Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

KAPONO: Would you join me as we pray? Lord, we thank You so much for Your love.

[Congregation says, "Yes."]

Oh, man, I pray that believers and nonbelievers alike would really understand what Your love is all about, Lord, and how You truly care for us, and provide for us, and watch over us, Lord, protect us, strengthen us. We give You all the praise this morning, Lord.

Would You bless this time together in the Prophecy Update, Lord? Would we be able to see clearly, Lord, what You have for us today, Lord? So take away the fog in the clouds that's in our mind, Lord, that we may be able to hear You. So would You speak to us, Lord? We thank You for this time together and for the worship. In Jesus' name. Amen.

PASTOR JD: Amen and amen. And good morning and welcome. You can be seated. Welcome to those of you online. Pastor Mac is back!

[Applause]

PASTOR MAC: The prayers. It's your prayers. And I thank you, each and every one of you for your prayers. Yeah, it's been a rough one. I've been battling this for many years, as many of you know, and this time was just an episode that was like no other. But God.

And because of all the prayers of the saints, it's getting me through it, slowly but surely. And I'm so thankful, so thankful for each and every one of you. So glad to be back. And I would just ask that you would continue to pray for me and my family, and so I can keep advancing and serving the Lord until He calls me home.

And it does give an opportunity to reflect on things in your life as all of us should in the times like this. And I just tell you this; we should look to eternity. Yeah, that changes the perspective on all the things that we can go through.

So praise the true and living God for what He has done and what He continues to do. And I look forward to serving Him until that time comes. So thank you once again. And thank you, Pastor JD.

[Applause]

PASTOR JD: He smudged my mascara.

[Laughter]

Gather myself; Just give me just a moment. Yeah. God is faithful. And prayer is powerful. God is faithful. And prayer is powerful.

All right, let's get to it. This is the first of our two Sunday morning services that we devote to Bible prophecy with these weekly Updates. Second Service, which for those of you online, will be livestreamed at 11:15 a.m. Hawaii time. That's the sermon.

We're going through the Bible line-by-line. And we're in Revelation. We'll begin *Chapter 15* today, just the first four verses, in this sermon that I titled 'Truths to Remember in Pain and Suffering.'

And what we're going to do is look at three truths that we're all, myself included, prone to forget, especially when we find ourselves in the midst of a very painful and even disorienting trial and hardship in our lives. And so we're going to look, and there's some very interesting detail that I'm very much looking forward to in our Second Service sermon.

So those of you that are watching by way of YouTube and Facebook, we'd encourage you to go directly to JDFarag.org or get this time preferably. And with that, let's get started.

I want to talk with you today about man's plan and God's plan for mankind, which are actually diametrically opposed. And by that, I mean man's plan is for destruction ending in damnation, whereas God's plan is for salvation ending in redemption.

Doubtless many of you — this is going to date me — those of you who are relatively close in proximity to my age, I know I don't look it. I'm 30, but...

[Laughter]

Doubtless many of you remember that gospel tract: God has a plan for your life. Remember that? Well, what may not be known is that man has a plan for your life as well. And the problem is that the plan of man is crafted by Satan himself, who Jesus said, in *John's Gospel, Chapter 10:10*, “...seeks **only to steal, kill, and destroy...**” which is even now already happening.

The perpetrators of Satan's plan through man is one that man — I want you to listen very carefully — has been deceived by and has believed in thinking it's right. But it's the plan that *Proverbs 14:12* says leads to death. “**There is a way [A plan, a path] that seems right unto man, but the end thereof is death.**”

There's one thing I want to clear up, and this is probably as good of a time as any to do so. I appreciate your patience with me again.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

This is something that is so misunderstood, and Satan has been met with smashing success in regards to. And it has to do with this notion that somehow God and the devil are on an equal, you know, level. They're on equal ground. They're opposites.

That is absolutely false in every way. Satan is a created being. I like how one said it. The devil is God's devil. God created him. So he's not on equal ground, the opposite of, the antithesis of God Most High, though he wanted to be higher than God Most High.

But he is both a created being and perhaps more importantly, a defeated foe. And he has succeeded in large measure in getting Christians to believe that he's not a defeated foe, that he's on equal ground, as it were. He is not.

Here's what I'm hoping to accomplish with today's Update. I want to demonstrate that the plan God has will absolutely, better said, must absolutely prevail over the plan that the devil has.

Now, I know that might seem like a firm grasp of the obvious, but here's the reality. Many professing Christians are falling prey to this deceptive plan of man through the enemy of man. While we will explain God's plan at the conclusion, as we always do, which is the Gospel, the good news of salvation in the person of Jesus Christ, at the conclusion of the Update, I think it's incumbent upon me to first address man's plan.

It's important to understand by way of a preface I suppose that "the plan" has been in place for decades, if not longer. And that's what I want to talk with you about, and that's what I want to expound on further for the remainder of our time together today. So I know this might come as a shock, but don't look at your watches. We're already going to end the livestream. So bye!

[Laughter]

Once again, I owe a debt of gratitude to those who send in these authenticated documents, and they are authenticated and vetted, validated. And so I want to say thank you. And I also want to ask you to not stop, keep sending them in, and also keep sending in those amazing "But God Testimonies." You have no idea of how much of a blessing they are to so many all over the world.

