The Great Awakening

Pastor JD Farag

How am I doing? That was good, right? Good morning and welcome to our weekly Bible prophecy update. We just had a little bit of fun before we went live so don't mind us.

As I mentioned the last couple of weeks, today, I am going to address the QAnon movement specifically, as it relates to what's known as, The Great Awakening. Now please know that I'm keenly aware of the many Christians that are involved in this, followers of this, or even just get information from this. As such, it is not my intention to pass judgment on those who do but rather it is my intention to explain why it is that I believe said, Great Awakening, may in fact be a great deception.

For those who are unfamiliar with QAnon, it stands for Q, the letter Q Anonymous. QAnon is purported to be a military intelligence operation that provides hints to open source information pointing ANON or anonymous researchers to what are known as "Q drops". Q began posting back on October 28th, 2017, and since then has garnered many followers who decipher the coded information in these Q drops.

As for "The Great Awakening", it's a term coined by QAnon to suggest that the general human population is waking up during this time period to the fact that the power structures have been intentionally keeping them domesticated and controlled like sheep. To those who are wondering why it is that this rises to the level of devoting an entire update, to QAnon, I have three reasons for doing so at this time.

#1. I'm doing this out of obedience to what I believe the Lord would have me to do.

#2. The QAnon movement has become a source of division and confusion within the body of Christ and sadly it's even dividing families and splitting marriages. Since I first mentioned this a couple of weeks ago, I've been on the receiving end of several emails from online members, who are just pleading for prayer concerning their wife, their husband, their son who is all caught up in this, and it is just tearing their family apart. It is tearing their marriage apart as well. Very divisive and confusing as well.

#3. The third reason and perhaps, more importantly, a sense of conviction from the Holy Spirit concerning my integrity before the Lord. Such that I could no longer avoid the proverbial "elephant in the room" as it were. By that, I mean for me to not speak up at this time would be disingenuous at best and dishonest at worst. Furthermore, the swiftness with which everything is happening today, in the world, is most unforgiving of remaining silent any longer concerning the much-needed warning about what is coming.

In Ezekiel 33, God commands the watchman on the wall to warn God's people of what's coming lest he has their blood on his hands. If he warns them about what's coming and they don't take heed then it's on them and not the watchman. I suppose I could be rightly accused of having a sanctified selfishness in this regard, notice I sanctified the selfishness, knowing that I won't have anyone's blood on my hands when I give an account to God because I sounded the alarm, I blew the trumpet, and I warned God's people. Now it's not on me. I did that which God has called me and even commanded me to do and that is to warn you concerning this.

By way of a preface, I'm going to approach this the way I approached the unveiling of the long-anticipated Deal of the Century. The reason is I knew that after reading the 181-page plan that I was going against many Christians who believed that the peace plan was good. In so doing I found myself in the very uncomfortable position of the student in an experiment to get him to agree that $2 + 2 = 5$. Let me explain this one.

Bible Prophecy Update: July 19th, 2020

The Great Awakening

Pastor JD Farag

Many, many years ago I heard about this experiment. They conducted experiments like this. This particular one, they had a classroom of young students and everybody was in on the experiment except for one student. The teacher would write on the board something like $2 + 2 = 5$ and then all of the students who were in on it would raise their hand in agreement. Except for that one student who wasn't in on it, the one student which the experiment was on to see the power of peer pressure.

Can you imagine? I mean that's so cruel first of all but can you imagine? You're sitting there in the classroom and the experiment is on you. The joke is on you as they say. You're going, $2 + 2$ doesn't = 5. You're looking around at all your classmates and they're all raising their hand, and then they're looking at you and you're like, I'm the only one not raising my hand.

Then sadly under the crushing weight of that peer pressure, the student because he doesn't want to be the only one. They're all looking at him like, hello? You're the only one not raising your hand. Yeah, but $2 + 2$ doesn't equal 5; It equals 4. So, he, I'm going to use this word for lack of a better one, he sheepishly raises his hand because the pressure was too great. Because he wants to go along with the crowd and doesn't want to be the only one to say, hey, this doesn't add up.

And that's how I felt with the Deal of the Century. I read the entire plan. I even had some help with some of the technical stuff that was in the plan. The Lord knows my heart, I wanted it to be good. I tried inside and out, every which way I could to find that this plan was good. When I got to a certain section and I realized that it was the section on "End of Claims; End of Conflict", which basically says both the Jews and the Palestinians have to end their claims on Jerusalem in order to end the conflict.

