KAPONO: Thank you, Lord. You are awesome. And let us bow our heads as we pray. Lord, what an awesome God, and You reign, Lord. Let us always remember that. As we go through the week and things come up, because things come up, Lord, would we just remember and sit in glory of who You are, Lord. And would You just encourage us in through Your word, that we may be able to, through Your power, pick ourselves up, continue to take a step, one step at a time, Lord.

We thank You; we praise Your name for this time of worship, Lord. Would You be with Pastor JD, Lord, through this Prophecy Update? It can get tricky. It can get confusing, But You bring us clarity. So would You do that this morning? In Jesus' name. Amen.

PASTOR JD: Amen and amen.. And welcome. Good morning. You can be seated. You don't have to clap unless it's to the Lord. Those of you online, I don't know if you're clapping, but as unto the Lord. We're glad that you're joining with us. Actually, I'm a little surprised that you came back this week after last week. I think you're a glutton for prophecy punishment. Would that be a good way to say it?

Well, I'll have you know, for the benefit of those who weren't with us on Thursday night, that the Lord had a good talking with me about talking so long last week that I went into Second Service. And I got the scars to prove it. So let's get moving.

We have two services. This First Service is devoted to Bible prophecy by way of our weekly Bible Prophecy Updates. And surprise. See, I never told you this. I wanted to surprise you. Second Service, our verse-by-verse, teaching through the Bible, which for those of you online, will be livestreamed at 11:15 a.m., please note, Hawaii Time, Hawaii Standard Time.

But having completed the *Book of Revelation* ending last week, finally, we're going to circle back to the Gospel of *Mark* beginning this week. And I know you're wondering why. And I'm going to tell you why.

When I first planted this, God's church, in 2005, I sensed that the Lord would have us go straight from the *Gospel of Matthew* right to and through the *Book of Acts*. And this was in large measure, due to the early beginnings of our church when God began to add to our church like He did with the early church. And so prayerfully, carefully, I'm inquiring seeking of the Lord, Lord, do I go to *Mark* from *Matthew*? And He made it clear that it was the *Book*

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

*of Acts* that we needed to be in and go through. So from there, 20 years, 21, this year, 21 years, we continued our verse-by-verse study through the entirety of the New Testament, all the way through to the *Book of Revelation*, which again we completed last week. It only took us — and we didn't even do *Mark, Luke, and John*. So it took us that long. So what's this “us” stuff you're saying? It was all you, Pastor. Okay, fine. I'll take it. So absent the soon and very soon, very, very soon pre-Tribulation, rapture, we're going to go verse-by-verse through the gospels of *Mark*, starting today, *Luke*, and if we're still here, the *Gospel of John*. Now, today we're going to begin in *Mark, Chapter 1, verse 1*, and make our way all the way through *verse 1*.

[ Laughter ]

I've titled the sermon, 'God Isn't Through With You, So Be Encouraged.' And for those of you that will join us, you'll see why. Because in it, we're going to discover three truths about this man, *John Mark* [*John: his Hebrew name.*] [*Mark: his Roman name.*] that can be the source of such wondrous and glorious hope, especially for those who failed, as did *Mark* and the many like him then and by extension, us now. Don't raise your hands. That's Second Service, 11:15, again, a.m. Hawaii Time. That's when the worship starts.

Also, for those of you that are watching by way of YouTube or Facebook, we'd really encourage you to go to the JDFarag.org website, TV channel, or apps, which we have links to in the description. They include platforms like the Apple App Store, Google Play, Amazon App Store, and Roku TV Channel Store. And I probably missed one or two in there. So you can view the entirety of the Update at or on these platforms.

So with that, let's get started. I want to talk about how it is and why it is that what began as teaching Bible prophecy as it will be happening is today ending with teaching Bible prophecy as it's now happening! (Shouting) Sorry. Did I wake somebody up? I know it's early. It's the First Service. Let me explain.

As a Bible prophecy student for over 40 years and as a teacher of Bible prophecy for over 20 years, it has now all began to come to pass, particularly over the last five years. Put another way, when I started, I taught Bible prophecy as this is what will be happening. Fast forward

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

20 years later, I now have to teach it as not it will be happening. It's now happening.

Because to not do so would be disingenuous at best and God forbid dishonest at worst.

Okay. Last week I —don't have a meltdown yet, okay? Okay, good. Thank you. That wasn't so bad. I subjected you to the list again last week. You had a five-month break. Give me a break. Now, this list was just an aerial view of ten prophecies, but this week we're going to zero in on just two prophecies.

Now, please know that I thought the Lord specific to which two prophecies but in no way wish to diminish or in any way be dismissive of the other eight prophecies, all of which, actually, truth be made known, intersect one with the other. And we'll see a little bit of that today. So we'll focus on number 2, concerning peace covenants, and number 4, concerning creating fear of an even worse so-called pandemic.

We'll start with number 2 and this November 17th publication from the United States Mission to the United Nations titled [*Let me catch my breath on this one*] 'Explanation of Position Before the vote on a U.S. drafted UN Security Council Resolution on the Situation in the Middle East. How did I do?

