# Bible Prophecy Update –February 02, 2021

## *Ten Steps of Genocide*

JD Farag

All right, good morning and welcome to our weekly Bible Prophecy Update. We're so glad that you're joining with us this morning. Today I'm going to talk about the prophetic significance of what's known as the "Ten Stages of Genocide." Yay! And here's why. These "Ten Stages of Genocide" eerily describe with chilling accuracy what's now happening in the world today. After seeking the Lord this last week, I sense that He would have me to devote the entirety of today's update to this subject matter for several reasons.

First, the final stages of the final global genocide described in the Book of Revelation as we'll see here shortly, are not only in place now, they're moving very fast towards their ultimate fulfillment.

The second reason is that particularly here in America, the masses are still enveloped and engulfed in and distracted by what they see as an election deception, so much so that they cannot see the real deception. And that sort of ties into the fourth reason, which has to do with this false hope that many have of returning to a semblance of normalcy, even if it is a new normal, as we're told. You'll forgive me for the bluntness with which I say this, but thinking that way could be akin to the Jews being led to the slaughter under the banner of hoping for a new normal.

The fifth reason is I'm trusting that the Lord will use this update to get Jesus to people and people to Jesus as quickly as possible before it's too late. Jesus is our only hope. He's our only hope. We're fast running out of time, and the clarion call is for people to have their eyes to see, ears to hear, and hearts to receive the gift of eternal life in Christ today. Today's the day of salvation.

I'll liken it to the Titanic. It's going down, and I think we would do well to stop rearranging the deck furniture, as it were. There's no time for that. There's no point in that. It's just a matter of time.

What's already happening now is yet another indicator that the rapture can happen at any time now. Actually, our verse-by-verse study today titled, "Are We There Yet?" which we will livestream at 11:15 a.m. Hawaii time is, as the Lord would have it yet again, exactly about this very thing.

I'm going to be talking about this sense that many Christians have today concerning how close we are to the rapture of the church. There's just this anticipation, a child-like anticipation, if you please, like a little child in the back seat. Are we there yet? Are we there yet? Not yet, we're getting close.

I want to talk specifically about how it is and even what it is that we, as Christians, can do as we long for, watch for, wait for, and are more importantly, ready for our departure in the rapture. Now, before we jump into today's update, I need to for the benefit of our online church address the livestream on our JDFarag.org website and the technical issues that we had last week.

While we know that many are frustrated with us and even some angry at us, we would kindly ask that you instead please, please, please pray for us. You've got to know that the enemy does not want these updates getting out, and as such, the spiritual warfare is off the charts in its intensity. You can't even believe it. Well, maybe you can.

We do have an amazing team; I'm very grateful for them. And they're working tirelessly and diligently to get the site to a place where all of the features are available and simple to access. We're asking for prayer specifically concerning our efforts to provide closed captioning. We know that's a biggie, a lot of hearing impaired, also the downloading and sharing of the videos, TV broadcasting. We have a number of people that have home churches, home groups, home fellowships, and so we're working towards that. We covet your prayers for that.

Also, the archive teachings; we're in the process of getting everything to this site, including even transcripts of the updates and the teachings as well. So please, we would just ask that you pray for us in that regard. This as we continue livestreaming only the introduction to and explanation of the Prophecy Updates on YouTube and also on Facebook.

So we'll begin livestreaming the update, and then we're going to end the livestream here on YouTube and Facebook. And then it's our hope that our subscribers, especially new subscribers, which we have many will continue watching this live at JDFarag.org. Actually, we'd encourage you to make JDFarag.org the go-to from the start, for the complete and uninterrupted and uncensored Prophecy Update.

Lord willing, we intend to remain on YouTube and other social media platforms for a long as we can to reach us many as we can. We do see the handwriting on the wall, so to speak, and it's just a matter of time. Now it's the updates that gets censored, but soon, if the Lord should tarry, hope He doesn't, but even Bible teachings will at some point be censored as well.

So all right, if you'll kindly allow me to, we're going to begin as we always do with the Word of God. And we do so in order to establish a firm foundation as the basis upon which to understand. And as always, I would encourage you to search and examine the scriptures for yourself and see if what I am saying is true or not. This is Act 17:11, where we're told that the Berean Jews were of more noble character than those in Thessalonica, and here's why. "For they received the message with great eagerness and examined the Scriptures every day, daily to see if what Paul said was true," and that's what I want you to do.