That's a problem and it divides the land. So instead of raising my hand, I didn't put my hand up, I put my foot down. Back on February 2nd, in that prophecy update, I stated that the Deal of the Century was in fact a plan to divide Jerusalem and the problem is of course according to the prophecy in Zechariah 12:1-3, anyone trying to divide Jerusalem will themselves be divided.

So as a watchman on the wall that was the warning concerning what I saw coming, which is why I sounded the alarm. Knowing that I was going to get a lot of push-back from those who did not see the plan as dividing Jerusalem, I made the following statement. This is back on the February 12th update, I said, quote, "Time will tell, and if this is indeed the intent of the plan, then we will likely witness the dividing of America very soon."

I mean, wow, as I had suspected it happened, is happening and fast, which to me is a confirmation that the plan does in fact divide the land. The reason I'm approaching QAnon in this way is because once again, time will tell. If this movement is indeed good, and of God, and I've got it wrong? Then I will publicly humble myself and ask for forgiveness from this pulpit as I have several times over the years.

However, if I'm right, I don't need to be right. In fact, the Lord knows my heart. So often I wish I wasn't right, I wish I was wrong. But if I'm right then I would argue that it shouldn't be too long before the great awakening is seen for what it is which in fact is, I believe, the great deception.

Kindly allow me to address a statement I made during the July 5th update concerning QAnon being a cult. Perhaps it would be helpful to define what a cult is according to the Merriam-Webster Dictionary. Webster defines a cult as a great devotion to a person, idea, object, movement, or work. I mention that because it seems that not only is there a great devotion to the Q movement, there is now more recently those reciting the QAnon oath.

In response to part of a QAnon related meme called, "Take the Oath", which went viral after Q Drop Number 4510 on June 24th, pictured here, from the official qmap.pub site which reads, "Take the oath. Mission forward," under the heading of "Digital Soldiers Take the Oath and Serve Your Country." Now on the surface, this would seem to be a very good thing, right, that we as Christians should want to be a part of and support?

However, when you look deeper into this, what you'll find is that it is Antichrist in the sense that it's in place of Christ. Antichrist does not just mean, "against Christ". It actually also means, "in the place of Christ". If you'll kindly hear me out, I would like to explain how I get there.

What follows are what's known as Q Drops from the official Q website at the aforementioned qmap.pub that to me are very telling. I want to draw your attention to the actual Q Drops, then I want to quote from Scripture in relation to that specific Q Drop. I hope to demonstrate and illustrate how these posts very subtly are designed to lead people away from Jesus instead of leading people to Jesus.

Let's start with this 1st one. It's Number 1797, these drops are all numbered and it says, "Sheep No More". Now, this is a very well-known one from Q and is usually couched in terms of people being "sheepeople". However, that's what Jesus said we are. So, if I'm "sheep no more" does that mean that the Lord is my shepherd no more? We are likened unto sheep and we are His sheep and the Lord is our Shepherd.

In John's Gospel Chapter 10 verse 11, Jesus said, "I am the good shepherd. The good Shepherd lays down His life for the sheep." In John 10:7, "Then Jesus said to them again, 'Most assuredly, I say to you, I am the door of the sheep.'" And then in that same chapter, chapter 10 verses 14 and 15, Jesus says again, "I am the good Shepherd. I know my sheep and my sheep know me. Just as the Father knows me, and I know the Father, and I lay down my life for the sheep." Well, wait a minute, I want to be a sheep if the Lord is my Shepherd.

Here's the next one, Number 3014, "Dark to Light." Now, at first, this sounds biblical and right. However, this is referring to the angel of light. It's kind of ironic that Q Drop Number 666 says to, quote, "Follow The Light." Now, this begs the question of who or what is this light Q says to follow. The answer is in 2 Corinthians Chapter 11:14, where the Apostle Paul says, "For Satan himself masquerades as an angel of light."

Could it be that this "light" is a Luciferian light vis a vis being enlightened, awakened, eyes opened? Moreover, this "Dark to Light" and "Follow the Light" presupposes that we, as Christians, are in darkness and need to be brought to light in order to follow the light. Sadly, this is in direct contradiction to what Jesus said in John's Gospel Chapter 8:12. "When Jesus spoke again to the people. He said, 'I am the light of the world. Whoever follows me [listen very carefully] will never walk in darkness but will have the light of life.'"