It's the transcript, as delivered by Ambassador Mike Waltz, the US representative to the United Nations in New York, New York. If you'll kindly allow me to, I'll quote verbatim, word-for-word what he said at the end of his speech. You ready?

Quote, “Adopting this resolution today will prove the United Nations can still be a beacon, and not just a bystander. Colleagues, the eyes of history—and humanity— are upon us— right here, right now.”

I don't know if that's how he said it, because, you know, it's not what you say. It's how you say what you say. But emphasis added maybe. But he's right. There's only one place that I would beg to differ. It's not the eyes of history. It's the eyes of God that are upon us right here and right now. It gets worse.

Still quoting. “A vote against this resolution is a vote to return to war. Time is not on the side of peace. This is not the time for endless debate and lawyering. The clock is ticking like a time bomb. So let us vote for this resolution, not as a compromise, but as a [*Wait for it.*]

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

covenant. It's for the children of Gaza and for peace that endures. And for a middle East reborn.”

Let me have this. First of all, the word “covenant.” That's a game changer. Hang on to it. You're going to need it in a moment. “A peace that endures.” That's only going to happen when the Prince of Peace rules, Jesus, the Christ. Oh, I — I forgot. You're trying to replace my Jesus, the Christ, with your cheap imitation of Jesus, the Christ, a.k.a. the anti-Christ. False Christ in place of Christ. I forgot. Pardon me. I beg your pardon.

And then this — again, you're letting me have this, right? “And for a middle East reborn.” You know what? You're a little bit late to that party because the nation of Israel was reborn in the Middle East on May 14, 1948, oh, incidentally, and ironically, by one vote at the very UN that you delivered this very speech. So I guess you're trying to counterfeit, replace, imitate. But “it's for the children.”

All you have to do is to say, oh, it's for the children of Gaza. Well, who's going to argue with that? Oh, it's for the children. Oh, aw! Time doesn't permit, but I'd implore you to take note that the Board of Peace — you've heard of this — convened its inaugural meeting just this last Thursday on the 19th. I'm not going to take the time today; otherwise, I'll be into Second Service again. So Lord willing, we'll cover this in a future Update.

However, in the meantime, we'd all, myself included, do well to keep an eye on this by virtue of the profound, prophetic significance of this. I say this this way because we have the “what” is now happening in *Daniel, Chapter 8, verse 25*. You can join me there if you have your Bible or your Bible on your device. I'm going to read through it, but I'm going to include with it the original Hebrew language, which changes the whole color and complexion of this profound, significant prophecy. Speaking of the Antichrist in place of Christ, false Christ, Daniel, inspired by the Holy Spirit, prophesies and writes, **“And through his policy** *[Interesting choice of words.] [Foreign policy of peace?] also he shall cause craft...*”

Now, that's not a word we use much in our day unless you go to the craft store and have a crafts project. But that's not the “craft” that's being spoken of here. The craft that's being spoken of here in the original carries with it the idea of treachery and mastery of deceit, tricked, fraudulent, abandonment, and disillusionment.

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

Boy, that's a lot packed in one word, isn't it? Some of your translations render it **“He shall cause deceit to [Do what?] prosper [Succeed] in his hand. [Better understood as under his rule.] And he shall magnify himself in his heart. [And I want you to pay particular attention to the last part of Daniel 8:25 because I love this, and I'm so thankful to God for this.] And by peace, he [Speaking of the Antichrist] shall destroy many.”**

Did you catch that? Peace is the catalyst for destruction. Does that sound like 1 *Thessalonians, 5:3*? **“While they are saying peace and security, [It's for the children] sudden destruction will come upon them as a woman in labor and they will not escape.”**

Oh, who does escape? We. That's why we need to “be a we.” Because we who are alive and still remain will escape. The dead in Christ will arise first. And we who are alive and remain are going to be (Clapping) gone. Whoa! Where? To the place, *John 14*, that Jesus said He was going to prepare for us as His bride. I can't wait. Now would be great! Spare these poor, precious people.

Okay. So notice now the ending of this. This is a big verse. It's huge. And I'm so — this is what I'm so thankful to the Lord for inspiring Daniel to add this into this one verse. So that's what the Antichrist is going to do. He's going to be very successful in his deceit. And he's going to use his policy of peace to ultimately bring about sudden destruction, exactly as God's Word said it would be and is now happening.

But I love this — this is a “but God” right here. So I mean, you're getting depressed. Well, we're not we're not going to be here. You better not be here for this part. But God.

**“He [Speaking of the Antichrist] shall also stand up against the Prince of princes. [Who's that? Jesus.] But he shall be broken without hand.”**

What? What does that mean? In other words, he's gonna come up and wage war against and try to defeat the Prince of princes. I don't think that's going to end well for you. And we're told as much because the true and living Christ, Jesus Christ, is just going to say Pffft! Poof! You can take your pick from my many, you know, I have several, just — pick from one of the above. Broken without hand.