Let's start with Revelation, Chapter 6, beginning in verse 4. "Another horse, fiery red, went out. And it was granted to the one who sat on it to take peace from the earth, and that people should kill one another, and there was given to him a great sword."

Verses 5 and 6, "When the Lamb opened the third seal, I heard the third living creature say, "Come." I looked, and there before me was a black horse. Its rider was holding a pair of scales in his hand. Then I heard what sounded like a voice among the four living creatures saying, "Two pounds of wheat for a day's wages and six pounds of barley for a day's wages, and do not damage the oil and the wine."

Verses 7 and 8, "When the Lamb opened the fourth seal, I heard the voice of the fourth living creature say, "Come." I looked, and there before me was a pale horse. Its rider was named Death and Hades was following close behind him. They were given power over 1/4 of the earth to kill by sword, famine, and plague and by the wild beasts of the earth."

Revelation 8:8-11, "Then the second angel sounded and something like a great mountain burning with fire was thrown into the sea and a third of the sea became blood, and a third of the living creatures in the sea died, and a third of the ships were destroyed.

Then the third angel sounded and a great star fell from heaven, burning like a torch, and it fell on a third of the rivers and on the springs of water. The name of the star is Wormwood. A third of the waters became wormwood, and many men died from the water because it was made bitter."

Revelation Chapter 9, beginning in verse 15, "And the four angels, who had been kept ready for this very hour and day and month and year were released to kill a third of mankind."

Then, in verse 18, we're told that "A third of mankind was killed by the three plagues of fire, smoke, and sulfur that came out of their mouths."

Revelation 20; how you doing so far, you okay? Hang in there; this ends well, by the way, just so you know. Revelation 20:4, "And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for their witness to Jesus and for the Word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years. That's the millennial reign, the Kingdom Age.

Revelation Chapter 7:9, "After these things I looked, and behold a great multitude which no one could number, of all the nations, tribes, peoples, and tongues standing before the throne and before the Lamb, clothed with white robes, with palm branches in their hands." Who are they? Oh, I'm so glad you asked.

Verses 13 and 14, we have the answer. "Then one of the elders answered, saying to me, 'Who are these arrayed in white robes and where did they come from?' And I said to him, "Sir, you know." So He said to me, 'These are the ones who come out of the Great Tribulation and washed their robes and made them white in the blood of the Lamb.'"

Last one, Matthew, 24:21-22. Jesus is speaking, and He says, "For then there will be Great Tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. And unless those days were shortened, no flesh would be saved. But for the elect's sake, those days will be shortened."

Now the reason I wanted to start with these specific scriptures is because they all collectively describe a global genocide. While we're

not told the number of people killing one another in Revelation 6:4, it does seem that the great sword would be an indication of a great number.

Then, when the third seal is opened in verses 5 and 6, we can surmise that there will be additional deaths by virtue of this great famine in the face of it taking an entire day's wages just to buy the ingredients to make bread. That's called hyperinflation.

Add to these deaths the opening of the fourth seal in verses 7 and 8, where we're told that an additional 1/4 of what's left of the world's population will be killed by sword, famine, and plague, plague, and by the wild beasts of the earth.

So let's just say for purpose of discussion that the population of the world today is well-nigh 8 billion, with a B, right? Isn't 1/4, just again for purpose of discussion, 1/4 of eight billion, two billion? Am I right; why are you looking at me like that?

My math is right, right? Two billion. That's 1/4. That presupposes, of course, a population remaining at this time when this fourth seal is opened. Two billion people. Two billion people.

Yesterday, I happened upon a quote from American futurist and author Barbara Marx Hubbard, who was the co-founder and president of the Foundation for Conscious Evolution. Hubbard theorized that humanity was on the threshold of a quantum leap...

This is New Age, the Great Reset, by the way. ...if newly emergent scientific, social, and spiritually capacities were integrated to address global crises. Here is what she stated, and I quote. "One-fourth of humanity must be eliminated from the social body. We are in charge of God's selection process for planet Earth. He selects, we destroy. We are the riders of the pale horse, Death."

Wow, I just have no words, and for me, that's a miracle to have no words, to be speechless. I have to insert some levity or else I'll start weeping. In addition to 1/4 of the population being wiped out, Revelation 8:8-11 tell us that many people, again, we don't know how many are going to die from the destroyed ships and what appears to be the poisoned waters. Then you get to Revelation 9:15-18 where we're told that an additional 1/3 of what's even left of the world's population at that time, 1/3 is killed.