I'm going to start with this 43-page PDF file titled "Silent Weapons for Quiet Wars." This document — I'm actually quoting, not from the document per se — but this document represents the doctrine adopted by the Policy Committee of the *[Wait for it]* Bilderberg Group during its first known meeting in 1954. Its genesis was actually at Harvard in 1948, with the first copyright being in 1953.

Now, here's a quote from the foreword on the cover page. I'm quoting now. This is how this document came about. Quote. "This manuscript was delivered to our offices by an unknown

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

person. It has been authenticated by four different technical writers for military intelligence, one recently retired, and one who is still employed as an Electronics Engineer by the Federal Government and has access to the entire series of training manuals.

One was stationed in Hawaii and held the highest security clearance in the Naval Intelligence, and another who was now teaching at a university and has been working with the CIA [CIA] for a number of years and wants out before the ax falls on the conspirators.”

I had to include that last part in the quote because that is so well said. In other words, he wants out and for good reason because he knows. And I like that he's using the word “conspirators,” because that is the word that I have selected to describe them, they. You know when someone says, “Well, they...” Who's they? I'm still waiting for somebody to introduce themselves. I ask them their name. And they say, “My name is they.” I'm going to go, “You're they!” They say. Who's they? Well, they, in the context of these Prophecy Updates, are what I referred to as demon-possessed conspirators.

Now, let me qualify that before we move on. And we will move on. Why do I say it like that? Because there is a conspiracy, not a conspiracy theory. That “conspiracy theory” term, phrase was actually created maliciously, nefariously by none other than the aforementioned CIA to throw people off, so that we would dismiss their conspiracies under the banner of being, “Oh, that's just another one of those conspiracy theories.”

Perhaps you've seen on social media posts about how that conspiracy theories are spoiler alerts. I like that because there's truth to that. Throughout Scripture — we've seen it in Isaiah, it's in Psalms, and throughout Scripture, really, in its entirety.

What you find is that there is an evil conspiracy that has been in place from the beginning of time. Man has conspired demonically, satanic inspired and conspired. And the sole goal is, as Jesus said in *John 10:10*, “...to steal, kill, and destroy.” You can sum up the plan of man that way.

Well, let's continue quoting. I — listen. I'll do my best to keep it moving. Still quoting. And all the links, of course, will be available for download. Just please, please be patient with us.

We have an amazing team of people that work tirelessly to — can you imagine transcribing me? They have huge treasures in heaven. I can't wait to see how big their mansion is going to be. So just be patient because it takes time. It's a very tedious and arduous task of transcribing the transcript of the teaching. And then we include, of course, the links that you can go to, to do your own research, which I hope you will. And I would encourage you to do so.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

Quoting. This is still from the recipients of the original document. "We believe that the entire world should know about this plan, so we distributed internationally one hundred of these manuscripts, to ask individuals at top-level positions their opinions. The consensus opinion was to distribute this to as many people as who wanted it, to the end that they would not only understand that "War" had been declared against them but would be able to properly identify *[Listen]* true enemy to humanity."

Here's a quote from the preface. Now this is the actual document. "Silent Weapons for Quiet Wars, An Introduction Programming Manual, *[Programming manual]* was uncovered quite by accident on July 7, 1986, when an employee of Boeing Aircraft Company purchased a surplus IBM copier for scrap parts at a sale and discovered inside details of a plan hatched in the embryonic days of the "Cold War" which called for control of the masses through manipulation of industry, peoples' pastimes, education, and political leanings.

It called for a quiet revolution, putting brother against brother, and diverting the public's attention from what is really going on."

I stand corrected. That's not the document. That's still the preface to the document from those who received the document. You understand that when you — this is — when you buy a photocopier — I don't know — did they even use — they — whoever they are — did they use photocopiers anymore? Because don't color laser printers do everything except the laundry? So you understand that even with your laser copier, printer, fax — you know, don't do laundry or windows, okay — there's a computer hard drive that stores every document you scan in it. So here's this guy in 1986 that buys this copy machine, you know, just for parts. And he finds the hard drive. It's like, you know what? Let's just see what's on it. And much to his surprise, oh, my goodness.

It remained on the hard drive, this classified document, which, by the way, I spent a considerable amount of time trying to find a PDF downloadable file of the actual document, and that's why we have the link to it. It's not readily available.

Have you noticed lately that it's getting increasingly more difficult to find things when you search for them? I don't care what browser or search engine you're using. They're burying stuff so deep, and they're scrubbing everything else. By the time you found it, your clothes are out of style, as they say.

I want you to hang on to this last part about diverting the public's attention from what's really going on. We're going to come back to that in a moment.

Now, now we get to the document. Chilling. Here's a few excerpts from the actual vetted, verified, authenticated document. Quote, "When a silent weapon is applied gradually, the public

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

adjusts/adapts to its presence and learns to tolerate its encroachment on their lives until the pressure (psychological via economic) [*Hmhm*] becomes too great, and they crack up.

Therefore, the silent weapon is a type of biological warfare. [*Biological warfare*] [*We're only getting started*] Under the heading of "Application in Economics" we have this stunning [*And I mean stunning*] excerpt. [*Quote*] "...Eventually every individual element of the structure comes under computer control through a knowledge of personal preferences, [*Boy, 1948 to 1954*] such knowledge guaranteed by computer association of consumer preference..."