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

In other words, this isn't even really a fight. Oh, just you're so adorable. Not really. Trying to imitate Me, huh? I see. Poof! Can we just stay with that one? I think I like that one. It's gotta — it's got a ring to it. Poof!

Now let's get to *Daniel 9:27* because we have the “what.” But we need the “how.” So that's what's going to happen. How is “what is going to happen” going to happen? *Daniel 9:27*, **“He [Again, speaking of the Antichrist] will confirm.”**

Interesting word. Now translated differently in some of your translations, but in the original Hebrew, it's the same exact word as my native tongue of Arabic, the word *hiġ-bîr*. What does that word mean? Make superior, make spectacular, make stronger, make greater. *[Again.]* We okay? All right. Okay.

So this would imply that there's something already on the table that has to be *hiġ-bîr*, made superior, spectacular, stronger, greater. What is it? A covenant. Hmm? Do they read their Bibles before they speak at the UN? Because you know a covenant is different than a contract, right?

You know where we get that saying, “cut a deal”? It comes out of the Book of *Genesis* when God cut covenant with Abraham, known as the Abrahamic Covenant. I'll try to be as — I don't want to — especially if you've eaten breakfast. I don't want you to, you know, or if you're hungry for lunch, I'm going to ruin your appetite here. Ready?

So to cut covenant you would cut up animals, and you would lay them out, blood, carcasses, gut — I'll stop there — and all. And the two parties agreeing to the covenant would walk in the midst of the cut carcasses, as if to agree and say may what has been done to these animals be done to me if I break this covenant. Oh, by the way, marriage is a covenant. Okay.

So did Abraham cut covenant, sign the deal? No. Why not? Well, he was sleeping. Why was he sleeping? Because God put him into a deep sleep, and He alone walked in the midst of the cut carcasses and cut covenant with Abraham, not the other way around. Wait, Abraham didn't have a covenant with God? No.

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

Why God do that? Because God knows us better than we'll ever know us. God knows that we could never keep the covenant. Only He could keep the covenant, and does, and will. So if I didn't sign this covenant, I didn't agree to this covenant, I didn't cut this covenant. well, then I can't break it. Exactly. You're catching on, Abraham and JD. No, it's not a covenant between you and Me. It's My covenant with you.

Can you imagine? I'm sorry. I find the humor in these kinds of accounts. But by the way, Thursday nights we're in *Zechariah* and *Chapter 11* this week, Lord willing, for those of you that would like to join us. Can't wait. Great chapter. I say that about every chapter. But you know, there's only one more book after *Zechariah* and we're done with the Old Testament. It took us 21 years.

It's the *Book of Malachi*. Or if you're Italian, Malachi (Ma-lah-chee). And then we're double the Old Testament. What are you gonna do then? Go back to *Genesis*. Can't wait! If we're still here. But I find this sort of humorous in a way. Can you imagine? It's kind of like when Adam woke up, when he was put in a deep sleep so that God could take from his side a rib and make for him a helpmeet, woman. Wo! Man!

Adam wakes up. What happened? Wo! Man? Woman. That's not — that's not what it means; it's from man. But that's — if we get to *Genesis* again, we'll clear that up. But Abraham wakes up from this deep sleep that God put him into.

He's like, “Okay. Oh, wow. Sorry. I dozed off, God. Oh, good. The animals are ready. Let's go.”

“No need.”

“What do you mean?”

“I already cut covenant.”

“Why?”

“Because this is not a covenant that you're making with Me. This is an everlasting covenant I'm making with you and your descendants.”

And that's why it is, by the way, that details are important in the word of God, because Israel is regathered, as we saw last Thursday in *Zechariah, Chapter 10*, regathered in unbelief in

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

the land. But God is not through with the Jew. And aren't you glad? Because that means, and we'll talk more about this Second Service, God is not through with me and you too. It almost kind of has a... I don't know, Kaponu, you can maybe think about that, pray about that, write a song about that.

So this is why it is that, and I want to clear something up. This is — I first need to make sure I have permission from the Holy Spirit. Real quick. I'm sure you've heard that that Jews in Israel are not the real Jews. I have a question.

Okay. Now, in my younger days, I had more energy, I was more militant. Not so much, by the grace of God. Let's just say I walk with a limp now, like Jacob. You know, strong personalities God's got a break before He can bless. So I just have a question. Did someone send Satan a memo? Because apparently, he didn't send a memo to Hitler that he got the wrong people. I'm just asking. And not just Hitler, all those before him and certainly those after him and like him. Wait. So if they're not the Jews, then why are they being persecuted as such? I mean, I'm not — I know I look stupid, but I'm not as stupid as I look. Put two and two together.

Okay. I hope you know that the Savior himself quoted *Daniel 9:27* in his well-known Sermon on the Mount, rightfully so, prophetically so. It's found in *Matthew 24*, beginning in *verse 15*. And that's not all. Hope this doesn't sound like an infomercial, but I also hope you know that the Apostle Paul expounds on Daniel's prophecy, providing more specific details in his second letter to the *Thessalonians* in *Chapter 2*, which we've covered extensively over the years, done many deep dives. It's one of the most powerful, prophetic chapters in all of the pages of Holy Writ.