Jacques Cousteau, filmmaker, explorer, and underwater world researcher, stated, and again, I quote, "In order to save the planet, it would be necessary to kill 350,000 people per day. Our society is turning toward more and more needless consumption. It is a vicious circle that I compare to cancer. Should we eliminate suffering, diseases?"

The idea is beautiful but perhaps not a benefit for the long term. We should not allow our dread of diseases [diseases], to endanger the future of our species."

Speak for yourself. I was created in the image of God. "In order to stabilize world population [still quoting] we need to eliminate 350,000 people a day. It is a horrible thing to say, but it's just as bad not to say it.

The United Nations' goal is to reduce population selectively by encouraging [listen to this] abortion, forced sterilization, and control of human reproduction, and regards 2/3 [interesting] of the human population as excess baggage.

With 350,000 people to be eliminated per day, population growth is the primary source of environmental damage." Interesting, connecting those dots, yeah?

Doubtless many of you know about these Georgia Guide Stones. They are a granite monument erected in Elbert County, Georgia 40 years ago, back in 1980. What's interesting about these guidestones is their anonymity in terms of who authored them and their apparent advocacy of population control, eugenics, and internationalism, which have made them an object of controversy, and conspiracy theories. You think?

This for a number of reasons, not the least of which is this photo of the engraving on one of them reading, and I quote, "Maintain humanity under 500 million in perpetual balance with nature. Guide reproduction wisely - improving fitness and diversity."

Perhaps one need look no further than to Revelation 7:9-14 to see that this great multitude may be part of this satanic plan to both reduce and maintain the world's population. I suppose it should come as no surprise that of the Great Tribulation, Jesus would say, "Unless those days were shortened, no flesh, [flesh, humanity] would survive."

It's important to understand that these prophecies in the Book of Revelation are in motion now prior to the seven-year tribulation, and the reason I mention that is because seeing these begin, keyword "begin" to come to pass now is evidence of just how close our redemption is now.

Listen to what Jesus said in Luke 21:28. "Now when these things begin to happen, look up and lift up your heads because your redemption draws near." When you see them begin to happen, look up, lift up your heads.

Now the question becomes one of okay, how can we be certain that this is the beginning of those things coming to pass, that this is, in fact, the beginning of the end, given that there have been genocides throughout history, chief of which was the Jewish Holocaust.

Some at that time thought it was the end by virtue of the belief that Adolf Hitler was not just an Antichrist but actually the Antichrist. I suppose in all fairness, one could argue that what we're seeing today is yet another one of those periods of time that will eventually fade into the pages of human history.

But we have a problem, and the problem is that with this mindset, one is led to what's known as "normalcy bias," and this under the banner of well, it didn't happen then, so it's not going to happen now.

Let's define normalcy bias. It's a mental state people enter when facing a disaster. It causes people to underestimate both the possibility and the likelihood of a disaster occurring, and this leads people to disbelieve or minimize threat warnings.

Thus, the normalcy bias, which some estimate – this is interesting to be about 70% of the population, which to me explains a lot. It causes them to not adequately prepare for catastrophic events like natural disasters such as earthquakes and ensuing tsunamis or wars, pandemics, and even motor vehicle accidents.

The assumption that is made in the case of the normalcy bias is that since a disaster never has occurred, then it never will occur. It also results in the inability of people to cope with a disaster once it does occur.

People with a normalcy bias have difficulties reacting to something they have not experienced before. People also tend to interpret warnings in the most optimistic way possible, seizing on any ambiguities to infer a less serious situation.

You probably already know where I'm going with this, so I'll get right to the point. Yes, the end didn't come then, but that does not mean it couldn't or wouldn't come now.

And the reason being is that the Holocaust was a Jewish genocide, whereas according to Bible prophecy, what's coming and may in fact already be here is a global genocide, not just a Jewish genocide. Furthermore, it was after the Jewish Holocaust that Israel was reborn as a nation, fulfilling what is arguably amongst the most significant prophecies in all of the Bible.

Isaiah, 66:8, "Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day? Or shall a nation be born at once? For as soon as Zion was in labor, she gave birth to her children."

