Afternoon Prayer

Our monthly afternoon prayer hour is today at 1:30pm. Join us for prayerful reflections and intercession as we pray over our church and our community in the church sanctuary.

1st Corinthians 2:6-16

The Holy Spirit transforms us from the inside out as He gives us the wisdom of God. This is supernatural and allows us to truly change.

Have you experienced the difference between knowledge and wisdom? What about in having knowledge of creation versus the wisdom of God regarding creation?

How challenging is it to reconcile the thought of the wisdom of God being spiritual and difficult to quantify? How has the wisdom of God been revealed to you?

In what ways has science affirmed Scripture? In what ways has Scripture affirmed science?

Science, finance, medicine, biology, mathematics, engineering, etc. are all common grace gifts from the Lord and are meant to help us understand creation better.

How does the wisdom of God turn these common grace gifts of creation upside down in our understanding? How is it challenging to simply use data and quantifiable knowledge to know God?