Listen, if I'm a follower of Jesus Christ, a believer in Jesus Christ, I'm not in darkness. I will never be in darkness; I'm walking in the light. The Apostle Peter, in his 1st epistle, chapter 2 verses 9 and 10 says, "But you are a chosen generation, a royal priesthood, a holy nation, His own special people that you may proclaim the praises of Him who called you out of darkness into His marvelous light, who once were not a people, but are now the people of God who had not obtained mercy but now have obtained mercy."

The Great Awakening

Pastor JD Farag

Here's the next one, Number 3843, "Trust and Believe in Yourself." Really, that's kind of an interesting reaction. Actually, I'm kind of glad that was your reaction. I mean wouldn't you agree that one would think this contradicting Scripture would be a firm grasp of the obvious? I mean Scripture is replete with passage after passage about trusting in the Lord and not man, and even dying to self, not trusting in self.

Another one that you'll find often is, "Trust the Plan". Trust the plan? No, I trust no plan; I trust no man. I trust the Lord. Proverbs 3:5, a very well-known verse in Proverbs, "Trust in the Lord with all your heart and lean not on your own understanding." Proverbs 28:26, we just finished our study through Proverbs. It was such a magnificent book. Proverbs 28:26 says and I love this about the book of Proverbs that it pulls no punches. "Those who trust in themselves are fools." Are you calling me a fool? No, I'm not. God's Word is. You're a fool if you trust in yourself, "but those who walk in wisdom are kept safe."

Psalm 118 verse 9, "It is better to trust in the Lord than to put confidence in princes." Psalm 20:7, "Some trust in chariots and some in horses but we trust in the name of the Lord our God." Luke's Gospel Chapter 9 verses 23 through 25, "Then He [speaking of Jesus] said to them all, "Whoever wants to be my disciple must deny themselves and take up their cross daily [daily] and follow me. For whoever wants to save their life will lose it but whoever loses their life for me will save it. What good is it for someone to gain the whole world and yet lose or forfeit their very self." Their very soul as another translation renders it.

Do you know what Jesus is saying here, right, when He says pick up your cross? What He's saying is that, because the cross represents death, a crucifixion, he is saying that you need to pick up your cross and die to yourself every single stinking day. The problem with daily, it's just so daily. It's not trusting self; It's dying to self.

Number 2442, "You are the Saviors of Mankind." Not only is this not biblical, but it's also actually right out of the playbook of the New Age, which I want to talk about in a moment. Because the New Age is all about, I am God. Even as I say that many of you are replaying that video in your mind of Shirley MacLaine there on the beach, I am God. I am God; I am my own God. I am my own savior. That's the New Age and nothing new under the sun.

Is this not what the serpent did in the garden? The whole thing was God is holding out on you. He knows that if you were to eat from this tree that He commanded you not to eat from, He knows that you'll be just like Him and He doesn't want that. Because then if you eat from this then your eyes will be opened, enlightened, awakened, and you will be just like God. Just repackaged. You are god; You are your own savior.

I'm not going to quote a lot of scripture, if I did, we'd be here all day. But I do want to quote Isaiah 43 verse 11, "I, even I, I am the Lord and apart from me, there is no Savior." In the Old Testament, there are so many times when God would command Moses to have Aaron speak to the people and say, "I am the Lord your God who delivered you out of Egypt."

What's interesting it's repeatedly, replete throughout the Old Testament, you hear again and again, "Command Aaron to speak to the people, 'I am the Lord your God who delivered you out of Egypt.'" Why? Why do you have to keep telling them that? Because they think that, that golden calf that Aaron made when Moses didn't come down from the mountain was the god that had delivered them out of Egypt. And God has to remind them that, no, that's not your god, that's not your savior. "I am the Lord your God."

The Great Awakening

Pastor JD Farag

When I read Scripture, I don't know if you do this, I would recommend that you do this because I think it helps. By the help of the Holy Spirit, to grasp an understanding of what the Scripture is saying, when you seek to identify where the emphasis is. For example, I don't think the emphasis is on, I am the LORD your God. I don't think the emphasis is on, I am the Lord your GOD. I think the emphasis is on, "I, am the Lord your God." That's not your god. They are not your god, "I, am the Lord your God and there is no other apart from me that is your Savior."

Number 2788, "Where we go one we go all." This is usually the #WG1WWA. This particular one is gaining quite a bit of traction. But the problem is that it smacks of this "One World" where all go and are united like they were at the Tower of Babel. One world; One language. It's almost a reversal of what happened at the Tower of Babel.