Ezekiel, the prophet, chapter 37 beginning in verses 1-3, "The hand of the Lord came upon me and brought me out in the spirit of the Lord and set me down in the midst of the valley, and it was full of bones. Then He caused me to pass by them all around, and behold, there were very many in the open valley, and indeed they were very dry.

And He said to me, "Son of man, can these bones live?" So I answered, this is a good answer, by the way. "Oh Lord God, You know." I don't know; You know.

Then in verses 11 and 12, we read, "Then He said to me, Son of man, these bones are the whole house of Israel. They indeed say, "Our bones are dry, our hope is lost, and we ourselves are cut off!"

Therefore, prophesy and say to them, "Thus says the Lord God: 'Behold O, My people, I will open your graves and I will cause you to come up from your graves, and bring you back into the land of Israel."

Watch Me now! That's not in the original, the last part, but this was fulfilled.

This prophecy began its fulfillment in one day, that day, May 14, 1948. Now fast-forward some 73 years later, and I'm going to say it this way: We see this beautiful marriage between Bible history and Bible prophecy.

And let me explain what I mean by that. Once Israel was reborn as a nation and they, keyword, "began" returning to their land, the prophetic time clock started ticking, so much so after Jesus said, "When you see these things begin to happen..." He then goes on to teach a powerful prophetic parable.

I'll draw your attention back to Luke 21 beginning in verse 28. "Now when these things begin to happen, look up and lift up your heads because your redemption draws near."

Then we're told in verse 29, "He spoke to them a parable. Look at the fig tree and all the trees. When they are already budding, you see and know for yourselves that summer is now near. So you also when you see these things happening, know that the Kingdom of God is near. Assuredly I say to you, this generation that sees that will by no means pass away till all things take place. Heaven and earth will pass away, but My words will by no means pass away."

Okay, I share all that to say this: All that Bible prophecy told us would happen has happened, pointing us to what may very well soon happen, sooner than any of us may even think.

Enter the aforementioned prophetic significance of the "Ten Stages of Genocide," and they're chilling parallels to what's happening now. At this time, we're going to end the livestream here and redirect those who aren't already there to JDFarag.org for the uncensored remainder.

I first learned of the Ten Stages of Genocide from online members who sent me links and videos. And after I vetted them and researched this, I found that it was written by a Gregory H. Stanton in 1996 as the founding president of Genocide Watch.

At the time, he presented a briefing paper called "The Eight Stages of Genocide" at the United States Department of State. While it's unclear whether or not this was a government operation, it does seem that the Stage is presented are very accurate, as evidenced by history, and I would suggest even prophecy.

In 2012, Stanton added two additional stages to his model, which resulted in a 10-

Stage model of genocide. Now it's important to understand that the stages are not linear and usually occur simultaneously, and that's very important, so hang on to that.

Before we go through these 10 stages, I think it's incumbent upon me to go on the record and state that I truly believe the COVID-19 vaccine will at the very least in part bring about this global genocide. And if you'll hang in there with me, I'll explain why I say that and believe that. Here are some excerpts from an 11-page, downloadable PDF file, which we provided a link to titled "The COVID-19 Genocide of 2020."

"COVID-19, [quoting] was long pre-planned in documents and simulation exercises emanating from the eugenicist Bill Gates and the Rockefeller Foundation, a platform with 200 detailed levels is provided by the World Economic Forum led by Klaus Schwab, a technocrat and promoter of transhumanism known as the Fourth Industrial Revolution, by the way, in order to provide detailed instructions on how the COVID-19 pandemic is to be used to implement a global monetary reset and digital currency, technocracy, and totalitarian government worldwide under the guise of socialism and environmentalism, and enslave humanity through a sinister vaccine conspiracy.

It is a de-population and military weapon and facilitates the introduction of technocracy and totalitarian control by enabling surveillance, facial recognition, 24/7 monitoring of individuals, mind and body control, and in combination with vaccines and chemtrails, chemtrails containing nanoparticles, the torture or murder of targeted individuals.

Illegal legislation has been put in place in numerous countries to remove civil liberties, to destroy economies, to close down small-and-medium-sized businesses, to separate, isolate, and terrorize family members, to impoverish people, including by destroying jobs, to remove children from their families, to intern dissenters in concentration camps, to grant immunity to government operatives to commit murder, rape, and torture, to use the police, army, and mercenaries to control populations, and to force vaccinate populations with a non-medical vaccine containing population-control mechanisms without their informed consent.