Now, again, why is this important, and why are you doing this to us again? Well, 20 years ago I could only say that this will be happening. But today I have to say it's now happening. Why? Because it is.

This brings us to number 4 on the list, which is both the creating and spreading, pun intended, a fear concerning an even worse so-called pandemic. Oh, no! You know how it spreads? Through media. Did you catch that? Medium, channeling, programing, broadcasting. Is this too much, too soon?

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

You know, the healthiest people in 2020 were the ones that turned off their TV. True story. The Amish: Not one case. Why? They had no TV. Go figure. Hmm. Question. What if I told you that 2020 was only a dress rehearsal that was met with smashing satanic success worldwide, I might add, exactly as we were forewarned and foretold of in *Daniel 8:25*. He will cause deceit to succeed. That's exactly what happened.

Well, wait a minute. What do you mean by dress rehearsal? Well, for those of you that are familiar with theater, there's always a dress rehearsal before the actual event and especially before the final act/final solution. Ring a bell?

Okay. Here's another question. What if I told you that the 2020 dress rehearsal was for the final act that's now happening now, not will be happening, now happening in real time. And I'm using this word for a reason.

Some of you know why. Revving up at break-neck speed. Well, it was, and it is, which if you'll permit me to, I'd like to connect these prophetic dots for the remainder of our time together today. However, in order to cover this by the rightly dividing of God's word, correctly teaching from God's word, and freely expounding on God's word, so sorry if you're still on YouTube or Facebook. You can still go to the apps, TV stations, or the website and hear the remainder of today's Update. So bye. Okay. I have a tact, don't I? Just a smooth way about me that's, you know, it's just...

Here's just one publication that, interestingly, took me an inordinate amount of time to dig up for whatever reason. Ooo-wee-ooh. The reason is is that it exposes the real motives behind what's called Disease X. Oh, it Xs everything now. But more importantly, Disease X as a placeholder.

Here's another word I want you to hold on to for just a moment. It's from the National Library of Medicine's Center for Biotechnology Information, PubMed Central. I should've caught my breath before that.

And to say that it's very prophetically telling and revealing would be a gross understatement. It bears the title of — let me catch my breath — “Environmental Health Risk Evaluation Potential to Cause Disease X as a Global Pandemic: A Call for Global Preparedness.”

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

Fear, Fear, Fear. What follows are just a few eye-opening and perhaps even head-spinning excerpts from just this one publication, which is a textbook case of predictive programming. What do you mean? Well, let's talk about the word “placeholder,” because I'm about to quote, verbatim, word-for-word, “Disease X is a placeholder concept...”

Stop. What? What's a placeholder? It's where it's a place that you hold. I know. Deeply profound. That's why you come, right? Just to hear these deeply profound explanations of the unexplainable. I'll hold a place for you, Disease X, because you're coming. So I'll hold the place. I'll have a placeholder. I'll reserve a spot, placeholder, Disease X, placeholder. In other words, they — how do they how do they know that is coming?

I mean, they're so convinced that it's coming Disease X that they're going to hold the place for Disease X Answer: They're going to create Disease X. That's why they're creating a placeholder for Disease X, that they're creating. Are you getting this? Please just say yes. Just humor me. Thank you.

Quoting: “Disease X is a placeholder concept that represents a potential future pandemic-causing pathogen that has not yet been identified.”

Come on. You just — it's been identified by you. It just hasn't been revealed to the people. Okay. Still quoting. Listen to this. “Its main motive is to prepare mankind for further devastating pandemics like COVID-19.”

Dress rehearsal? Smashing success. Oh no! Say it isn't so! What are you going to do? What are we going to do? Enter this diagram, which is most interesting, summarizing five basic key strategies to combat Disease X. (Taking a deep, scared breath in) Am I over-dramatizing it too much? I'm going to take that as a yes, so I'll calm it down.

At the top of the diagram, highlighted in yellow is the heading, “Surveillance and early detection,” which is an “enhanced surveillance system,” which is now in place for what's also on this list. Under that heading, “surveillance and early detection,” “real time sharing of epidemiological data.”

Okay. Now, Pastor, you're going to have help me out. Those are some pretty big words. So translated: They're going to know where you are, what you do, who you're with, what you

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

say, and who you say it to all the time in real time. So have a nice afternoon with them. But what is the end game? Well, we're — they — I guess, in all fairness, they're letting us know. They want to have unfettered access to our data, epidemiological data. And you want it in real time. In other words, you're going to know before I know. Yeah. You know what real time is, right? It's real time. And again, I know. Deeply profound. The second it happens; they know the exact second that it happens. That's real time.

Okay. How are you doing? Because there's four more that are going to really ruin your appetite if it hasn't been ruined already. To the right, we find the heading, “Research & Development, under which is “Investing in adaptable vaccine platforms.”