So not only is it in direct opposition to God and His Word, but the other problem with this is, "where all go," may seem and sound right but in fact, in the end, leads to death and destruction. Back to Proverbs again chapter 14 verse 12 this time. "There is a way that seems right to a man but its end is the way of death."

Then in Matthew's Gospel chapter 7:13-14, Jesus is speaking, listen very carefully. He says, "Enter by the narrow gate." Why? "Because wide is the gate and broad is the way that leads to destruction and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life and there are few who find it."

This next one, Number 4249, is actually a quote from Scripture and this is a common argument from those who follow Q. They will argue that Q quotes Scripture. You'll forgive me... But well let me just say it this way. Make no mistake about it, Satan knows Scripture better than you and I ever will. Isn't it true that Satan quoted the words from God to Adam and Eve in the garden? Misquoted really. And so too did he also quote out of Deuteronomy when he tempted Jesus in the wilderness.

Don't ever think for a second that Satan doesn't know Scripture. By the way, you'll forgive me again for this but Satan really knows Bible prophecy. I mean think about it. I mean by the way, this is... I didn't mean to get off on this but since I already have I might as well.

You know the book of Revelation? It's the only book of all 66 books of the Bible that promises a blessing to those who read it, hear it, and take it to heart. Yet here's the thing, many Christians are so afraid of that book. It's so apocalyptic. Do you know what the word "apokalypsis" in the original language of the Greek means? Revealing. I know this is going to be deeply profound, revelation, reveal-ation. It's a revealing, an unveiling of what's going to come.

No wonder Christians don't read the book. Satan doesn't want Christians reading that book and being blessed by that book. The only book in the Bible that promises a blessing. I mean think about it. Would you want someone to read a book that is about you, and your demise, and ultimate destruction, and being cast into the lake of fire? I kind of don't want people reading that book about me and what's going to happen to me. That's what the book of Revelation is.

Well here's the drop, quoting, "Peace for the Storm: Have Faith in God, Mark 11:22." Wow. Okay, conspicuously absent from these Q Drops is any mention of the name above all names, the only name given among men whereby we must be saved, the name of Jesus. Do you know what Mark 11:22 actually says? Well, I'm going to read it to you. It is, this is Mark 11:22, "Have faith in God, Jesus answered." "Have faith in God," this is Jesus speaking. Jesus said, "Have faith in God." That was Jesus.

I know I've mentioned this before and just indulge me for a moment. I'll try not to digress too much on this but I think it's important. God is very generic. I know in my culture as an Arab in the Middle East, it's actually Allah, which any Arab in the Middle East and Jews for that matter will say is synonymous for the title of God. Even if you had an Arabic Bible, every time you read the word, God, it would say, Allah.

There's a problem. Allah is not the title of God; It is the name of god. It is the moon god. Allah is not God; Allah is a false god. Islam is a false religion and Mohammed a false prophet. So, Allah is the moon god that they worshipped and worship. Allah is not Jehovah God. So, when you say, God, I mean... You know that on the back of your money it says, "In God we trust". I have a question. Which god? What's the name of the god? Did you know in Egypt they had over 3,000 gods? Did you know that? over 3,000 gods. Man, that's confusing.

Well, again, I don't want to digress too much. I guess my point is simply this. It's at the name of Jesus that demons tremble. There's coming a day when every knee is going to bow and every tongue is going to confess that Jesus, Jesus Christ, is Lord and there is no other. You know when I pray sometimes actually more often now, especially when the spiritual warfare is intense which is like all the time now. I always pray out loud in the name of Jesus because I know that the spiritual forces, the wickedness in high places, they can't stand it. If I just say, god, they're like, hey cool, that's not very specific but when I say, Jesus, they hate it! They hate it. Jesus said, do you know why they hate you? Don't take it personally. They hate you because they hated me first. It's the name of Jesus.

Number 2450, this is interesting. "A Beautiful Brave New World Lies Ahead." Oh, it does? Wow, cool. The problem with this is that it's not a brave new world that lies ahead, rather it's the new heaven and the new earth that lies ahead instead. The reason being is that this so-called "beautiful brave world" is passing away and coming to an end.