Pictured here is a screenshot of [ExposingVaccineGenocide.org](http://ExposingVaccineGenocide.org) that I would encourage you to check out. In the "About Us" they state, quote, "Medical Veritas International Inc is a California-based nonprofit educational organization advancing the Medical Veritas Foundation as the world's leading opponent to vaccination genocide."

The quote on the Home Page is from the Editor in Chief Dr. Leonard Horowitz, who under the heading of "limitless murders" says, quote, "Vaccines, the 'Sacred Cow of Public Health,' are 'genocidal weapons for mass depopulation'."

Another website I'd encourage you to check out, we have all these links, is [VaccinesAndChristianity.org](http://VaccinesAndChristianity.org). Pictured here is a very

informative page titled “The Vaccine Genocide Chronicles: Part 4: Covert use of Abortion-causing Vaccines Around the World.”

I forget when it was; it was a few months ago now. I did an update devoted to brainwashing and pre-programming in entertainment, movies, television programs, even children's cartoons, and the common denominator with all of them was this virus and then they have the vaccine as the solution.

It's all pre-programmed in all of it, you know, with everything that I've learned about all of this, I can't watch movies anymore. Maybe that's a good thing, I don't know, even TV. I can't even watch the news anymore because it's all propaganda. It's all preconditioning pre-programming, that's all it is.

It's with this information that I think we're now ready to tackle the Ten Stages of Genocide. Are you okay? And in so doing, we need to view it through the lens of COVID-19.

Okay, so what follows comes from a 9-page, downloadable PDF file, which again, we've also provided a link to of these Ten Stages of Genocide by Gregory H. Stanton. I'd like to go through these by first listing this stages and then their characteristics. And then after that, I want to connect the dots of their prophetic significance to what's happening now. I mean, precisely exactly what's happening.

Now let me just say real quick one more thing before we jump in: normalcy bias. May I humbly and kindly ask that if you are prone to this normalcy bias, I would just ask that you allow the Holy Spirit to assist you, enable you to comprehend that which I'm about to share with you.

Stage 1: Classifications. This is where you divide people into us and them, and you do so in the arenas of race, religion, and certainly politics. I think you would agree that the world today is divided like never before: Black against White racially, religiously, and especially politically. This is the first stage for a reason, because it leads to and is the foundation from which the others springboard off of.

Stage 2: Symbolization. Names and or symbols are given to these classifications, like with the Yellow Star for the Jews may very well be one's mask as a symbol of defiance. See right now the mask is compliance. But now with the vaccine, you wear a mask that's defiance because what you're saying is I'm not going to take the vaccine. So you have still wear a mask them and that becomes the symbol.

So on the way to church this morning, I got stuck behind a bus. It was deliberate; I'm pretty sure it was a messenger of Satan sent to buffet me and slow me because it was going so slow. I'm like Lord, really? So I just prayed don't let my sanctification flee from me, as it usually always does when this happens. I've shared with you; I've been very open with you about my carnality and traffic.

## Bible Prophecy Update –February 02, 2021

### *Ten Steps of Genocide*

JD Farag

And so... but so you know that has that LED display on the back of the bus? No mask, no ride. And the thought came to me in anticipation of today's prophecy update. It may not be too long before they have to change that S to an R. It's one letter away. No mark, no ride.

Stage 3: Discrimination. The classified and symbolized will be discriminated against and denied freedom. I believe that those who will refuse the vaccine will be discriminated against, already are, and denied freedom from the current Covid restrictions.

Stage 4: Dehumanization. This is where people's humanity is denied, and as in the case of the Jewish Holocaust, they were equated to vermin, and here's why. And here's why I believe it's happening now. There's this current dehumanization which always lends itself to justifying genocide vis-à-vis the victims not really being seen as human. That's what's happening, it's a dehumanization.

Stage 5: Organization. Special Army units and militias are trained, armed, organized, and mobilized. You know what's sad? People don't realize that this is exactly what is happening now on a global basis. They are organizing to control the masses.

Stage 6; I want to spend just a little bit of time on this, if you'll indulge me: Polarization. People are driven apart by broadcasting propaganda that reinforces prejudice and hate, targeting, intimidating, and silencing individuals or groups. Hear me out. To me, and this is heartbreaking, this stage is fast-reaching its intended end, with even Christians and churches and shamefully pastors now spewing hate in their polarization.