Awe. Again, how nice that you're already working on combating Disease X that you're creating in the first place. Because as I've often said, and I hope you don't tire of me saying, the vaccine was not created for COVID. I don't even like to use that word, but COVID was created for the final solution/vaccine.

Okay. Below, this is where we see the intersect. We find the heading, “Utilizing artificial intelligence” under which is, “Implementing digital health concepts,” which is at the beginning of the list, “Real-time [*There it is again*] data processing,” which is at the ending of the list and including in the list, “Predicting outbreaks.”

How do they know? Because they're the ones doing it. How can you predict so accurately? In October of 2019, in New York, a simulation of a novel coronavirus pandemic before, supposedly, there's actually really a coronavirus pandemic. That's what I mean by predictive programming. Predicting outbreaks. You guys can predict that? Wow! Should I be impressed? I'm not. Should I be blessed? Absolutely not. I think they're showing their hand.

And to the discerning Christian who has spiritual discernment to test the spirits would God that more Christians, I include myself in this, would have more discernment. Don't be so naive and gullible. You're low-hanging fruit ripe for the picking. And people just — Christians, professing Christians — I'll maybe qualify it — just fall for this hook, line, and sinker. So basically you're holding a place for something that you're predicting is going to happen, and it's a matter of when, not if. Exactly.

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

How do you know? Because we're the ones that are doing it, and we want to program you ahead of time for it, so that you'll be compliant during it and accept the final solution because of it. We're almost done. There's hope.

To the left, we find the heading, “Combating antibiotic resistance” under which is, “Educating mass people about antibiotic resistance.”

Okay. Can I just read between the lines, as they say? Educating mass people? How about brainwashing? How about programing? How about preparing? In other words, we need to launch this misinformation, disinformation campaign, mass campaign to the people. You mean they're going to buy the lie? Oh, yeah. They bought it in 2020.

Yeah, but I thought people were kind of wising up to it. The CDC is coming out with stuff going, Wait, something wasn't right about that. And we got, you know, the government saying, “Hold on, we need to revisit that.” And so, you know, it's all set up. It's doublespeak. It's a sleight of hand. Because they're going to come out with the “new, improved.” No, we — we — sorry. Oops. Oops. Oh, we figured out what the problem was. Well, AI did. And now this is the final solution. And this word “educating”? Wrong on every level. Miscommunicating. Deceiving.

Well, fifth and finally, thank you, Jesus. Above that, we find the heading, [Listen to this.] “Emphasizing the One Health concept” under which is, “Collaboration among different regulatory agencies for easy data sharing.”

You see the intersect? Okay. Wait a minute. One Health? What? What is One Health? Oh, yeah. You didn't hear? You didn't read? That everything's going to be brought under one umbrella and centralized. Why? Because Satan is not God's equal or opposite. He is not omnipresent. He is not omnipotent. And he is not omniscient, all-knowing, all-present, all-powerful.

So technically, when you or I — I'm just as guilty as you — say something like “Man, the Devil was tearing my hide last week.” Whoa! The devil himself did? Because he can only be one place at one time. No, it wasn't the Devil. It was his demons, Those spiritual forces and wickedness in high — those entities, and Paul delineates — there's four rankings, like in the military in *Ephesians* 6. Rulers, principalities, powers. I mean, if the Devil himself is

attacking you, man, stay away from me because whatever you did to get the Devil himself, you must be a high-value target, baby.

So where are you going with this, Pastor? Just don't rush me. I'll tell you where I'm going with this. Because he can only be one place at one time, wouldn't it stand to reason that there would have to be One Health? Go fly on an airplane. I'm not going with you. “One world” on every aircraft. Check me out if you want. “One economy.” It's happening already. Crypto, gold, stocks.

I think of that proverb. It's one of my favorites because, again, I see the humor. You know, God created humor, and God loves humor and laughter. Laughing and crying are amongst the two most wonderful and powerful gifts God ever gave us. You take laughing and crying away from me bye; I'm saying, “bye” to myself.

The Proverbs says, **“Don't feast your eyes on your wealth.”** You've accumulated? Oh, you made some good money in crypto, huh? Cool. If you looked the last couple of weeks, not so good anymore. Oh, you made out pretty good on that stock portfolio? Right on. Don't fix your eyes on it. I'll tell you why. Proverbs. **“Because it will sprout wings and fly away to the heavens.”**

Does that sound like your paycheck every month? What's the wisdom and the point of the proverb is don't trust in riches. It's replete throughout the word of God. Because — trust in God . By the way, I need to qualify that one. The right God, not the “in God we trust” god on the back of our current currency with the Phoenix rising out of the ashes of chaos to create a new order with the pyramid and the — This is way too much right now, right? What if I told you that if you have a dollar bill with you on you — don't tithe it; don't give it. I don't want to see it. But it is so satanic. That's another topic for another time.

But that's why everything has to be in one location, because Satan can only be one location at one time. So you got to decentralize this, decentralize that. Satan says, no, we got to centralize because I can't be in two places at one time. I don't know where he got the Southern accent but just let me — let me go with it.

