

Mid-East Prophecy Update – November 4th, 2012

- For today's prophecy update we'll go ahead and do a part three of a series as it relates to our being ready for that which may soon happen.
- With what is arguably the most important election of our lifetime in just two days from now, I think it's incumbent upon me to address it prior.
- The reason I am taking this posture is that my sense is we need to be readied and steadied for what may come regardless of the outcome.

- That said, let me hasten to also say, that I in no way wish to create any paranoia or fear, rather, it's that we must be prudent not paranoid.
- So as to be more specific, we need to be prudent concerning that which may lie ahead after the election, should the Lord seemingly tarry.
- As believers in, and followers of Jesus Christ, we can occupy until He returns by sharing the gospel with many others before He returns.

- What I've done is sort of organized today's prophecy teaching into three categories, all of which are coming together at break neck speed.
- Since it's about the economy stupid, we'll start with the New World Order, as it's called, which comes packaged with a one-world economy.
- Then, we'll tackle the one-world government, and one-world religion, which the anti-Christ will control along with the one-world economy.

- In order to do this, I'll need to proceed with the presupposition that we're all savvy enough to know that the United States will go bankrupt.
- Regardless of who is elected president on Tuesday, even if they taxed every American at 100%, or cut all spending by 100%, it's too late.
- At the risk of sounding crazy, it's not a conspiracy, rather, it's an agenda, by design to dismantle even destroy the US economy and dollar.

A couple of weeks ago someone emailed me a very sobering article, which confirmed to me what I've suspected for years now was going to happen. It's very well written by one Larry Edelson, whom I don't believe is a professing Christian, and it's titled; "There's Only One Way Out." Here are several excerpts for your consideration: ...No matter who wins the U.S. presidential election come November 6 — there is simply no way our country will ever make good on its gargantuan debts and pile of IOUs that now total as much as \$212 trillion. Washington could raise taxes to 100% of your income, and the debt still wouldn't be paid off. They could slash spending to zero, and the debt would not be paid off. ...So what's the solution then? It's actually very simple. The world needs a new monetary system. New "rules of the game," as central bankers like to call them. Or a "new financial architecture" — the term used by many academics. ... Thing is, that's where we're headed. Toward a new monetary system. ...We're now in the middle of the eye of the storm, where there's relative calm. But soon, the next phase, the next wave of the storm will hit. It will be the worst phase of this great financial crisis. It will tear apart everything you thought you knew about the world, about *your* world, about your wealth, your children's future, your grandchildren's future. ...In the end, when it finally becomes apparent that no amount of money-printing, tax hikes or austerity measures will fix the sovereign-debt problems of Europe and the United States, world leaders will meet and agree to two basic steps for the foundation of a new world monetary system ... Monetize most, if not all, of the Western world's debt [and] Create a new world reserve currency, tied to a commodity basket and administered by the International Monetary Fund.

Revelation 13:16-18 NIV (16) He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, **(17)** so that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name. **(18)** This calls for wisdom. If anyone has insight, let him calculate the number of the beast, for it is man's number. His number is 666.

- The second one we'll quickly look at is the one-world government, which ties into the one-world economy in that they're in concert together.
- Here's how I get there, the anti-Christ in controlling the world economically, will by default, have to also control the world governmentally.
- The reason I believe that this is coming to pass right now, in real time, is because world leaders are being removed from the world stage.

- The third one we'll at least touch on today, in the interest of time, is the one-world religion, which will also be under the anti-Christ's control.
- Actually, as the Lord leads, I may talk more about this in a future update, given that so much is now happening concerning a global religion.
- Suffice it to say, there's a movement afoot within the church today, and sadly, deceiving spirits and doctrines of devils are gaining traction.

1 Timothy 4:1 NKJV Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons,

- I believe the emergent church movement, and even movement's like Chrislam with it, will become a catalyst of sorts for this global religion.
- Be that as it may, time doesn't permit getting into the aspects of this, but I have been seeking the Lord concerning a future update on this.
- I'll bring today's update to a close by saying, "everything is coming together exactly as was foretold in our Bibles and it's happening now."

Isaiah 46:9-11 NIV Remember the former things, those of long ago; I am God, and there is no other; I am God, and there is none like me. **(10)** I make known the end from the beginning, from ancient times, what is still to come. I say: My purpose will stand, and I will do all that I please. **(11)** From the east I summon a bird of prey; from a far-off land, a man to fulfill my purpose. What I have said, that will I bring about; what I have planned, that will I do.

- By way of illustration, here's a simple way to communicate a simple message called; "the Gospel," which means "Good News."
- In the beginning God and man were together but through Adam sin entered the world and separated man from God. (That's the bad news!)
- Since entered the world through Adam, Jesus entered the world as the second Adam to die and pay for our sin. (That's the good news!)
- The finished work of the cross, and the resurrection of the Christ, bridged the gap, and thus reunited man to God.
- It's for this reason the Christian faith is the truth, and all other religions are false. It's a relationship as opposed to a religion.
