Seeing Jesus: Hosea

Hosea was instructed by God to chase after his wife, even though she was in adultery. The same way, Christ chases after His bride (the church) even when we are chasing after the pleasures of the flesh.

God called Hosea to sacrificially marry Gomer, and then to redeem her when she was in sin. How would any of this be challenging to you?

We are idolatrous adulterers when we chase worldly pleasures that only God can truly provide. How is the statement "I was Gomer" true for you?

Hosea purchased back his wife, who already belonged to him. How is Christ the better Hosea? What are the gospel principles demonstrated in this story?

Have you ever been manipulated by sin? Are there examples of where sin made you believe that your joy and satisfaction is found in the flesh? Are you able to discern that joy and satisfaction is found in Christ alone?

What is your response when you learned that God's response to Israel's sin is to "allure them?" Do you see how that was His response to you when you were also in sin?

Believer, you've been purchased by a God who owns all things. What kind of grace is this?