You realize algorithms and artificial/satanic intelligence is studying you and knows you more than you know yourself, your habits.

But listen to this. "...such knowledge guaranteed by computer association of consumer preferences [*And they put in parentheses*] (universal product code, UPC; zebra-striped pricing codes on packages) with identified consumers (identified via association with the use of a credit card and later a permanent "tattooed" body number invisible under normal ambient illumination)."

That is *Revelation*, specifically *Chapter 13*. And we've talked about it a zillion times. In fact, we've even gone into the original Greek to get a better understanding of what is the mark of the beast. And when you look up the word "mark" in the original language, it carries with it the idea of a stamp, a tattoo, with palisades, a mark, an identifier, a verifier.

And this was hatched. They used the word "hatched." So I'll just use that word, for lack of a better one. This was hatched in 1948.

And then I guess the Bilderberg Group, which, by the way, they're not your friends. I guess in 1954, their first known meeting. That's interesting. I guess in a sense, they ratified this. How many years ago is that? Can somebody do the math? From 1948 to 2025? I'll get back to you later on it. 76 years?

[Congregation says, "Yes."]

All right. Thank you so much. Ten points. I don't know what they're for, but you got ten points. 76 years. How did they know? Do you want to know how they know? Because Satan, though not all-knowing, knows. And he makes a deal with them. In exchange for this intelligence, you give me your soul. So that's how they know, not to mention the fact that Satan knows Bible prophecy better than any of us ever will or could. I mean, let that sink in.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

What I just quoted was from, let's just say, 76 years ago. And they're talking about a permanent tattooed body number, invisible under normal ambient illumination in lieu of a credit card, which will be used at first.

Oh, Jesus, please come quickly. Because, you know, right now it's like you don't even have to tap your card. I went to insert it because I'm rebellious when it comes to this whole thing, as you might imagine.

You know, "Sir, you don't need to insert any more. You can just tap it."

I'm going, "No!"

And as God as my witness, before I could get that card, credit card, inserted, the tapping sensor already read it, and it said, "Approved."

I'm like (Look of disbelief) "No! How did you?" It's you walk by it. ZAP! It already knows you, who you are, what you do, what your habits are, what your preferences are.

That's even said here. The preferences, personal preferences, "...control through a knowledge of personal preferences..."

Are you kidding me? You know that you — whether or not you go in and manually set, which few do, you know, the preferences? And they don't make it easy to find.

First of all, the font size is like three. And it's greyed out. They only want you to click on something that's big and bold and bright. You know, "Click here and agree to the terms of service."

So you know — and then there's little "read terms of service." I clicked on it one time. Didn't even open the first time. I'm like, "Ah!" I finally get in. And I mean, talk about pages upon pages upon pages. I mean, who's gonna read this? How many of us — I'm just as guilty — just click "agree." You have no idea what you just did or agreed to. So they basically gain knowledge, and AI learns what you prefer.

So like for example, if I were to take my — I'm not going to do this — and so don't ask me. But if I was to take my phone and go up next to your phone, we were to go to — I'll just use — well, any — just generically, a social media app and scroll through the newsfeed, it's going to be completely different based on the algorithms which are based on what our viewing habits are.

So you're going to be scrolling down, so you're only going to see — I will never see that on my feed. You'll always see that on your feed and vice versa. And this was hatched that long ago. How did they

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

know? Because Satan already knows and provided them with this yet-future technology. and by the way, it's very interesting. We'll talk about this next — or we'll get there.

But the subtitle to another document I'm going to share, and there's only two today, so there's hope, is: 'The Future Is Now.'

The future is now. I think it is. The future is not future. The future is now. The future is here now. Here's one. It's on page 17. Very telling.

Quoting. "...there are only two alternatives to reduce the economic inductance of the system [*Or plan*]. [*Number 1*] Let the populace bludgeon each other to death in war, which will only result in a total destruction of the living earth. [*Or 2*] Take control of the world by the use of economic "silent weapons" in a form of "quiet warfare" and reduce the economic inductance of the world to a safe level by a process of benevolent slavery and genocide."

Your slavery and genocide is so benevolent. Well, which of the two do you think they chose?

Answer. Quote. "The latter option has been taken as the obviously better option. [*Ya think?*]

At this point, it should be crystal clear to the reader [*This is why you shouldn't have scanned it, baby*]

"At this point it should be crystal clear to the reader why absolute secrecy about the silent weapons is necessary. The general public refuses to improve its own mentality [*I actually agree with that*] and its faith in its fellow man.

It has become a herd of [*Now, this is — this is mean, speaking of the public*] It has become a herd of proliferating barbarians, and, so to speak, a blight upon the face of the earth."

Translated: We gotta get rid of them. That's called genocide.

"Under the category of "Introduction to Economic Amplifiers" [*We know what an amplifier is*] [*It's something that amplifies, magnifies*]

Quote. I want you to listen very carefully to this quote. "...If a person is spoken to by a T.V. advertiser as if he were a 12-year-old, then, due to suggestibility, he will, with a certain probability, respond or react to that suggestion with the uncritical response of a 12-year-old and will reach into his economic reservoir and deliver its energy to buy that product on impulse when he passes it in the store."

