“Well, surely there's something I can bring to the table of salvation.”

“No, just you. The only thing you need to bring to the table of salvation is you because you're the one that needs salvation.”

Was that — was that mean? Good, In Jesus' name. Because I think sometimes we need to be wakened from our spiritual slumber.

Okay. I would implore you before we get to the “But God” testimony, which actually is going to be a “But God” testimony, if you've never put your trust in Jesus, believed in Him for the forgiveness of sin as your Savior, I'm just going to lovingly warn you. You're playing with fire, literally.

I'm not trying to — well, maybe I am. I'd rather scare Heaven into you than flatter you into Hell. You know, just kind of soften it up, tone it down. No. Man, you're so abrasive and offensive. Listen, if it takes abrasive and offensive to get you into Heaven, I'm abrasive and offensive. In fact, I'm going to get a PhD in abrasive and offensive. How about that?

Whatever it takes, man.

See, I hope this doesn't come off wrong. I want to take as many people — I want to take as many people with me when that trumpet sounds. Not so I get more crowns or treasures or any of that. No. Because I don't want anyone to have to go through what's in store during the last seven years of human history, as we know it.

The proverb says, **“He who wins souls is wise.”** You know, there's a crown specifically for that? It's not selfishly motivated. It's lovingly motivated. I don't know if you know this or not, but I kind of love you. I kind of like you too.

Okay. Today's “But God” testimony is not a “But God” testimony. okay? It's a prayer request. And I think you'll see why as I share it. This was emailed to our office nine days ago, on Friday, the 22nd of May. And she didn't request that she remain anonymous, but I deemed it prudent to not mention any names after I just inquired of Lord. So I'm going to maintain the anonymity. Here's what she writes.

“Dear JD, could you please pray for my neighbor? She was away for a few months in a hospital somewhere, possibly a psych ward, but I'm not sure. Ever since then, she's been

weeping, screeching, and wailing so loudly I can hear her two doors down. Her behavior has been erratic for a while now. She verbally attacks people. I'm her friend, and I don't know what to do other than pray. She wasn't always like this. She's a believer.

[And we're going to talk more about that next week, the difference between demonic possession and demonic oppression, and how to tell, how to distinguish, how to discern that.]

She's a believer, but the screeching and stuff sounds demonic. I actually went to check on her a couple of days ago and asked her if she was okay, and if it was her that was crying out. But she denied that it was her. Please pray for wisdom and guidance for me to know what to do, if anything, to help her. And anything else, the Holy Spirit leads you to pray. Thank you, and God bless you and your church family. I love you."

We're going to do that. Kapono, come on up. Why don't you stand up? Loving Heavenly Father, we're — we're Your humble servants. Please look upon us with pity because we're in, not of, this evil, wicked world that is waxing more and more evil, seemingly with each passing day.

Lord, I pray for this precious woman, this sister in You, this daughter of Yours. From the description in the prayer request, it seems clear to me that this is this technology. And the only way to have the victory is with — this is powerful, but You're more powerful.

There is power in Your name, Jesus, the name above all names, the power of Your blood, Jesus. Jesus, please free her and all who have been demonically targeted, for whatever reason, only You know. They don't even know why they're targeted. They just know that they're targeted, and they're suffering, tormented, tortured.

Set them free. Set them free in Jesus' name. In Jesus' name. Please Jesus, the power of Your name, the power of Your blood. Thank You, Jesus. In Jesus' name. Amen.