I was thinking about this, this last week. You know, I get sent a lot of videos, and I try to prioritize which ones the Lord, with the time that I have, would have me to watch and look into. But I got to tell you, I was on the receiving end of some just, I mean, I was so grieved, I just...I wept. I mean, just with a sorrow, a grief, a sadness.

When pastors, either from the pulpit or with a YouTube video start turning their attention to viciously attacking and slandering another brother in Christ because they hold a different view. This is why it is, by the way, and I hope you don't tire me saying this because I'm going to continue to say it.

What is happening right now is Satan. We wrestle not against flesh and blood; our battle is not against people. It's against these principalities, these powers of darkness. What Satan has done and what's been met with a measure of success in the demonic realm is he has gotten us, God's people no less, to classify "them" as "you fill in the blank." Oh, they're Democrats. No, they're not. That might be what their political persuasion is, but that's not who they are.

You know who they are? They're soul that Jesus loves and that Jesus died for. And you ready for this? He loves them as much as He loves you. How about that? Shame on you. Christians calling them demon

## Bible Prophecy Update –February 02, 2021

### *Ten Steps of Genocide*

JD Farag

rats. Wow, they did a number on you. The enemy got you, didn't he? Left versus Right. Black versus White. STOP!

And here we've got pastors; I'm going to talk about pastors that are arguing with the saved and at the expense of reaching the lost! People are dying and going to hell. Jesus is coming! The trumpets about the sound and you're fighting with the saved? Boy, Satan gotcha! He really did a number on you. Repent, repent!

And make no mistake about it; I'm sorry, but the world's watching. And they see pastors doing that. They see Christians posting on social media, spewing polarized hate. How are you -- I want to ask you genuinely, I want to know because I don't know how it's possible. I know it's not possible how, after doing that, are you going to share Jesus with them?

How are you going to get Jesus to them? How are you going to get them to Jesus after you just did that and posted that? Shame on you! You've been polarized, and they're now being dehumanized, classified, labeled, categorized. They're no longer a human being made in the image of God that Jesus loves and Jesus died for.

And by the way, whether you like it or not, Jesus wants them saved more than you do. In fact, you might be like Jonah, if they got saved, you'd get mad. I'm going to leave that one right there, I'm not taking that any further. I think you got the point, right? That's hate. It's called hate.

This is why it is now when I see people, I don't see them as, lōlō, Haole, no. They're either lost or they're saved. Man looks at the outward appearance, but God looks at the heart, and that changes everything, by the way.

Instead of being angry at them, having hatred toward them, I have compassion for them. That's the heart of Jesus.

Whew, Number 7: Preparation. This is the stage in which planning and preparing is in full swing, for the, dare I say, quote "final solution." This COVID-19 vaccine, I believe, is what they prepared for "The Final Solution."

On April 23rd of last year, Bill Gates, while on the Late Show with Stephen Colbert of the vaccinations, said, and I quote, "And then the final solution is the vaccine. So we've got to go full speed ahead." After he said this, Stephen Colbert then said quote, "Just to head off the conspiracy theorists, maybe we shouldn't call the vaccine "The Final Solution," maybe just "The Best Solution," to which Gates just kind of smugly laughed it off and said, "Good point."

(Laughing manically)

Emphasis added.

Gates then restates its saying, quote, "The return to normal" solution.

Stage 8: Persecution. In this stage, there is forced displacement in concentration camps. Like with the Jews then, it's just a matter of time now before the masses will be forced into concentration camps or alternate health facilities. By the way, it's already happening, and it's under the guise of quarantine, for public health safety.

Stage 9: Extermination. In this stage, the extermination is carried out on those victims of dehumanization. Again, I am personally of the belief that those refusing the mark of the beast will be amongst the multitudes who are killed, exterminated, except as we're told in Revelation 20:4, those rejecting the mark of the beast, the worshiping of the beast will be beheaded, and I believe this will be done by way of guillotines.

Stage 10: Denial. In this final stage, the perpetrators deny they've committed any crimes, and it usually sounds something like this: I was just following orders. Suffice it to say the list of Holocaust deniers seemingly grows by the day, and this is exactly what is happening in our day.

But God. Boy, probably should have got to the "but God" a little bit sooner maybe, huh? But God as only He can makes the evil and the wrath of man to praise Him. What's intended for evil God, as only He can, works it for good.

