# Ruth: Chapter 1

**The book of Ruth is 4 chapters long and gives us a wonderful story that displays God's sweet and bitter providence. It reminds us that God works in mysterious ways that although we see frustration and sadness and devastation on the surface, God is always working behind the scenes to position us to find complete joy in Him and for Him to receive complete glory from us.**

The story of Ruth takes place during a dark time in the history of Israel. Naomi loses her husband during a famine and both of her sons before they have any children. It was an incredibly difficult time in her life. But if you read ahead you'll see how God is working all of this out for His good plan.

Have you ever felt that there is no way that God could use your circumstance for good? Have you ever wondered "how in the world could I be used for God's glory?"

### Four Takeaways from Ruth 1:

1. God Sovereignly Rules
2. God's Providence is Mysterious
3. God's Purposes are Always Good
4. Ruth Found Courage to Follow God Through Uncertainty