Okay, Pastor, so what does all of this mean? And by the way, I am — and please pray for me. I know you do but pray specifically because you know it takes four days to do one

## **Prophecy Update** **From “It Will Be Happening” to “It’s Now Happening”** **Pastor JD**

Update. It takes you 4 hours to sit through one update. But the amount of and the speed with which technology is, you know, increasing and advancing, coupled with just the sheer volume of data that is usually scrubbed or buried and hard to find, and it's getting harder. Is there anybody — I don't think so. But if you were here back in 19— 19... I don't even know what century it is anymore. I didn't even know what month it was. Sey had to come back and say, “It's not January 22nd. Today is February 22nd. We're in February.”

Grief brain fog, remember? That's my story, and I'm sticking with it. This — this thing about artificial intelligence is creating — and I have quotes and I'm working on — and I know you're praying for me, but specifically because whenever I start working on, studying for, preparing a Prophecy Update, the enemy, not the Devil himself — I'm not that high-value target — but the demons are all over me like white on rice. Why? Because I've got quotes, irrefutable quotes, forensic evidence that AI will take over all, bringing all under one roof: religion, economy, etc. And actually, it's already happening.

Okay. I'm not going to prolong today's Update like I did last week, which is, by the way, a gift that I have for saying in two hours what some can say in half an hour. I'm only going to reference two prophecies in the *Book of Revelation* that foretell and forewarn us of this exactly and prophetically with perfect precision accuracy. Just two. If I did them all, we would be here till the Rapture. There's so many.

But I start with *Revelation 13:16 through 18*. This is the well-known prophecy about the mark of the beast, which one would be hard-pressed not to comport with and connect to the aforementioned prophecies concerning this emphasizing of the One Health concept, one-world everything.

The second one, lastly, a reference, *Revelation 18:23*, which is a prophecy we've covered so many times, and we've done so by virtue of the specificity of this prophecy concerning the mark being a demonic, deceptive pharmaceutical.

Okay, wait, Pastor. So how do you connect that dot? Oh, actually, rather easily, thank you very much. Because in the original language of the Greek New Testament, *Revelation 18:23*, your translations in English will render the word “sorcery.” But in the Greek it's pharmakeia,

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

from where we get “pharmacy,” ‘pharmaceutical.” And all the nations on earth will have been deceived by this pharmakeia.

When I first started talking about this, people thought, man, this guy lost his marbles. Now that presupposes I had marbles to begin with. And so I knew, and I’m cool because at the end of the day, it really doesn’t matter because when I drive home after church, which is 22 minutes, driving the speed limit course — I’m an upstanding citizen, obey the laws of the land, 22 minutes — it’s just me and Jesus.

And there’s only one person that I need to know was pleased. I have an audience of one. And I’m sorry. Please don’t take this the wrong way. You’re not the one. Don’t take that the wrong way. Because if you do, then in your eyes, I’m a man-pleaser and not a God-pleaser. The only thing that matters at the end of the day, when I drive home at the end of the day is God, was that pleasing and right in Your sight? Sometimes I get crickets. And I already know.

I probably could have maybe not said that that way. But I’m just going to let it fall to the ground because My word that you did speak and say will never return void. That’s my prayer every time before I get up here. I hope you know that.

Okay. Let’s end. Yay! We’re going to end the way we began. I’m going to reiterate how what used to be “will be happening” has today become “it’s now happening.” It’s for this reason that the Prophecy Updates are more important than they’ve ever been in this the last hour. And I’m wording this this way for a reason. The last hour of humankind’s history as we know it.

When we — Lord willing, if you pray for me — I need all the prayer I can get. The Apostle Paul was not too proud to humble himself and ask for specific prayers for himself. Pray for me that God just protects me from the spiritual warfare that is off the charts, especially when I mention — even the mere mention of the pre-Tribulation rapture. (Explosion sound)

We saw that, witnessed that last year, for those that were here. You start playing around in Satan’s backyard where he’s got everything kind of hidden and planning and you know, you go into that barn, you know, with everything on the, posted on the — is this too much — the

**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

cork board, you know, and the lines and the strings and, you know, all the screens. And wooh-hoo-ha-ha. (Evil voice laughing)

And you get in there, and you're going to try to expose it? Whoa! You know what I worry is when the Devil and the demons leave me alone. That's when I get concerned. I actually get very concerned when they send me a thank you card. Keep up the good work for the kingdom of darkness. You are no threat.

It is the end, the last hour of humankind's history. And here's the bottom line. If there was ever a time-driven urgency — I know I say this every week — please don't let that stop you from hearing it again this week — the time-driven urgency to get Jesus to people and people to Jesus is now! Now!

I'm telling you; my wife, before she went home to be with Jesus, and we would have these long hours together crying, laughing, praying, talking, sitting sometimes not even talking. Imagine that. Shocking. That was a miracle by itself. And we would have this conversation about when she's in glory, it's going to mess me up. And not just in the grieving, which is inward; in the morning, which is outward, but it's going to mess me up because she beat me. My wife beat me. Not the way you're thinking.