Psalm 76:10 says, "Surely the wrath of man shall praise You. With the remainder of wrath, you shall gird yourself." In Genesis 50:20, my favorite, along with all the favorites, Joseph, speaking to his brothers, says, "But as for you, you meant evil against me, but God meant it for good in order to bring it about, as it is this day to save many people alive."

It is my belief, and it's certainly been our experience that God is choosing, and using COVID-19 to bring many people to salvation, people that would not have otherwise come to Christ had it not been for the wrath and evil plan of man. The devil's God's devil, and God will never allow the devil to do anything unless in the end, it's for His glory and our good.

And God, as only He can is taking this evil, and it's evil, and he's working for good. He's choreographing the steps, He's orchestrating all of the circumstances, so that in the end He is glorified and praised and worshiped and people are saved. And it's happening, it's happening, it's happening.

I don't think we have any idea what awaits us in heaven when that trumpet sounds at the rapture and the dead and Christ rise first, and we who are alive and remain are caught up to meet the Lord in the air, I don't think any of us can even begin to wrap our minds around the multitudes of people that God saved because of this, because of this, as only God can.

You know, this is why we do these updates. It's why we've been doing them since 2006, actually, on YouTube since 2008. It's also why we end

with the Gospel, the good news of salvation in Jesus Christ. And it's also why we end with the simple, childlike explanation of salvation by way of the ABC's of salvation.

What's the Gospel? What does that mean? 1 Corinthians, Chapter 15, the first four verses, the Apostle Paul describes what the gospel is. The gospel is that Jesus came, He was crucified, He died for us instead of us. He was buried, and then on the third day, He rose again.

When he writes the church in Thessalonica, he says, the gospel is that Jesus came, He died, He was buried, He rose again, and He's coming back again soon and very soon. That's the good news.

What are the ABC's? Well, the ABC's are just a simple explanation, template, tool, if you prefer, by which you can share with someone how to be saved.

The A is for admit or acknowledge that you've sinned. And then when you do that, you acknowledge your need for the Savior.

Yeah, Roman 3:10 says, "There is no one righteous, not even one."

And Romans 3:23 tells us why. It's because "All have sinned and fall short of the glory of God."

Romans 6:23 says that there's a penalty, it's the death penalty, "For the wages of sin is death." But here's the good news. "The gift of God is eternal life in Christ Jesus our Lord."

That's the A; here's the B, very simple. "Believe in your heart that Jesus Christ is Lord and that God raised him from the dead."

This is Romans 10:9-10. It says, "if you believe in your heart that God raised Jesus from the dead, you will be saved." And then lastly, the C is for "Call upon the name of the Lord," or as Romans 10:9-10 also says, "Confess with your mouth."

"If you confess with your mouth Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved, for it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved."

And then lastly, Romans 10:13. By the way, I celebrated my -- I'm only 38 years old. I just got a lot of miles on me. I'm only 38 years old in Christ. That's my spiritually birthday this year, this month, actually. Praise the Lord, praise the Lord.

That was the day that Romans 10:13 which says, "All who call upon the name of the Lord, will be saved," that was the day that I became an "all" and I did call upon the name of the Lord, and I was saved that day 38 years ago. I look good for 38, don't you think?

If you don't mind, I want to share three testimonials from online members. These have been such a great encouragement to many, and I want to start with this first one.

"Hi, Pastor JD and staff. I am writing to you from Oshkosh, Wisconsin. I very much look forward to the Prophecy Update every week. I have shared your videos with my Wednesday Women's Bible Study group and many others. One in particular is my very dear friend, coworker and more importantly, my sister in Christ, her name is Tiffany. And God has gifted her with beautiful creativity.

Her latest creation is the light up ABC's of salvation as shown here. Yes, the white stuff is snow, just so you know, right? We get a lot of that here in Wisconsin. Tiffany spent many hours gluing each light in place, accordingly. She even invited her mom, an unbeliever, over for crafts, and her mom had the pleasure of reading the ABC's as it was right in front of her all day long. Pray for her salvation, please. Yes, Lord.

Tiffany watches your videos regularly. Feel free to share the below picture if you feel led to. I gave her a warning I would email you. Maybe someday we will get to see you in person before the rapture, then again, maybe not. Either way, Praise Jesus. Thanks again, Jessica Schwartzmiller."

The second one, "Dear Pastor JD, hi. I just want to first say thank you. Since my mom turned me on to you a few months ago, I have gotten much closer to the Lord again, and even starting to feel the Holy Spirit at work. I have watched so many of your services and Prophecy Updates, some of them I've watched over and over.