No wonder, No wonder. True story. I was — the late Larry Burkett — I was a big fan and a certified Christian financial concepts counselor, and I would help families and couples out with their, you know, finances and their budgets and you know, how to manage your money. I tell a lot of his, you

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

know, 'Business by the Book' to businesspeople from all walks of life and how to manage your money, your finances in changing times.

And he had a quote in one of his books — I forget which one — that went something like this. A couple stop watching TV and their spending dropped by 35%. I'm just going to let the Holy Spirit take it from there.

Do you wonder why it is you've got shelves full of stuff that you don't need, nor do you have the money to buy, but you buy them anyway? Can I just make a — can I humbly suggest that if you'll just turn your TV off, that won't happen again?

Here's a most interesting quote. This is under the heading of (Chuckling)

Let me just get it out of the way. We're going to talk about politics now because the document is riddled with politics as a very pronounced part of this plan. So if you want to leave, we'll all bow our heads. Close our eyes. You can slip out. If you want to click off, we love you.

“The Political Structure of a Nation – Dependency” That's the heading. Quote. “The primary reason why the individual citizens of a country create a political structure is a subconscious wish or desire to perpetuate their own dependency. *[Not independency, dependency]* Simply put, they want a human god *[Little G]* They want a human god to eliminate all risk from their life.”

In other words, we want you to do it, so that we can just watch football on Sundays. And I'm meddling now, aren't I? Did I take that too far? I'll let the Holy Spirit fill in the blanks. Because you know when I get convicted, I want you to be convicted too. So....

In that context of this demand for a political god, they go on to say, quote, “...This public demand is incredible, so the human god, the politician, meets incredibility with incredibility by promising the world and delivering nothing.”

I'm just going to pause. Are you kidding me right now? So who is the bigger liar? *[Quoting]* The public? Or the "godfather"?

[Speaking of the god/politician] “This public behavior is surrender born of fear, laziness, and expediency. It is the basis of the welfare state as a strategic weapon, useful against a *[Wait for it]* disgusting public.”

Did you know you're disgusting? You disgust me. Tell us how you really feel. No. Yeah, I make light of it. But here's the truth. That's how they view you and me. We disgust them. We're, as in the words of a demon-possessed Yuval Harari in Israel said, “useful idiots.” So have a nice afternoon.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

Now we're going to turn the page quite literally, actually. And I want to share just a number of quotes from the summary concerning the disgusting public wanting the politician/god to just do it all. That's why we put you there.

Quote. "Authority (root word - 'author') authority in their unwillingness to, quote, "accept responsibility or liability," is why, quote, "they hire politicians to face reality for them."

I mean, I'm speechless. That's a miracle for me to be speechless in and of itself. I have no words. And it gets worse.

"The people hire the politicians [*I'm quoting*] so that the people can:

- 1: Obtain security without managing it.
- 2: Obtain action without thinking about it.
- 3: Inflict theft, injury, and death upon others without having to contemplate either life or death.
- 4: Avoid responsibility for their own intentions.
- 5: Obtain the benefits of reality and science without exerting themselves in the discipline of facing or learning either of these things."

In other words, we're going to dumb them down so all they do is lie down or sit down and do nothing so that we can do everything.

"They give the pol- [*Quoting*] They give the politicians the power to create and manage a war machine: [*That's what this is*] [*And then they go on to delineate it*]

- 1: To provide for the survival of the nation...
- 2: Prevent encroachment of anything upon the nation...
- 3: Destroy the enemy who threatens the nation...
- 4: Destroy those citizens of their own country who do not conform for the sake of stability of the nation."

Can I just ask you if you agree with me, that this is already happening right now? And they created it. They — it's a textbook case of the Hegelian dialectic. You create the crisis. You control the reaction. And you offer the final solution.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

Now this is from pages 34-35 under "Short List of Outputs," which is a plan to, quote, "...create controlled situations, manipulation of the economy, hence society, control by control of compensation and income."

In it, they list what they term as the, quote, "Sequence" of which there are a total of 32 — I will not read all 32 of them. However, I will read a handful of them.

"Number 4: Controls the availability of raw materials. *[Happening now]*

Number 7: Controls the inflation of the currency. *[Really happening now]*

Number 8: Controls the possession of property. Really happening now. Ask Lahaina, Maui, Asheville, et al.

Number 10: Controls manufacturing. Happening now.

Number 11: Controls the availability of goods *[Commodities].*" Happening now.

Let me just — let me have this. Have you noticed, for those of you that, you know, buy stuff on Amazon, have you noticed that they limit the quantity of items that you can purchase? And so, you know — and you have a record of all of your orders, so you can search orders.

So you know, when you run out of something, you want to replace it, replenish it, so you go back to your orders to find it, so you can reorder it. And you search it, and it says, "no longer available."

So I go back further. Boom. I bought it in 1928. So I click on that. No longer available. Well, maybe that was, okay, let me look for a newer one. No longer available. What happened to them? I remember when on the internet, you would do a search, and there would be 500 billion results.

Now there's eight, and they're all controlled. And I'm being, you know, a little bit, I mean, I'm exaggerating, obviously. In other words, they're going to control how much of that you can have.

This is only a foretaste, a foreshadow of what's to come during the Tribulation.

Number 12: Controls the prices of commodities. Now.

13: Controls services, the labor force, etc. Happening now.