I know she was competitive. She won again. She always did. She beat me to glory. And now you know what? Glory is all I see now. And that's where I want to be now more than ever. And I want as many — I want as many people to go there with me. Please hear my heart. I'm not doing this for my health. I'm not doing this for a paycheck. I would pay to do this. I'm sorry. I didn't mean to... I'm not seeking pity. I'm seeking only prayer.

But I have a fire burning in me like it is never burned before to get Jesus to people and people to Jesus. How? By way of the Gospel of Jesus Christ, which is the good news of salvation and eternal life, paid for in full by Jesus Christ. Please graciously grant me, not out of pity, just a couple of minutes. I want to explain just how childlike simple the Gospel really is, and in so doing, I also want to explain how easy it is to be saved and even know that you're born-again. I've had this question asked of me. How do I know if I'm born again?

Oh, you'll know. when your infant was born, did you have a question mark? I wonder if they were born? No. No, you knew. Why? Because they craved Mommy's milk. And then they

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

started teething. (Deep sigh) And then they started crawling. And then they started walking. And then they started growing. And then they started eating steak.

These ABCs of salvation, I — I'm going to just preface today's presentation of the ABCs of salvation this way. I'm continually before the Throne, petitioning the Throne so that this never becomes oh, (Annoyed sound) I've heard this a gillion times. Really? Well, I presented this a gillion times. How about that? Oh, no, I know this by heart. Good! You better. Why? There's a twofold reason.

Number 1, it's in equipping you, the saints. That's on my job description by the way, *Ephesians*. And 2, to bring multitudes, and by the way, something Oswald Chambers would say. I'm going to revise it. Oftentimes God will deem it necessary to not let — to withhold from you how mightily He's using you, lest you think it's you. And God has done that with me. So that's, in advance, the look of shock on my face when you visit and say you got saved after I presented the ABCs of Salvation. And we live in this country. I'm like, wow, Lord! Because nobody comes to Christ unless the Holy Spirit leads them. So please, this is not rote. Let it not become just this “Here we go. Get it over with. Get to the “But God” testimony, which is short, by the way, today.

So the ABCs of Salvation we're going to see the A as the obstacle, the B as central and essential, and the C as evidential. Starting with the A. This is the obstacle: admitting, acknowledging I'm a sinner. I need the Savior.

And the reason this is the obstacle is because the average person will say, and you probably had them say this to you, “Well, I'm a good person.” The only problem is that's not the gauge by which you will be granted access into heaven. There's going to be a lot of good people in hell, a lot of very bad people in heaven. And I'll be at the front of that line. And don't look at me all spiritual because you're right behind me.

You might be a good person. Oh, they have such a good heart. Oh, yeah. Have they read Jeremiah? Their heart is deceitfully wicked. You might be good. Have a good heart. But you'll never be good enough because no one's good. That's what *Romans 3:10* says. **“There is no one good [Or righteous] not even one.”**

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

Oh, you're the exception? You're the one? And I just read in God's word, **“not even one.”** So who am I going to believe? You or God? I think we know the answer to that question. Okay. So why? That's *Romans 3:23*. It tells us why. And it's because **“All have sinned and fall short of the glory of God.”**

So if this is true, and it absolutely is, then there must be a penalty for a sin. And there most definitely is. And it's bad. Very bad. *Romans 6:23* It's the death penalty **“For the wages of sin is death.”** But wait. This is the bad news that can overcome the A obstacle with the good news that what *Romans 6:23* also says, **“The gift of God is eternal life in Christ Jesus our Lord.”**

Wait. Wages = earning. Gift = given, receiving. So I have a gift? Yeah. Who paid for it? Jesus. What did it cost Him? His life. What is the gift? Open it up. Eternal life. Why am I not receiving the gift that He paid for? How does that make any sense?

Well, this obstacle, A, acknowledge, is what we read in the New Testament about the Holy Spirit being the schoolmaster or the tutor that comes to the one looking into the perfect mirror of God's law and seeing themselves as God sees themselves: A sinner, a dirty, rotten, stinking sinner, lawbreaker.

Well, I just broke one. Doesn't matter. You break one; you broke whole law. Bad news. I sentence you to death. And then just about then here comes the Holy Spirit, the tutor, the schoolmaster. Takes by the hand; says, hey, lawbreaker, I'll bring you to the law fulfiller, the Savior. Let's go, Let's go. Because He fulfilled the law and He was the only one that could and would.