The Apostle John in his first epistle chapter two verses 15 through 17 said, "Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them. For everything in the world, the lust of the flesh, the lust of the eyes, and the pride of life comes not from the Father but from the world. The world and its desires pass away but whoever does the will of God lives forever." Understand that as we say in our day when somebody is dying, they're passing away or they passed away. That's what John is saying, the world's dying. It's passing away.

When our daughter, Noel, was born and we took her home. We knew it was just a matter of time; she was passing away. she was going to die; we just didn't know when. We had her for four months and six days. But we knew she was going to pass away. Would to God that we as Christians would come to terms with the reality that this world is dying.

Revelation Chapter 21 verse 1, John is writing he says, "Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away." It had already died. Wait a minute, a new heaven too? Yeah. It's a new heaven Why? Oh, that's when the first sin had entered. It was not in the garden; It was in heaven by Lucifer. So, it's the new heaven and it's the new earth.

Well, Number 3858 is, "The Great Awakening". It's this last one that I would like to focus on for the remainder of our time together. As I mentioned in the beginning it is my belief that this great awakening is actually a great deception. This for a number of reasons chief of which is that the Bible does not speak of a coming great awakening, rather it speaks of a coming powerful deception.

Bible Prophecy Update: July 19th, 2020

The Great Awakening

Pastor JD Farag

The Apostle Paul in 2 Thessalonians 2:11, we just studied verse by verse through this epistle. He talks about this very powerful delusion and strong deception. That's what's coming. Now please know that I spent the better part of last week, really the last couple of weeks, researching, praying, preparing, and certainly seeking the Lord concerning this. I only mention that because everything in my research and preparation pointed to not only the Great Awakening, but to what's known as the Great Awakening Map.

Pictured here is, The Great Awakening Map, which as I understand it was created in response to the leading QAnon followers who believe that this great awakening to the Illuminati agenda. It's imminent overthrow will coincide with this massive cosmic event including the release of energy from the sun that will awaken dormant divine DNA in the human body accelerating our evolution triggering the ascension of humanity.

All of this is thoroughly detailed in this great Awakening map which illustrates QAnon's pivotal role in the larger New Age agenda. As a spiritual counterpart to the teachings of the New Age, QAnon is engendering a political awakening that will soon be joined by a spiritual awakening to godhood. That's what this great awakening is.

Pictured here is a screenshot of a YouTube video from John Blanchette's E511 Ministries Channel which is Ephesians 5:11, where the Apostle Paul says, "Have no fellowship with the unfruitful works of darkness but rather expose them." I had an online member send me this particular video titled, "Clip from Road to Antichrist, Chapter 4." I would highly recommend this video along with John's other videos. He has them on both YouTube and Bit Chute.

While John is a brother in Christ who does not hold to a pre-trib belief, to his credit, he doesn't break fellowship with those like myself who are and do which actually it's quite refreshing for a change. In this particular video, posted on John's Channel, the creator of the Great Awakening map, Parinya Champ, if I'm pronouncing his name right, talked about this map in an interview with ConspiracyFact.Press on June 29, 2018.

I want you to listen very carefully as I quote verbatim what the creator of this map said about this map. Quote, "I put Q as the biggest on the map because Q is in a secret alliance with many world countries. Everyone is awakening and realizing that there is an Illuminati and that there are extraterrestrials everywhere. And that it's all caused by this solar flash that's about to occur and it's creating a leap of evolution of consciousness for everybody.

The great solar flash is talked about in almost every ancient religion on earth and it talks about an end times that are about to occur right now and the sun will release several series of flashes. It's supposed to happen any time and the series of flashes basically evolves our DNA. When the solar flash comes [still quoting] we need to be in a state of mind that is peaceful and loving, or it will make you go crazy because you cannot adapt. That's why [listen] in the Bible you say you see prophecies of people disappearing off the earth but the good people get to stay."

Oh, I'm so glad you responded that way. I mean, here again, I'm like that kid in the class going, is it just me? Isn't it interesting... I'm sorry, people say, your humor is inappropriate. To which I say, God has a sense of humor and humor is medicinal. Besides if I don't laugh; I'll cry. You don't want to see a grown man cry again, right?

Give me just a moment here but isn't this interesting? That's how they are going to explain it away. Oh, by the way, seems that Satan again, he knows Bible prophecy. He's got to have a plan in place

Bible Prophecy Update: July 19th, 2020

The Great Awakening

Pastor JD Farag

when Christians disappear off the earth so they're going to say, cool. They're out of the way. We can get on with this plan because they were taken out of the way and the good people get to stay.