16: Controls the personal data files, uncorrectable by the party slandered. In other words, you can't do anything about it.

And number 17: *[This is where it gets interesting]* Controls advertising."

Brought to you by Pfizer. Brought to you by Pfizer. Brought to you by Pfizer. And that's just the ads in between. And then you go back to the game. Brought to you by Pfizer.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

Number 18: Controls media contact.

Number 19: Controls material available for TV viewing.

20: [This one got me] Disengages attention from real issues.

And it goes with 21: Engages emotions, which goes with 22: Creates disorder, chaos, and insanity.

If you were to ask me what I thought was the most prevalent of everything on this list — I mean, there's more here — I would have to answer that at least at the top of that list, it would have to include how people are just clueless.

And you can't hold it against someone who's not a born-again Christian. Because how can someone who's not been regenerated by the Holy Spirit behave in a way that demonstrates they've been regenerated and born-again by the Holy Spirit? We're not talking about the world. We expect that of the world.

The Big Three is the world, the flesh, and the devil. I'm not talking about that. What I'm talking about is I'm going to say professing Christians. They're so disengaged. Notice it's not that they're disengaged. They're just disengaged from what really matters. How did that happen? Oh, they got distracted, derailed, and disengaged. Don't look at that! Look at this! Wow! And then Holy Spirit's going, No, no, no. Go back. No. Look at this! Oh! Off you go.

“Number 24: Controls surveillance.”

I was just — I had the privilege of meeting some online visitors from Alaska, Anchorage, Alaska. It was such a joy. In fact, that's her last name. Joy. I wish that were my last name.

[Laughter]

But they were telling me that the hotel they're staying at — I hope you guys don't mind me sharing this. Is that okay? Do I have your permission? Okay, I have witnesses that I have their permission. Can I get that in writing? Nah.

They were telling me about how that when they left the hotel they're staying in, and I won't mention the name of it, and the sensors sent — it's a no smoking — sensed that there was smoking. So when they get back to the hotel, they had a non-negotiable five-hundred dollar fine that they had to pay. And they're not smokers.

I'm thinking, oh, wow, that is complete surveillance. That's just the beginning. There's coming a time — it's already here — the technology is — where you just walk by and everything is scanning, identifying, verifying, authenticating. I'm still just trying to wrap my mind around that.

Prophecy Update
Man's Plan / God's Plan
Pastor JD Farag

So the moral of the story is just don't go to Waikiki. I don't know, but...

[Laughter]

It's already happening. "Controls the storage of information.

26: Develop psychological analysis and profiles of individuals. And last, but certainly not least — listen to this — Controls health options."

Health options. What are my options? Here are your options. Are those the only options? Yeah. Because we control your health options.

And notice at the bottom of the page — of course, you know this is going to catch my attention. It's a chart. I couldn't resist. I'm like oh, my goodness. There's a chart here. (Chuckling)

It's the "Table of Strategies," which underneath is a plan to do this to get this. So can I just share a few. I don't want to. But I'm going to.

Under "Do This," "Keep the public ignorant." Duh. Check that box.

"Create preoccupation." In other words, keep the public, disgusting public, preoccupied with stupid stuff. I'm still quoting Well, that wasn't a quote. (Chuckling)

"Attack the family unit."

That breaks my heart. See, Satan is so insidious. He's crafty, he's cunning. Cunning. He studies us like a military strategist. you know, like those photos you see of a military strategist hovering over a map, strategizing. Satan does that with the map of yours' and my life, looking for the optimum time and place to attack. And he knows, as Jesus said, if you smite the shepherd, you scatter the sheep.

Question, heartbreaking question. Why do you think it is that the man of the house is no longer the man of the house? Where is he? He's been taken out by the enemy. And now where's the family? Oh, they just been completely shattered. That's just makes me want to cry.

So kids are growing up — have you heard this term, "screen age"? The screen age, not teenage screen? S-C-R-E-E-N. I gotta make sure I spell it right. Screen age. This generation: Their heads are buried in their screens. And that's shaping and forming their minds at the most critical time. And the enemy knows it.

So now we got boys and girls, I hope, this week — who knows next week — I don't want to make light of that. We've got young people growing up with no model, no example. And is it any wonder

That the Christian family in the Christian church is in the shape that it's in today? Are we surprised? I saved the worst for last, if you can imagine. And it's along the same lines.

Quote. "Do This," "Attack the privacy of the church," "To Get This," "Destroy faith in this sort of government."

For those of you who are more auditory learners, you know what I mean by that? You learn more when you hear. Some people are more visual learners. And we just have different learning styles.

I actually found and will provide, again, be patient, a link to a YouTube video that will actually do it for you. It's a reading of the entirety of the document. It's about 50 minutes. And you can just read this document or have this document read to you. I checked to make sure it was still up this morning. I can't believe it's still up.

Okay, I got one more. Is that okay? It's actually a PDF file of a PowerPoint presentation titled Future Strategic Issues/Future Warfare [Circa 2025]

I don't know if that's "cir-ka" or "sir-sa." Does somebody have that answer? Circa? Sirsa.

Remember now, I've been kept ignorant.

[Laughter]

So I had to look it up. Circa — circa 2025. Well, it's 2025. What does circa mean? Oh, circa means a particular year that it will happen.