So now we're ready for the B, which is central and essential because it's simply believe in your heart that Jesus Christ is Lord. *Romans 10:9* says, **“If you believe in your heart that God raised Jesus from the dead, you will [That's pretty — in other words, jury's not out, verdict's in.] you will be saved.”**

Okay. Thank you, Pastor, very much for the over-dramatized reading of the word of God and explanation or attempted explanation. But I believe in God. You get that, right? I believe in God. Well, we've got a problem because *James 2:19* says, **“Even the demons believe in God, and tremble.”**

**Prophecy Update**  
**From “It Will Be Happening” to “It’s Now Happening”**  
**Pastor JD**

So that means that can't be what “believe” means. So if that's what you believe doesn't mean, then what is it that believe does mean? I'm glad you asked To believe — now I am constantly trying — because I know my wife used to always tell me, “You have the gift of complication.” Despite my failed attempts at telling her that's not one of the gifts, She said, “Doesn't matter, you have it anyway.” And she was right, again.

I don't want to overcomplicate it, nor do I want to oversimplify it. So this is what it means to believe. To believe means that you change your mind. Do a one-eighty It's the Greek word, metanoia, from where we get our English word “repentance.” It's a turning around, around a changing around of your mind. You're thinking, turning to Jesus, persuaded about Jesus, trusting in Jesus, relying upon Jesus, believing that Jesus replaced my filthy self-righteousness with the perfect righteousness of Jesus, which is only possible by Jesus.

Do I need to work on this a little bit more? How about this? Simply put, we put our trust in Jesus, who put away my sin when He was put on the cross, then put in the grave to be resurrected, and put at the right hand of the Father. Is that chicken skin?

Well, now we come to the C, which is the evidential. This is the fruit. **“You shall know them by their fruit.”** Jesus said good fruit can't come from bad tree. Bad fruit can't come from a good tree. So if the root is good, the fruit is good.” Is that — is that too simple? So the C is for confess or call upon the name of the Lord.

So once the A, admitting, acknowledging obstacle has been overcome, leading to the B, believing, trusting, which is central and essential, this is the result, the evidence, the fruit. It'll be the calling, the confessing, which is the evidence. Jesus said in *Matthew 12:30* and *Luke 6:45*, **“Out of the abundance of the heart, the mouth speaks.”**

Translated: You want to know what's in somebody's heart? Listen to what's come into their mouth. That's what's in their heart. Bitterness? That's bitter fruit. Well, it's coming out of their mouth. Well, that's because it's in their heart.

Well, what if Jesus is in my heart? Whoa! Jesus is going to be coming out of my mouth. That's what *Romans 10:9* also says. **“If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved.”** And *Romans 10:13*, **“All who call upon name of the Lord will [Will. Not might. Will.] be saved.”**

**Prophecy Update**

**Pastor JD**

I implore you; if you have any doubt about your salvation, your eternal destiny, you better settle out right here and right now. And that's an order. I'm sorry. Because the stakes are so high. They're infinitely high. We're not talking about life and death. We're talking about life and death for all eternity. Okay. Let's end.

Today's “But God” testimony comes from Rob McNurlin who writes, “Thank you for all you do and the information you bring out. After hearing your Prophecy Updates, I am even more convinced that the shot had something to do with my dad's death. He received the first shot but refused all the boosters. He survived open heart surgery and recovered very well. Then in July of 2023, he had an inoperable brain bleed and died on August 3rd. But God. A few days before he died, I walked into his room, and he said, “How are you, son?” I replied, “I'm fine, how are you?” He smiled really big and said, “I'm good! I'm going to Heaven soon!”

Boom! I chose this “But God” testimony because that's what my Kellie said all the time to all the people she could, with a big smile on her face. And there were times, I have to confess, it was little bit awkward, like, honey, maybe, you know, just...

She was like, “I'm going to heaven soon!” (Smiling and swaying) Wait, what? You know, we're still praying for your healing. I know! Keep praying for my healing because when I'm in heaven I'll be healed!

[ Laughter ]

Again, I'm being very open with you. That took me a while. She had to walk me through that whole thing because I'm like, You picked a fine time to leave me, Kellie. (Singing) No!!! Yes. The Apostle John said you can know that you have eternal life. Do you know that you have eternal life? Do you know that if you were to take your last breath here on Earth that you would take your next breath in heaven? Do you know for sure? If you don't, I pray you do whatever it takes to resolve any uncertainty and ambiguity.

And I'm done. The end. Kapono, come on up. Stand up. Again, very smooth closings. Yeah. You like those closings? No, that all goes to the Lord. Kellie, I'm coming. I'm not too far behind you, baby. And neither are my brothers and sisters with the way things are looking around down here. We'll see you soon and very soon.

Thank You, Jesus. Heavenly Father, I pray for anyone that has stuck in there with me today that doesn't know You, doesn't have a saving relationship with You, has never come to a saving knowledge of You to know without question that they're born-again. Because You said no one will see the Kingdom of Heaven unless You're born-again of the Spirit of God. Please, Lord, only You can do it; I can't. I'm just the vessel. I'm just the mouthpiece And the big one at that. But it's only You, by the Holy Spirit, that leads us to salvation.

So will You? In the quietness of anyone's heart at this very moment, this holy moment please, Lord, bring them to You. Because we're very soon going to be with You. And I just can't wait, especially now. So Jesus, maranatha! Even so, come, Lord Jesus. In the name of Jesus. Amen.