Quoting again, we're almost done. Hang in there. "It's basically that same concept and everybody that has a group mind has to keep peace in their minds and their hearts at all times. Because this is what's going to push our timeline into the most positive optimal timeline reality and that's something, I wrote really big on the map. It's happening right now and if you look real close, you'll notice that everything is turning to light. The World War 3 scenario is not going to happen anymore." That's not what my Bible says. "Our thoughts [quoting] create our reality and we can use our thoughts and basically take back control of our planet."

Hang on to that for a second. For those of you that are interested, those of you watching online, I really encourage you to go to E511 Ministries on YouTube. John has done an outstanding work. He goes very in-depth into what all of this is all about and I have to warn you it is chilling. It is chilling, I'm only for the most part, as they say, scratching the surface here today.

Okay, I'll bring it to an end the way we began and reiterate that if I'm getting this wrong? I will humble myself and I will publicly ask for forgiveness. The bottom line for me is, at best, this is the false teaching of NAR, the New Apostolic Reformation, and Dominion theology, which basically says that we have to take control, take back control, of the world. We have to take our country back. We have to take our planet back. From who?

That's at best. At worst, this may very well lead to what Jesus said in Matthew 24:24 about false Christ's deceiving even the elect. If it's the latter? Then we need to look no further to realize just how close we are to the end and the soon return of the true Christ at the rapture of the church. One last thing here real quick. Please don't keep track of how many times I say, "one last thing".

Don't you find it interesting that in the Gospels and in the epistles, there's this common denominator, this common theme of, do not be deceived? Matthew 24 in particular as we just referenced. The disciples asked Jesus what are going to be the signs of your return and the end of the age? And before he lists or says anything, he says this, "Let no man deceive you. Do not be deceived." [Matthew 24:4] There are going to be many that are going to come in my name but they are going to be false. They are going to be false.

The Apostle Paul, for those of you that have been with us for any length of period of time, we're going verse by verse through the Bible in the New Testament. We've studied the epistles written by the Apostle Paul, by the Holy Spirit of God, and replete in those epistles are the words, "Do not be deceived." When he writes to the Corinthians he says, don't be ignorant.

Don't be ignorant, man, if somebody said that today that's not politically correct, is it? You'd be hard-pressed in any church to hear an exhortation like that, don't be ignorant. Don't be deceived. Don't be ignorant of Satan's devices. This is where I love the King James version, the wiles of the devil. Just one of those things there, no, right? Is that bad? I just kind of like that. It just sounds like the wiles of the devil. Don't be ignorant.

The strategies, the devices, the techniques, the wiles, I mean you can add to that list of synonyms all you want. The implication is that he is more subtle, subtle, and crafty, super intelligent, supernatural intelligence by the way. He's very patient too, by the way. Why do I say that?

Because the picture that is painted for us on the canvas of Scripture is that of a lion. He's like this lion and lions patiently stalk their prey. Just waiting for the optimum time to attack and devour and

destroy. Sometimes we're unaware and vulnerable and it's when we least expect it, from a place that we least expect as well. That's how subtle, insidious Satan is. Never underestimate the enemy, the true enemy. We wrestle not against flesh...

Okay, I told you not to keep track of the times I say one last thing. So, this is number two; I'll keep track then that's fine. What's really interesting to me is that QAnon has pitted the Right against the Left, the Conservative against the Liberal. So now they're the enemy, the Deep State, this false New World Order. What do you mean by that? Well, let me share with you a true story. This is many, many years ago, many of you know that I spent many years in the car business.

This friend of mine had a Jaguar that he wanted to sell for a very, very high price, and he knew it wasn't going to be an easy sale. So, here's what he did. This is very shrewd, very clever. He puts a fake ad in the paper. This is before the internet. I know this is going to date me but this is back when we had newspaper ads. Sorry. He puts a fake ad in the paper with a description of his car but it's not his car. It's the same year, make, model, approximately the same miles, and this really high price. Then when somebody called, he said, oh it's sold right away. I think I sold it too cheap. He waited a little bit, put in the real add, and that's how he's sold that which would not have been easily sold for the price that he sold it at.

Do you see where I'm going with this? You create the false, we talked about it before, the Hegelian dialectic, if I'm pronouncing it right. It's thesis > antithesis > synthesis; problem > reaction > solution. So, the Deep State is the problem. Those liberal Demon-rats, they're the problem. No, they are not the problem and they are not the enemy. They are the mission field.