So this — I — you cannot find the PDF. Let me rephrase. If you can find the P — the original PDF, downloadable file of this, please send it to us. I spent hours — I shouldn't tell you this. I — even this morning. I was late this morning. I thought maybe, you know, I've stayed up all night, you know, like, I'm supposed to be sleeping. I'm sitting up, going, what if I searched this phrase instead? I still can't find it.

But what you can find is this PowerPoint presentation that comes from that publication. Who's the publication from? Well, you see it there on the screen. NASA. It's from their Langley Research Center. And according to what I found; the published date was 2011. However, because I was doing a deeper dive, I found that it may have actually originally been planned in the year 2001, of all years.

Well, so this is a PowerPoint presentation that was presented exclusively, created originally by NASA projecting yet future what will happen in 2025. What time is it? 2025. I'm going to go through quickly some screenshots from the presentation, but I want to draw your attention to this first one. How disturbing is this?

Quote, "The 'Bots, 'Borgs, '& Humans Welcome You to 2025 A.D." That's this year. You know what A.D. stands for? Adonai, year of our Lord. Sometimes you see a B.C. you know, before Christ. But you'll see B.C.E. That's typically what the Jews do. And it stands for Before Christian Era.

You see what they did there? Not before Christ, Before Christian Era, B.C.E. So whenever somebody uses A.D., I always like to remind them I don't have the ability to do that. If you do, let me know, and I'm more than happy to send them an email to let them know and thank them for acknowledging that this is the year of our Lord, Adonai.

But why not 2028 or 2030 or 2072? Why 2025? A lot of things are pointing 2025. And we're off to quite a wild start to 2025, wouldn't you say?

The second one bullet points, quote, "Inputs to DOD [*Department of Defense and Research and Development*] Planning" It's the plan.

It's this third one that really stood out where they planned, quote, "Genomic [*Genomic, genetic, DNA*] Design and Repair," "Mind Children," [*Mind control*] [*And how about this one?*] "Cross Species Molecular Breeding."

I don't want to — that's... Now, it's worse. If this weren't bad enough, there's a plan for, quoting again, "Micro Dust Weaponry." Micro dust.

My son first told me about this in 2018, and it was just too unbelievable to be believable. I'm not saying that anymore. I would encourage you to do your own research on micro dust or smart dust. Do a search, the CIA, NSA — and they'll all have a record of your search — smart dust — and see what you come up with. Micro dust weaponry. And this was how many years ago? So what do they define micro dust weaponry as?

Quote, "A Mechanical Analog to Bio, Micron-sized, mechanized 'dust,' which is distributed as an aerosol and inhaled into the lungs. Dust mechanically bores into lung tissue and executes various Pathological Missions."

That is just rife with evil. Bores, forces, digs into the lung tissue. The choice of wording here is, it's not lost on me. Executes various pathological missions. Oh, this smart dust has a mission to get inside of you and to deliver its payload in you.

This last one bears the heading of, "(Agreed Upon); Assumptions, Combat in 2025," which includes, quote, "Proliferation of TBMs, IT, precision strike/targeting, ubiquitous micro sensors, cam/spoofing, robotics, bio/chemical munition, and beam weapons increasingly prevalent."

Man's Plan / God's Plan
Pastor JD Farag

That sums up the plan of man. And it's already been, I'll just use the word, implemented. Are you ready for the plan of God? I am. This is the plan of God starting with what's been a life verse for many a Christian over the ages. *Jeremiah 29:11*. We know it by heart. What a verse! What a promise! And all of God's promises — we're going to see this in Second Service — are true and amen. In other words: Done. Done deal. Done deal.

Okay, that's man's plan. Wow, wow, wow, wow, wow! I want no part of it. Jesus, come quickly. God, what's Your plan? Oh, I know the plans I have for you, declares the Lord. Well, what is it, Lord? Plans to prosper you, not to harm you, bore smart dust into you. Plans to give you hope and a future. That's My plan for you.

And that's just the prelude to the ultimate plan of redemption that God has for us vis-à-vis the good news of salvation found in the person of Jesus Christ. And it's not God's will that any should perish but that all should come to repentance and believe in the Lord Jesus Christ. That's His plan. That's His heart. That's His desire.

We're seeing it on Thursday nights in the minor prophets. It just comes leaping off the pages of our Bibles or the screens on our devices. And this is, and I know I say this every week, and I hope you don't tire me saying it, but it's almost like these Prophecy Updates are getting even more important now than they've ever been. And the urgency to get people to Jesus and Jesus to people has been more urgent than it's ever been.

Because we're already — here's the thing. Please, I'm sorry if I'm raising my voice. Here's the thing. We just got done with this elaborate plan of man that has already been implemented. We already see it. And it will find its ultimate fulfillment during the 7-year Tribulation. And we know the rapture has to happen before the 7-year Tribulation. And we're seeing these things begin to happen, to pass, now before the Tribulation. That means we're so close to the Tribulation. Time is so short.

I want to light a fire under all of us today. I want to shout it from the rooftops. I do that anyway. I want to light a fire under you today because it has never been more urgent than it is today.

Man, that last Gentile needs to get saved as soon as possible. And they're gonna probably have to put whoever it is in protective witness, you know, for all eternity. Because if anyone finds out they're the — they were the last one, the last holdout, you know, you were the one! That's not biblical. I'm just....

