

Sermon Listening Guide (April 12, 2026)

Scripture: John 3:16-21

Sermon Title: “Believe”

First Thoughts

Nicodemus had an incorrect view of God.

His conversation with Jesus gave him a fuller picture of what God is like.

The Love of God

John 3:16 describes the tremendous love of God.

He showed his love by the gift he gave us (Jesus).

Our distorted views of God can be corrected by a deep study of John.

When describing God to others, we should start with his love.

Believe

The word “Believe” is used around 100 times in John.

Could you fully define the word “Believe?”

To believe is to “have faith” or “trust.”

In the Bible, Jesus called people to love him more than anything.

Heaven or Hell

There are eternal consequences wrapped up in John 3:16-21.

Belief leads to heaven or hell, life or death, light or darkness.

Is there something between belief and unbelief?

Final Thoughts

Confession through prayer is how one starts a relationship with God.