We wrestle not against flesh and blood, Republican and Democrat, Left and Right, Conservative and Liberal. We wrestle against principalities, and powers of darkness, wickedness in high places. One of the most successful strategies, or wiles of the devil, is to get us to believe that he's not behind it. So that we fight with each other and do his dirty work for him.

By the way, if you're going to stay for 2nd service at 11:15 today we're going to start in 1 Timothy, we've finished 2 Thessalonians, and we are going to be talking about this. We are going to be talking about being merciful and kind towards each other instead of fighting and arguing with each other. I mention it because of the division on social media amongst Christians.

One of the things I'm going to talk about at 2nd service is, if you were to ask me what my greatest concern was as a pastor it would be the infighting amongst Christians on social media and the world is watching. This is why we do these weekly prophecy updates, that's why we end with the Gospel of Jesus Christ, and the simple childlike explanation of salvation by way of the ABC's of Salvation.

What is the gospel? The gospel is good news and the good news is, is that Jesus came, He was crucified, He was buried, and He rose again on the third day, and He's coming back again one day. That's the Gospel, very simple. 1 Corinthians 15 if you want to find it in your Bible, also in 1 Thessalonians we see the gospel as well.

What are the ABCs of Salvation? Well, it's not the only way but it's a simple way. It's one way, an easy way, to just share with somebody how to be saved. So, it's not meant to insult anyone's intelligence. It's just a template if you will.

The A is for: Admit or acknowledge that you've sinned and that you need the Savior. You are not your own savior; You need the Savior. And there's only one Savior and His name is Jesus. Romans 3:10 says, "There is no one righteous, not even one."

Romans 3:23 explains why. It's because all, keyword all, I looked that up in the original. Do you know what it says? All. You'll forgive my silliness but, "All have sinned and fall short of the glory of God." We were all born sinners which is why we must be born-again to enter the Kingdom of Heaven.

Romans 6:23 is interesting because it basically packages the bad news first with the good news. What's the bad news? I hope you don't tire me saying this and I know it's not correct English so don't email me on this. But the badder the bad news is the gooder the good news will be. Sometimes I think it's good for us to start with the bad news because when I realize how bad the bad news is?

Then that's what like we're told in Scripture, the tutor takes me to the bad news, the perfect Law of God, shows me that I'm a sinner. He takes me by the hand and says, are you interested now in the good news and the Savior? Yeah, because I'm a sinner and He takes me by the hand to the Savior and that's what Romans 6:23 does.

What's the bad news? The bad news is really bad, spoiler alert. It's death. It's the death penalty; the wages of sin is death. What's the good news? I could use some good news. OK. The good news is the gift of God is eternal life in Christ Jesus our Lord.

That's the A; here is the B.

The B is for: Believe in your heart that Jesus Christ is Lord and that God raised him from the dead. This is Romans 10:9 and 10, it says, "If you believe in your heart that God raised Jesus from the dead you will be saved."

Then lastly, the C is for: Call upon the name of the Lord. Or as Romans 10:9 and 10 also says, "If you confess with your mouth Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified and it is with your mouth that you confess and are saved."

Then lastly, Romans 10:13, I love Romans 10:13. It says, "All..." There is that word all again. Same in the original, I looked it up too again, all, because all have sinned. "All who call upon the name of the Lord will be saved."

Why don't you stand and we'll close in prayer? I just want to say for anyone that's watching online, it's not by accident that you were led to this video or somebody shared this video with you. It's been shared with you for such a time as this. I would implore you that if you've never called upon the name of the Lord that today, you would without delay make the most important decision of your life for eternal life. God loves you; Jesus died for you. "No greater love hath any man that he would lay down his life for another."

Let's pray. Father, thank you so much. Oh, Lord, we are living in perilous times. We know that time is short and our redemption draws nigh. So, Lord, we're thankful to you for your Word of truth.

Jesus, how could we ever thank you enough because you are THE way, not a way, THE truth, not a truth, and THE life, not a life. Nobody comes to the Father except through you, Jesus and that is our posture before you this morning.

Lord, I just pray for anyone who has never called upon you, confessing with their mouth, believing in their heart, trusting in you for the forgiveness of sin, I pray that today would be the day of their salvation.

Thank you, Jesus. We love you so much, Jesus. I can't wait for you to come and take us out of this wicked evil dying world and take us to that place you prepared for us in your Father's house.