Prophecy Update

But you never know. When that last Gentile gets saved, (Clapping) we're out of here! That's it. The church age is done. The trumpet's going to sound. Oh, what a glorious day that will be! Can't come soon enough.

Well, let's talk about the Gospel. And I want to explain. It's just an explanation of salvation with the ABCs of salvation, which is really the Gospel of salvation. And it's not a formula. It's just a tool to equip you with should God just profoundly privilege you with the opportunity to share Jesus, or even better yet, lead somebody to Jesus.

There has to be first the A, the acknowledging of sin; otherwise, no need for — no need for Savior. I'll never do that again.

Romans 3:10 says **“There is no one righteous, not even one.”** This is the number one response when you're sharing your faith.

“Well, I'm a good person.”

“Okay, fine. You're a good person. But the Bible says you'll never be good enough because nobody's good, save one, Jesus the Christ.”

And *Romans 3:23* tells us why. And this is so crucial. And I think back to what we affectionately refer to as a thief on the cross, which we don't know if that was his crime. But what we do know is he first acknowledged “This man is innocent. This man did nothing wrong. I deserve to be here. He does not deserve to be here.”

And now remember, they had, nailed on top of the cross that Jesus hung, King of the Jews. And he acknowledged that this was the Savior of the world, which is so key because he realized that he was about to die.

I think the account is given to us to give us hope for those who have loved ones because you never know. On one's deathbed before they take their last breath in this life and their first breath in eternal life, you don't know. This guy knows he's going to die. It's just a matter of time.

But he acknowledges that Jesus is who He says He was and is. And he knows that he deserves, *Romans 6:23*, the penalty for his crime, **“...for the wages of sin is death.”**

“I deserve that. You don't. What are you doing here?”

“Oh, I'm paying for the sins of mankind. I'm dying for you instead of you, so you can be with Me for all eternity.”

Prophecy Update

Pastor JD Farag

You know that song? It's an older song. 🎵 He paid a debt He did not owe because we owed a debt we could not pay. 🎵

So He's dying on the cross, not because he committed a crime. He was perfect, sinless, spotless, without blemish. But He hung there on that cross, and He died there on that cross because He was dying for the sins of the world. He had taken upon himself all of man's sin. That's why He cried out, Father, father, why hast Thou forsaken me?

See, sin separates us from God, and when He had taken the sin of man upon Himself on that cross, He, in effect, separated himself from God. Because now He had also taken the guilt and the condemnation with it.

Why? Because He was purchasing us with His blood shed in our stead. **“You are not your own but purchased with a price.”** He purchased you. He purchased the gift of eternal life for you. And He offers it to you. **“The gift of God [Gift of God] is eternal life in Christ Jesus our Lord.”**

He realized that. He acknowledged that. He admitted that. And that's why he would say to Jesus, **“Remember me when You enter into Your kingdom.”** And Jesus replies, **“Truly, truly, I say unto you, today you'll be with me in Paradise.”** Let's go! Let's go! Is that how you say it? Let's go!

Now, once there's been that acknowledging, admitting this is the central component to salvation. In fact, it's the only one necessary: Believe. Believe in your heart that Jesus Christ is Lord.

And this is not, again, “Well, I believe in God.”

“No.”

“Oh, I believe in Jesus.”

“Okay, whatever.”

No. To believe in is to put all your trust in the person of Jesus Christ for the forgiveness of sins. We talked about it on Thursday night in *Micah 1*, just real quick. Micah prophesies something very interesting about the Northern Tribes of Israel. He says, God through the prophet Micah, says, **“For their sins are incurable.”** There's no cure. It's terminal. There's no remedy.

You know the proverb that says, the one who stiffens his neck and hardens his heart will be broken suddenly and without remedy. You know in Jeremiah, again, that verse? It's not one that we have up on our refrigerators very often. **“The heart of man is desperately wicked.”** That word “desperately” in the Hebrew is the same word Micah uses for incurable. Now let's rephrase it. The heart of man is incurably wicked.

Prophecy Update

Pastor JD Farag

That's why God gives us a new heart in the new birth. And that's when you believe in your heart that Jesus Christ is Lord. And then Jesus said, **“Out of the abundance of the heart the mouth speaks.”** So if Jesus Christ is in my heart, guess what's coming out of my mouth? Jesus Christ is Lord. And you confess with your mouth, Jesus Christ is Lord. And *Romans 10:13*, which seals the deal. **“All who call upon the name of the Lord will be saved.”**

So just sum it up. You acknowledge; you know what? If I'm standing before God in my own righteousness, I'm toast with a capital T and a capital toast too because it's as filthy rags before Him. But if I believe in Him and His imputed righteousness, then I will be saved. And all who believe in Him call upon Him, which is just the expression that comes as a result of believing in Him, how can you keep it in? I think about Jeremiah.

One of the lowest points of his life: It's in *Chapter 20* It's one of my favorite chapters in all of the Bible. But, I mean, Jeremiah is really struggling. I mean, he wants out. He wants to quit. He's already tendered his resignation. The only problem is God hasn't accepted it because the problem is prophets, slaves can't quit.

“You're a slave. What, you don't want to be a slave anymore? I bought you. I own you. You can't quit.”