Because of that, I feel my faith in relationship with my Lord Jesus Christ getting stronger every day. I am spreading the ABC whenever I can. After listening to ideas that some of your other online members have come up with, I decided on a few different ways to get the ABC's to people.

The first thing I did is I made this bookmark in a laminated cover. I have been sending these out to anyone I know. Then it came to me. I said, "Ma, you can give the ABC's to all your neighbors by sticking them under the door. You never know who will be saved by just doing that."

Mom lives in a building for older peeps with 100 units. She was excited to report to me today that she left some in the community room, gave one to my brother, and his barber.

I'm sure you have many requests, but if the Holy Spirit nudges you to act on my email, then please feel free to give out my email address. You know not what you ask. It's on the screen, the link is below. I will send anyone who requests a free bookmark with the ABC's of salvation. God bless, Janet."

And there's the email.

This last one, very moving, comes from Gloria Tanner, who writes, "Dear Pastor Farag. I started listening your prophecy updates a couple of years ago.

Honestly, when it came time for the ABC's of salvation, that is when I would stop listening. I'm a Christian, and so I thought I didn't need to hear it. Then one day I decided to listen to the end, and you also shared unique ways others were using the ABC's of salvation to share the gospel. I was convicted about reaching others for Christ.

My son Tim went on to his heavenly home five years ago this June due to a motorcycle accident. Shortly thereafter, I had cards made up to use for random acts of kindness in his honor, which led people to a website I had created called "Tim Tanner: Life by Faith."

After hearing about what others were doing with the ABC's, God prompted me to change the card and add an additional one. One card is for when I do random acts of kindness, and the other is just to pass out as God leads. Both cards have the ABC's of salvation on the back. I have also added the link to your Web page that explains the ABC's of salvation through Tim's website.

Tim had not been living for God even though he accepted Christ at a young age. But God had a divine appointment for Tim about 10 months before his death. Tim had a strong desire to have others come to know the joy and happiness he found in Jesus. Tim has two little children who were only 1.5 years and three years old at the time of his death. One thing the older one remembers about his daddy is that he prayed with him.

A woman came up to me at Tim's memorial service and said you couldn't meet Timmy Tanner and not know that he was in love with Jesus. I'm so excited that I could pass on Tim's love for Jesus through the ABC's of salvation, and how it has now given me away to honor him, but that will also bring others to a saving knowledge of Jesus.

Oh, and by the way, I always listened to the very end now.

That's a good thing, by the way. Why don't you stand? We'll have the worship team come up. We'll close in prayer once they do.

Maybe you're here today in this service, maybe you're watching online, and truth be made known, yeah, you'll forgive me for saying it this way, but this kind of scared the H-E-double-toothpicks out of you. Is that okay if I say it like that?

Well, I think it's better to scare people into heaven than flatter them into hell. And by the way, I don't have permission from the Lord to kind of soften it up and water it down.

This is the warning of a watchman who sees what's coming, what's already here. And God has called me to sound the alarm to blow the trumpet, and warn the people so that nobody's blood is on my hands. It's not on me because I sounded the warning. This is what's happening, this is what's coming.

The Ezekiel prophecy concerning the watchman who doesn't warn the people, the bloods on his hands. Here's what my fear, if I could say

it like that is, and I'm almost done. I appreciate your patience, just bear with me.

My fear is this: Even this side of heaven but certainly in heaven, were this to be possible, my greatest fear is that someone would come up to me and say to me, "Why didn't you tell me? Why didn't you tell me? Why didn't you say something? Did you not love me enough or care enough to let me know this?" That sends chills up and down my spiritual spine, if you will.

The warning is sounded. The Lord is coming. The Lord is coming soon and very soon. Let's pray. Father in heaven, I thank You so much. Thank You so much for Bible prophecy because it's that which we need to know so we can look up and know that our redemption draws ever so near.

Lord, I pray for anyone that is watching this online, or maybe even is here that has never called upon You, trusting in You, believing in their heart, confessing with their mouth, "You are Lord, You are Savior."

Lord, I just pray that the enemy would in no way cause any delay, for the most important decision in one's life for eternal life. I pray that decision is made today, right now. Today is the day of salvation.

And Lord, Maranatha, come quickly, Lord Jesus, in Jesus' name, Amen.