“Yeah, but I don't want to do this anymore. I got death threats on my life. They've thrown me into a dungeon, left me for dead. Nobody listens to me. Everybody talks stink about me. You can't even believe the stuff they're posting on social media about me. I'm done. I've had it.”

And you know God is so gracious and gentle. He just listens. And then Jeremiah, just in this moment, comes to His senses and goes, you know, what was it? What was I thinking? Even if I wanted to, I couldn't. Even if I tried, I couldn't quit. Why? Because Your word burns with like a fire within me. It has to come out.

I've had these conversations with God. I've had *Jeremiah 20* conversations with the Lord more than I would care to admit. Where I'm, like, “God...”

“Really? You thought it would be easy?”

“Yeah, but God, I didn't read the fine print. I know I agreed to the terms of service. I probably should have read them better.”

But the Lord is so faithful, so gentle, just reminding me “I've ruined you for Me.”

I mean, I think about Peter. When he denied the Lord, he was sure he was fired. So he goes back to his fishing business, and he can't even catch a fish. Why? Because God had called him to be a fisher of man. And God's callings are without repentance. He doesn't, He doesn't say, "Okay, you're not called anymore."

No. His gifts and callings are without repentance. He doesn't change. He doesn't — He's not that, you know, wishy washy, you know. Well, that was last week or last year. No. When God calls you, God ruins you. Yeah, even if you wanted to, He's ruined you for Himself.

Today's "But God" testimony comes from Ann Marie Clark, who writes, *[I get a kick - this is a woman after my own heart]* "Hi JD. I need to get this off my chest, so please let me have this. *[She's been listening to me way too long]*

You are my pastor. Period. Please know that after many years of praying for discernment, truth, and biblical guidance, the Lord sent me to YOU! *[No, she capitalized "you"]* I was, admittedly, "questioning" *[She puts in quotations]* His decision at first. *[And then she puts the parentheses]* An Arab? Huh?"

This is why I'm choosing this particular one. Because God chooses the foolish things of this world to confound the wise. My resume: Foolish things, weak to shame the strong. Why does God do that that way? Because then there's no way we, even if we wanted to, could ever try to take the credit for that which He alone has done. The highest compliment and honor for me is when you look at me and go, Wow! If God can speak through YOU, caps, He can speak through anybody. And that's true.

"A decade later [That explains everything] [She's been listening to me for ten years] [This poor woman. Pray for her] there is no question in my mind that He will never, ever let go of my hand."

That should never be a question in anybody's mind today. Whether you're here or watching online, the enemy will try to put thoughts in your mind. He can't read your mind. You take that thought captive into the obedience of Christ and you reject it.

I think God's not very happy with you. I think this was kind of a — I think God's had it up to here with you. I think God is through with you after that. I think you're done. You might as well go back to your fishing business or find something else to do. Sell insurance. If you sell insurance, we thank God for you.

There should be no question. There should be no question mark. He'll never — did Jesus not say, **"Lo, I will be with you always, even until the end of the age." "I will never leave you." "I will never forsake you."**

Do you realize that God — this is — we call it God's word, and we just skip over what that really means. God is giving you His Word. He can't lie. Hebrews says He cannot lie.

Things that are impossible for God to do: It's impossible for God to lie. It's impossible for God to break a promise. It's impossible for God to go back on His Word. You've got His word. He gave you His word. He'll never, ever, ever let you go. It might feel like it, but we don't live by feelings. We live by faith.

I'm already preaching Second Service. Because that's what happens when you're in a disorienting trial. You feel like, "Where's God, man?" Please, I implore you, if you're in that place today, that needs to get settled. That needs to get settled.

So she goes on. "So keep on preaching [*I just addressed that*] Keep on preaching the Way, the Truth, and the Life, JD. Be strong, be steadfast. [*And this was a word for me*] It ain't a so-called "walk in the park."

This is what I called the playground-versus-battleground Christian. Some Christians — I don't want to say this begrudgingly or — I just say it as a — just factually, you know. There are some Christians that are just living in la-la land. It's a — life to them is a playground. And other Christians are fighting for their lives, man. It's a battleground. We're in a war, man.

So she says, "It ain't a so-called "walk in the park." But God. Thank you for keeping us informed about Calvary Kaneohe and updating us going forward. God bless you, JD. Ann Marie Clark, Peterborough, [*I hope I'm pronouncing that right*] New Hampshire. Okay. The end.

Kapono come on up. We can stand up. I'm getting even worse on this smooth landing, yeah? Well, please, as we close in prayer and song, I pray — first of all, thank you for your patience, your grace. You're very gracious to me. I pray that you'll take what we've seen here today to heart. Because this stuff is very real, and it's very now.

Lord, please open our eyes that we might have eyes to see, open our ears that we may have ears to hear, our hearts that we may have hearts to receive. Lord, thank You that the plan that You have for us is glorious beyond mention, beyond anything we could ever imagine.

Lord, I just want to pray, lastly, two things. First, if anyone has been delaying the most important decision of their life for eternal life, that they would make that decision today, and that today would be the day of their salvation. Today.

And secondly, for those that are struggling and just battle weary, man, just buss up, please, Lord, lift us up, encourage and strengthen, remind us, like we're going to see in Second Service, remind us of

what You have planned for us. No eye has seen, no ear has heard. There's no way that we in the finite can comprehend Your plan for us in the infinite.
